

learn that it was something he “had to do.” For Hal, law enforcement was about more than solving crimes; he recognized the role of the community in deterring criminal activity. To foster that engagement, Hal began mentoring youth as one of Louisiana’s first Drug Abuse Resistance Education—DARE—officers. To this day, that post remains a source of great pride for him.

Hal’s passion for law enforcement and service fueled participation on numerous LSA boards as well as the Louisiana Commission on Law Enforcement and Administration of Criminal Justice. In 2001, Hal achieved the highest honor awarded to a Louisiana sheriff—president of the LSA. Because of his effectiveness as a leader and continued advocacy for the sheriffs, this part-time role soon became a full-time position. Hal took the helm as executive director in 2004.

As executive director, Hal ensured that the LSA was prepared for the challenges of the 21st century. Some of his initiatives included the promotion of the Sex Offenders Tracking Web-Site, establishing Louisiana as one of the first States to take advantage of this National Precursor Log Exchange, NPLeX, and launching the Louisiana Methamphetamine Task Force, a project I was proud to help Hal accomplish.

During his tenure Hal and his sheriffs were tested in unprecedented ways, but his dedication to agency coordination allowed the sheriffs to utilize their unique role as both law enforcement and first responders throughout the State. This role was particularly clear during both hurricanes Katrina and Rita. As my colleagues know, August 2005 saw the worst natural disaster in the gulf coast’s history. For me, the response to these disasters revealed the depth of Hal’s character. Even under the most difficult of circumstances, he responded calmly, and continued to work for the people of Louisiana. Hal’s unfailing support during these disasters, and his efforts to coordinate with State and local law enforcement made our State’s response measures as effective as those circumstances would permit.

I could go on and on about Hal: from his efforts during other hurricanes to his work during catastrophic oil spills in the Gulf of Mexico. However, I know that I could never fully express what Hal has done for the people of Louisiana. Hal will always be remembered as the reliable voice of fortitude for and on the behalf of the Louisiana sheriffs. We will surely miss him but can take great comfort knowing that his wonderful wife Kathy and five grandchildren will be spending more time with their “Paw Paw.” I wish my friend all the best in his retirement and thank him for his steadfast duty to our great State.●

## PETITIONS AND MEMORIALS

The following petition or memorial was laid before the Senate and was referred or ordered to lie on the table as indicated:

POM-5. A resolution adopted by the House of Representatives of the State of Michigan urging the Congress of the United States to take steps to insure that the Wall Street Reform and Consumer Protection Act does not result in increased fees on consumers at exempted institutions; to the Committee on Banking, Housing, and Urban Affairs.

### HOUSE RESOLUTION NO. 21

Whereas, under certain provisions (section 1075) of the Wall Street Reform and Consumer Protection Act (Public Law No. 111-203), the Federal Reserve Board is required to issue regulations that would provide for reasonable interchange transaction fees for electronic debit transactions and place limitations on payment card network restrictions; and

Whereas, in drafting Section 1075, Congress included language to exempt small issuers from this provision, defining small institutions as those "with less than \$10 billion in total assets." Small issuers rely on debit interchange fees to provide free checking services to their customers and to cover costs associated with fraud prevention and data security. If these costs were not fully recoverable, small issuers would be unable to offer debit services to their customers, and the result could be decreased consumer choice and higher fees. Because of these concerns, Congress specifically exempted those institutions with less than \$10 billion in assets; and

Whereas, the Federal Reserve Board's current debit interchange fee regulatory proposal (Docket No. R-1404) could lead to the unintended consequences of increasing costs on consumers and limiting consumer choice. The proposal does not include any provision designed to enforce the carve-out for small issuers. It is incumbent on Congress to revisit this issue and help insure that these regulations do not ultimately result in less choice and higher costs for consumers: Now, therefore, be it

*Resolved by the House of Representatives,* That we urge Congress to stop or delay the implementation of Section 1075 so that statutory changes can be made to ensure institutions with less than \$10 billion in assets are
