

Student enrollment peaked at more than 3700 in the fall of 2009 and remains at 3,576 this semester.

The Partner in Excellence campaign between 1999 and 2005 raised a record \$62 million to fund 13 major building projects for the arts, instructional technology and extended learning, sports and athletics, religious education, and campus parking.

The SBU endowment more than doubled during the last decade to over \$19 million.

The school's first doctoral program was launched, and the number of physical therapy applications has grown each year.

"It's all God's blessing," Dr. Taylor has explained. "We've worked hard, but God has blessed it. It's not what we've done, but it's what God has done through us. When I really look at our success, it's because God has ordained that we will be successful."

I could not agree with Dr. Taylor more. I would add that Dr. Taylor is a blessing to Southwest Baptist University and the community. It is my hope that Southwest Baptist University continues to meet its mission as a "Christ-centered, caring academic community preparing students to be servant leaders in a global society." It is a bold calling, and I am certain SBU has the leadership and dedication in Dr. Taylor to see it fulfilled.●

#### TRIBUTE TO GLENN VANSELOW

● Mr. WYDEN. Mr. President, today I want to recognize and honor Glenn Vanselow and wish him well upon his upcoming retirement from his position as executive director of the Pacific Northwest Waterways Association of Portland, OR.

Glenn has served as the executive director of the Pacific Northwest Waterways Association since 1989. His 22 years of service to Oregonians and all the residents of the Northwest have been invaluable. His advocacy on behalf of infrastructure projects in the region has been key to ensuring that Oregon's ports remain a vital component of our economy and laid a foundation for them to grow and flourish in the future.

He has been critical to helping build and maintain the locks, dams, hydropower and irrigation projects on the Columbia/Snake River system that have been so important to commerce in our region. He brought experience, know-how, leadership, and vision to critical navigation projects like the Columbia River Channel Deepening and the lock gate replacements just this past winter. And a few years ago, we were able to celebrate the completion of repairs to the Tillamook north jetty together.

Glenn has made many stops along the way in serving the Northwest. He is on the board of the Lower Columbia River Estuary Partnership, he co-chaired the Bi-State Water Quality Study for the Lower Columbia and

served as chair of the Lower Columbia River Estuary Program in developing a management plan for ecosystem restoration. Past board memberships have included the Oregon Governor's Council of Economic Advisors, Regional Maritime Security Coalition-Columbia River, and University of Idaho College of Mines Advisory Board.

The legacy of Glenn's time with PNWA will be the permanent and long-term investments in Oregon that he helped move forward, the jobs those projects helped to create, and the families who have benefited from the great work the PNWA has done during his tenure. I know my home State of Oregon owes Glenn a great debt.

I congratulate Glenn on his significant contributions to the growth and development of the economy of the Pacific Northwest, and I wish him well in retirement.●
