STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. AKAKA (for himself, Mr. INOUE, Mr. BEGICH, and Ms. MURKOWSKI):

S. 675. a bill to express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity; to the Committee on Indian Affairs.

Mr. AKAKA. Mr. President, today I rise to introduce legislation of great importance to my state, the Native Hawaiian Government Reorganization Act of 2011. This bill would ensure parity in federal policy as it relates to the Native Hawaiian people. It would put them on equal footing with American Indians and Alaska Natives. I have sponsored this common-sense legislation since the 106th Congress.

Last December, I spoke here on the Senate floor to reaffirm my commitment to enact this legislation. I made

it clear then to my colleagues and my constituents that I would be reintroducing this legislation in the 112th Congress. I am moving forward with the legislation that was reported out of the Senate Committee on Indian Affairs in the 111th Congress.

Throughout my Senate career, I have been a member of the Committee on Indian Affairs. I have worked diligently with my colleagues on the Committee to champion legislation to improve conditions for our Native communities across the United States. At the beginning of the 112th Congress, I became the Chairman of this Committee. I look forward to working on the many pressing issues for American Indians, Alaska Natives, and Native Hawaiians. Reconciliation between the United States and the Native Hawaiian people will be a top priority.

In 1993, I sponsored a measure commonly known as the Apology Resolution. This resolution was signed into law by President Bill Clinton. It outlined the history—prior to—and following the overthrow of the Kingdom of Hawaii, including the involvement in the overthrow by agents of the United States. In the resolution, the United States apologized for its involvement—and acknowledged the ramifications of the overthrow. It committed to support reconciliation efforts between the United States and the Native Hawaiian people.

However, additional Congressional action is needed.

My legislation allows us to take the necessary next step in the reconciliation process. The bill does three things. First, it authorizes an office in the Department of the Interior to serve as a liaison between Native Hawaiians and the United States. Second, it forms an interagency task force chaired by the Departments of Justice and Interior, and composed of officials from federal agencies that administer programs and services impacting Native Hawaiians. Third, it authorizes a process for the reorganization of the Native Hawaiian government for the purposes of a federally-recognized government-to-government relationship. Once the Native Hawaiian government is recognized, an inclusive democratic negotiations process representing both Native Hawaiians and non-Native Hawaiians would be established. There are many checks and balances in this process. Any agreements reached would still require the legislative approval of the State and Federal governments.

Opponents have spread misinformation about the bill. Let me be clear on some things that this bill does not do. My bill will not allow for gaming. It does not allow for Hawaii to secede from the United States. It does not allow for private land to be taken. It does not create a reservation in Hawaii.

What this bill does do is allow the people of Hawaii to come together and address issues arising from the overthrow of the Kingdom of Hawaii more than 118 years ago.
