150TH ANNIVERSARY OF AUGUSTANA COLLEGE

● Mr. THUNE. Mr. President, today I recognize Augustana College of Sioux Falls, SD. Founded in 1861, Augustana celebrates its 150th anniversary this year.

Augustana College is located in Minnehaha County and upholds Christian values that inspire excellence in students and service in the community. This institution is a profound example of quality higher education in South Dakota. After moving to several different locations, Augustana found permanent residence in Sioux Falls, SD, in 1918. Augustana College has much to be proud of, and I am confident that Augustana's success will continue well into the future.

Success is fostered from Augustana's core values of Christianity, integrity, community, and service. These values are intertwined into a liberal arts education and prepare students for the challenges and triumphs they will face after graduation.

Augustana will commemorate the sesquicentennial of its founding with celebrations on April 16, featuring historic galleries, speakers, and entertainment. I would like to offer my congratulations to the students, parents, faculty, and alumni of this institution on this milestone anniversary and wish them continued prosperity in the years to come.●

REMEMBERING ALFRED SCHWAN

● Mr. MORAN. Mr. President, I wish to honor the memory of a caring and charismatic business icon and decorated Navy veteran.

Alfred Schwan, who passed away on March 18, 2011, helped found a small, all-American family business with his brothers Marvin and Robert and built The Schwan Food Company to what it is today a multibillion-dollar, frozen-food company with thousands of employees and millions of customers.

Alfred was known as an adventurous and outgoing person who had a quick smile, relentless energy, and a can-do attitude.

Alfred started in the frozen food business early. Born in 1925 to Paul and Alma Schwan, as a young man he helped his father at the Marshall Ice Cream Company make popsicles and ice cream bars.

But Alfred did not go straight into the family business. He left to fulfill a dream and serve his country as a pilot and joined the U.S. Naval Aviation Corps. Alfred flew torpedo bombers and taught antisubmarine warfare.

He met his wife Doris during a blind date at a USO Club. They married in 1946, the same year Alfred was awarded

Navy Wings of Gold. A year later they had their first of five sons.

Answering a call from his family, Alfred joined the family business in 1964 to oversee factory operations and company drivers. Those company yellow trucks have become beloved across the nation. I know I remember seeing the yellow Schwan truck in my neighborhood.

With a commitment to integrity and hard work, Alfred went on to oversee the Schwan pizza business. He guided the production of Schwan pizza in their plant in Salina, KS, for three decades. Under his leadership the plant grew from having little more than a dozen employees to employing 1,500 Kansans with the capacity to produce more than 3 million pizzas a day. Alfred listed the growth of the Salina plant as one of his proudest achievements in business.

After the death of his brother Marvin, Alfred was appointed CEO, president and chairman of Schwan in 1993. He retired as chairman in 2009 at the age of 83.

Among the many public honors this inspirational and optimistic leader received include being honored by the School Nutrition Association of Kansas as an Outstanding Industry Member of the Year, induction into the Frozen Food Hall of Fame, and receiving Schwan's most prestigious honor—the Marvin M. Schwan Heritage of Quality Award.

Alfred was such an important community leader and citizen of Kansas that, when he retired, Salina, KS, declared February 6 as "Alfred Schwan Day."

As March is National Frozen Food Month, it is appropriate to honor Alfred's life and the energy and passion he gave to this important industry. He was an innovator and pioneer in the frozen food industry. With more than 700 facilities nationwide, the frozen food industry employs nearly 100,000 Americans and generates a payroll of approximately \$3 billion.

On behalf of all Americans, I thank Alfred Schwan for his service to our country and to U.S. consumers. Frozen foods are a staple in American homes, office lunch rooms, and school cafeterias. These foods provide an important source of healthy, affordable, and convenient food choices that help feed our Nation and the world.●
