Whereas 56 percent of the children in foster care are age 10 or younger;

Whereas the average length of time a child spends in foster care is more than 2 years;

Whereas for many foster children, the wait for a loving family in which they are nurtured, comforted, and protected seems endless;

Whereas in 2010, nearly 28,000 youth "aged out" of foster care by reaching adulthood without being placed in a permanent home;

Whereas everyday, loving and nurturing families are strengthened and expanded when committed and dedicated individuals make an important difference in the life of a child through adoption;

Whereas a 2007 survey conducted by the Dave Thomas Foundation for Adoption demonstrated that though "Americans overwhelmingly support the concept of adoption, and in particular foster care adoption . . . foster care adoptions have not increased significantly over the past five years";

Whereas since the first National Adoption Day in 2000, more than 35,000 children have joined forever families during National Adoption Day;

Whereas on the return flight to Clark Field, the B-17 came under attack by 2 enemy aircraft and was critically damaged;

Whereas Captain Kelly ordered his crew to bail out while he remained at the controls;

Whereas Captain Kelly continued to operate the controls as the 6 surviving crew members bailed out and parachuted safely to the ground, despite remaining under fire during the descent;

Whereas the B-17 crashed near Clark Field, killing Captain Kelly, who had remained at

the controls so his crew had time to evacuate the aircraft;

Whereas Captain Kelly was posthumously awarded the Distinguished Service Cross for his heroic actions on December 10, 1941; and

Whereas the Four Freedoms Monument in Madison, Florida was commissioned by President Franklin D. Roosevelt and dedicated in Captain Kelly's memory in 1943: Now, therefore, be it
