

not want to prevent that. At the same time, the agency must ensure that it complies with all legal protections regarding confidentiality, including the Privacy Act.

Mr. ISAKSON. I agree with the Senator.

Mr. LEAHY. Concerning section 8H, "Removal and Assessment and Evaluation," we recognize that Peace Corps cannot guarantee or know with absolute certainty that a given site is safe. But we do want the agency to take all necessary steps to assess the safety of a volunteer's site if that volunteer expresses a legitimate concern that he or she is at risk of imminent bodily harm.

Mr. ISAKSON. Yes, that is what we expect.

Mr. LEAHY. This bill, once it becomes law, may require the agency to hire additional staff, and given the wording of section 10, "Offset of Costs and Personnel," that could mean cutting costs or laying off other staff. However, I want to be sure that unless the new employee is being added solely because of this law, and would not have otherwise been added, and that the new staff's responsibilities relate solely to implementing provisions of the law, the agency would not be required to eliminate another position. Personnel numbers at any agency fluctuate, so it is important to determine whether a particular employee was hired "to carry out the provisions of this Act," as indicated in subsection (2).

Mr. ISAKSON. The Senator is correct.

Mr. LEAHY. I thank the Senator, and again commend him and the Puzey family for this very important legislation. We all support the Peace Corps' mission and we want to do everything we can to help it succeed, and at the same time ensure that volunteers have the training and support they need. There are inherent risks whenever an American travels, studies, works, or serves overseas, especially in remote areas in poor countries where law enforcement and judicial systems are often corrupt or dysfunctional. But what happened to Kate Puzey should never have happened. We need to do everything reasonably possible to protect the safety of Peace Corps volunteers, and this bill represents a major step forward. I am very pleased that it bears Kate's name. I know Peace Corps Director Aaron Williams has already taken some significant steps in this regard, and that he shares our goal.
