

but they may not be too familiar with the impact on individual businesses. In particular, I am speaking about the affects of Hurricanes Katrina and Rita on minority firms in the Gulf Coast. As a result of these storms, many minority firms in the Gulf Coast were disrupted and thus lost valuable time for participating in the 8(a) program. The 8(a) business development initiative, created under the Small Business Administration, helps minority entrepreneurs access Federal contracts and allows companies to be certified for increments of 3 years. These contracts are vital to the revival of these impacted areas. However, as currently structured the program allows businesses to participate for a limited length of time, 9 years, after which they can never re-apply nor get back into the program. It is imperative that we provide contracting assistance to our local minority businesses.

The bill includes a provision which would tackle this problem in three important ways. First, the bill extends 8(a) eligibility for program participants in Katrina/Rita-impacted areas in Louisiana, Mississippi, and Alabama by 24 months. The bill would also apply to any areas in the state of Louisiana, Mississippi and Alabama that have been designated by the administrator of the Small Business Administration as a disaster area as a result of Hurricanes Katrina or Rita. Lastly, the bill would require the administrator of the Small Business Administration to ensure that every small business participating in the 8(a) program before the date of enactment of the Act is reviewed and brought into compliance with this act. This requirement would ensure that any eligible previous 8(a) participants will be allowed back into the program. As such, these key provisions would ensure that these businesses continue to play a vital role in rebuilding their communities. I note that I introduced a similar provision as part of S. 3285, the disadvantaged Business Disaster Eligibility Act during the 110th Congress and as part of S. 2731 last Congress. During the 109th Congress, this proposal passed the House of Representatives but we were unable to pass the legislation here in the Senate before we adjourned for the year. I look forward to renewing my fight this Congress as I believe that this is a commonsense proposal which would not cost a great deal. It would, however, make a huge difference for these businesses impacted by Katrina and Rita.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:
