It is the sense of Congress that S.J. Res 10 should be passed and submitted to the states for ratification not later than 90 days after the date of enactment of this Act.

TITLE II—ENHANCED RESCISSION AUTHORITY

SEC. 1201. PURPOSES.

The purpose of this title is to create an optional fast-track procedure the President may use when submitting rescission requests, which would lead to an up-or-down vote by Congress on the President's package of rescissions, without amendment.

SEC. 1202. RESCISSIONS OF FUNDING.

The Impoundment Control Act of 1974 is amended by striking part C and inserting the following:

“PART C—EXPEDITED CONSIDERATION OF PROPOSED RESCISSIONS

“SEC. 1021. APPLICABILITY AND DISCLAIMER.

“The rules, procedures, requirements, and definitions in this part apply only to executive and legislative actions explicitly taken under this part. They do not apply to actions taken under part B or to other executive and legislative actions not taken under this part.

“SEC. 1022. DEFINITIONS.

“In this part:

“(1) The terms ‘appropriations Act’, ‘budget authority’, and ‘new budget authority’ have the same meanings as in section 3 of the Congressional Budget Act of 1974.

“(2) The terms ‘account’, ‘current year’, ‘CBO’, and ‘OMB’ have the same meanings as in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985 as in effect on September 30, 2002.

“(3) The term ‘days of session’ shall be calculated by excluding weekends and national holidays. Any day during which a chamber of Congress is not in session shall not be counted as a day of session of that chamber. Any day during which neither chamber is in session shall not be counted as a day of session of Congress.

“(4) The term ‘entitlement law’ means the statutory mandate or requirement of the United States to incur a financial obligation

unless that obligation is explicitly conditioned on the appropriation in subsequent legislation of sufficient funds for that purpose, and the Supplemental Nutrition Assistance Program.

“(5) The term ‘funding’ refers to new budget authority and obligation limits except to the extent that the funding is provided for entitlement law.

“(6) The term ‘rescind’ means to eliminate or reduce the amount of enacted funding.

“(7) The terms ‘withhold’ and ‘withholding’ apply to any executive action or inaction that precludes the obligation of funding at a time when it would otherwise have been available to an agency for obligation. The terms do not include administrative or preparatory actions undertaken prior to obligation in the normal course of implementing budget laws.

“SEC. 1023. TIMING AND PACKAGING OF RESCISSION REQUESTS.

“(a) **TIMING.**—If the President proposes that Congress rescind funding under the procedures in this part, OMB shall transmit a message to Congress containing the information specified in section 1024, and the message transmitting the proposal shall be sent to Congress not later than 45 calendar days after the date of enactment of the funding.

“(b) **PACKAGING AND TRANSMITTAL OF REQUESTED RESCISSIONS.**—Except as provided in subsection (c), for each piece of legislation that provides funding, the President shall request at most 1 package of rescissions and the rescissions in that package shall apply only to funding contained in that legislation. OMB shall deliver each message requesting a package of rescissions to the Secretary of the Senate if the Senate is not in session and to the Clerk of the House of Representatives if the House is not in session. OMB shall make a copy of the transmittal message publicly available, and shall publish in the Federal Register a notice of the message and information on how it can be obtained.

“(c) **SPECIAL PACKAGING RULES.**—After enactment of—

“(1) a joint resolution making continuing appropriations;

“(2) a supplemental appropriations bill; or

“(3) an omnibus appropriations bill; covering some or all of the activities customarily funded in more than 1 regular appropriations bill, the President may propose as many as 2 packages rescinding funding contained in that legislation, each within the 45-day period specified in subsection (a). OMB shall not include the same rescission in both packages, and, if the President requests the rescission of more than one discrete amount of funding under the jurisdiction of a single subcommittee, OMB shall include each of those discrete amounts in the same package.

“SEC. 1024. REQUESTS TO RESCIND FUNDING.

“For each request to rescind funding under this part, the transmittal message shall—

“(1) specify—

“(A) the dollar amount to be rescinded;

“(B) the agency, bureau, and account from which the rescission shall occur;

“(C) the program, project, or activity within the account (if applicable) from which the rescission shall occur;

“(D) the amount of funding, if any, that would remain for the account, program, project, or activity if the rescission request is enacted; and

“(E) the reasons the President requests the rescission;

“(2) designate each separate rescission request by number; and

“(3) include proposed legislative language to accomplish the requested rescissions which may not include—

“(A) any changes in existing law, other than the rescission of funding; or

“(B) any supplemental appropriations, transfers, or reprogrammings.

“SEC. 1025. GRANTS OF AND LIMITATIONS ON PRESIDENTIAL AUTHORITY.

“(a) **PRESIDENTIAL AUTHORITY TO WITHHOLD FUNDING.**—Notwithstanding any other provision of law and if the President proposes a rescission of funding under this part, OMB may, subject to the time limits provided in subsection (c), temporarily withhold that funding from obligation.

“(b) **EXPEDITED PROCEDURES AVAILABLE ONLY ONCE PER BILL.**—The President may not invoke the procedures of this part, or the authority to withhold funding granted by subsection (a), on more than 1 occasion for any Act providing funding.

“(c) **TIME LIMITS.**—OMB shall make available for obligation any funding withheld under subsection (a) on the earliest of—

“(1) the day on which the President determines that the continued withholding or reduction no longer advances the purpose of legislative consideration of the rescission request;

“(2) starting from the day on which OMB transmitted a message to Congress requesting the rescission of funding, 25 calendar days in which the House of Representatives has been in session or 25 calendar days in which the Senate has been in session, whichever occurs second; or

“(3) the last day after which the obligation of the funding in question can no longer be fully accomplished in a prudent manner before its expiration.

“(d) **DEFICIT REDUCTION.**—

“(1) **IN GENERAL.**—Funds that are rescinded under this part shall be dedicated only to reducing the deficit or increasing the surplus.

“(2) **ADJUSTMENT OF LEVELS IN THE CONCURRENT RESOLUTION ON THE BUDGET.**—Not later than 5 days after the date of enactment of an approval bill as provided under this part, the chairs of the Committees on the Budget of the Senate and the House of Representatives shall revise allocations and aggregates and other appropriate levels under the appropriate concurrent resolution on the budget to reflect the repeal or cancellation, and the applicable committees shall report revised suballocations pursuant to section 302(b), as appropriate.

“SEC. 1026. CONGRESSIONAL CONSIDERATION OF RESCISSION REQUESTS.

“(a) **PREPARATION OF LEGISLATION TO CONSIDER A PACKAGE OF EXPEDITED RESCISSION REQUESTS.**—

“(1) **IN GENERAL.**—If the House of Representatives receives a package of expedited rescission requests, the Clerk shall prepare a House bill that only rescinds the amounts requested which shall read as follows:

“There are enacted the rescissions numbered [insert number or numbers] as set forth in the Presidential message of [insert date] transmitted under part C of the Impoundment Control Act of 1974 as amended.”

“(2) **EXCLUSION PROCEDURE.**—The Clerk shall include in the bill each numbered rescission request listed in the Presidential package in question, except that the Clerk shall omit a numbered rescission request if the Chairman of the Committee on the Budget of the House, after consulting with the Chairman of the Committee on the Budget of the Senate, CBO, GAO, and the House and Senate committees that have jurisdiction over the funding, determines that the numbered rescission does not refer to funding or includes matter not permitted under a request to rescind funding.

“(b) **INTRODUCTION AND REFERRAL OF LEGISLATION TO ENACT A PACKAGE OF EXPEDITED RESCISSIONS.**—The majority leader or the minority leader of the House or Representatives, or a designee, shall (by request) intro-

duce each bill prepared under subsection (a) not later than 4 days of session of the House after its transmittal, or, if no such bill is introduced within that period, any member of the House may introduce the required bill in the required form on the fifth or sixth day of session of the House after its transmittal. If such an expedited rescission bill is introduced in accordance with the preceding sentence, it shall be referred to the House committee of jurisdiction. A copy of the introduced House bill shall be transmitted to the Secretary of the Senate, who shall provide it to the Senate committee of jurisdiction.

“(c) **HOUSE REPORT AND CONSIDERATION OF LEGISLATION TO ENACT A PACKAGE OF EXPEDITED RESCISSIONS.**—The House committee of jurisdiction shall report without amendment the bill referred to it under subsection (b) not more than 5 days of session of the House after the referral. The committee may order the bill reported favorably, unfavorably, or without recommendation. If the committee has not reported the bill by the end of the 5-day period, the committee shall be automatically discharged from further consideration of the bill and it shall be placed on the appropriate calendar.

“(d) **HOUSE MOTION TO PROCEED.**—

“(1) **IN GENERAL.**—After a bill to enact an expedited rescission package has been reported or the committee of jurisdiction has been discharged under subsection (c), it shall be in order to move to proceed to consider the bill in the House. A Member who wishes to move to proceed to consideration of the bill shall announce that fact, and the motion to proceed shall be in order only during a time designated by the Speaker within the legislative schedule for the next calendar day of legislative session or the one immediately following it.

“(2) **FAILURE TO SET TIME.**—If the Speaker does not designate a time under paragraph (1), 3 or more calendar days of legislative session after the bill has been reported or discharged, it shall be in order for any Member to move to proceed to consider the bill.

“(3) **PROCEDURE.**—A motion to proceed under this subsection shall not be in order after the House has disposed of a prior motion to proceed with respect to that package of expedited rescissions. The previous question shall be considered as ordered on the motion to proceed, without intervening motion. A motion to reconsider the vote by which the motion to proceed has been disposed of shall not be in order.

“(4) **REMOVAL FROM CALENDAR.**—If 5 calendar days of legislative session have passed since the bill was reported or discharged under this subsection and no Member has made a motion to proceed, the bill shall be removed from the calendar.

“(e) **HOUSE CONSIDERATION.**—

“(1) **CONSIDERED AS READ.**—A bill consisting of a package of rescissions under this part shall be considered as read.

“(2) **POINTS OF ORDER.**—All points of order against the bill are waived, except that a point of order may be made that 1 or more numbered rescissions included in the bill would enact language containing matter not requested by the President or not permitted under this part as part of that package. If the Presiding Officer sustains such a point of order, the numbered rescission or rescissions that would enact such language are deemed to be automatically stripped from the bill and consideration proceeds on the bill as modified.

“(3) **PREVIOUS QUESTION.**—The previous question shall be considered as ordered on the bill to its passage without intervening motion, except that 4 hours of debate equally divided and controlled by a proponent and an opponent are allowed, as well as 1 motion to further limit debate on the bill.

“(4) MOTION TO RECONSIDER.—A motion to reconsider the vote on passage of the bill shall not be in order.

“(f) SENATE CONSIDERATION.—

“(1) REFERRAL.—If the House of Representatives approves a House bill enacting a package of rescissions, that bill as passed by the House shall be sent to the Senate and referred to the Senate committee of jurisdiction.

“(2) COMMITTEE ACTION.—The committee of jurisdiction shall report without amendment the bill referred to it under this subsection not later than 3 days of session of the Senate after the referral. The committee may order the bill reported favorably, unfavorably, or without recommendation.

“(3) DISCHARGE.—If the committee has not reported the bill by the end of the 3-day period, the committee shall be automatically discharged from further consideration of the bill and it shall be placed on the appropriate calendar.

“(4) MOTION TO PROCEED.—On the following day and for 3 subsequent calendar days in which the Senate is in session, it shall be in order for any Senator to move to proceed to consider the bill in the Senate. Upon such a motion being made, it shall be deemed to have been agreed to and the motion to reconsider shall be deemed to have been laid on the table.

“(5) DEBATE.—Debate on the bill in the Senate under this subsection, and all debatable motions and appeals in connection therewith, shall not exceed 10 hours, equally divided and controlled in the usual form. Debate in the Senate on any debatable motion or appeal in connection with such a bill shall be limited to not more than 1 hour, to be equally divided and controlled in the usual form. A motion to further limit debate on such a bill is not debatable.

“(6) MOTIONS NOT IN ORDER.—A motion to amend such a bill or strike a provision from it is not in order. A motion to recommit such a bill is not in order.

“(g) SENATE POINT OF ORDER.—It shall not be in order under this part for the Senate to consider a bill approved by the House enacting a package of rescissions under this part if any numbered rescission in the bill would enact matter not requested by the President or not permitted under this Act as part of that package. If a point of order under this subsection is sustained, the bill may not be considered under this part.”

TITLE II—MEDICAL CARE ACCESS PROTECTION ACT OF 2011

SEC. 3201. SHORT TITLE.

This title may be cited as the "Medical Care Access Protection Act of 2011" or the "MCAP Act".

SEC. 3202. FINDINGS AND PURPOSE.

(a) FINDINGS.—

(1) EFFECT ON HEALTH CARE ACCESS AND COSTS.—Congress finds that our current civil justice system is adversely affecting patient access to health care services, better patient care, and cost-efficient health care, in that the health care liability system is a costly and ineffective mechanism for resolving claims of health care liability and compensating injured patients, and is a deterrent to the sharing of information among health care professionals which impedes efforts to improve patient safety and quality of care.

(2) EFFECT ON INTERSTATE COMMERCE.—Congress finds that the health care and insurance industries are industries affecting interstate commerce and the health care liability litigation systems existing throughout the United States are activities that affect interstate commerce by contributing to the high costs of health care and premiums for health care liability insurance purchased by health care system providers.

(3) EFFECT ON FEDERAL SPENDING.—Congress finds that the health care liability litigation systems existing throughout the United States have a significant effect on the amount, distribution, and use of Federal funds because of—

(A) the large number of individuals who receive health care benefits under programs operated or financed by the Federal Government;

(B) the large number of individuals who benefit because of the exclusion from Federal taxes of the amounts spent to provide them with health insurance benefits; and

(C) the large number of health care providers who provide items or services for which the Federal Government makes payments.

(b) PURPOSE.—It is the purpose of this title is to implement reasonable, comprehensive, and effective health care liability reforms designed to—

(1) improve the availability of health care services in cases in which health care liability actions have been shown to be a factor in the decreased availability of services;

(2) reduce the incidence of "defensive medicine" and lower the cost of health care liability insurance, all of which contribute to the escalation of health care costs;

(3) ensure that persons with meritorious health care injury claims receive fair and adequate compensation, including reasonable noneconomic damages;

(4) improve the fairness and cost-effectiveness of our current health care liability system to resolve disputes over, and provide compensation for, health care liability by reducing uncertainty in the amount of compensation provided to injured individuals; and

(5) provide an increased sharing of information in the health care system which will reduce unintended injury and improve patient care.

SEC. 3203. DEFINITIONS.

In this title:

(1) ALTERNATIVE DISPUTE RESOLUTION SYSTEM; ADR.—The term "alternative dispute resolution system" or "ADR" means a system that provides for the resolution of health care lawsuits in a manner other than through a civil action brought in a State or Federal court.

(2) CLAIMANT.—The term "claimant" means any person who brings a health care lawsuit, including a person who asserts or claims a right to legal or equitable contribution, indemnity or subrogation, arising out of a health care liability claim or action, and any person on whose behalf such a claim is asserted or such an action is brought, whether deceased, incompetent, or a minor.

(3) COLLATERAL SOURCE BENEFITS.—The term "collateral source benefits" means any amount paid or reasonably likely to be paid in the future to or on behalf of the claimant, or any service, product or other benefit provided or reasonably likely to be provided in the future to or on behalf of the claimant, as a result of the injury or wrongful death, pursuant to—

(A) any State or Federal health, sickness, income-disability, accident, or workers' compensation law;

(2) **FILING OF LAWSUIT.**—No demand for punitive damages shall be included in a health care lawsuit as initially filed. A court may allow a claimant to file an amended pleading for punitive damages only upon a motion by the claimant and after a finding by the court, upon review of supporting and opposing affidavits or after a hearing, after weighing the evidence, that the claimant has established by a substantial probability that the claimant will prevail on the claim for punitive damages.

(3) **SEPARATE PROCEEDING.**—At the request of any party in a health care lawsuit, the trier of fact shall consider in a separate proceeding—

(A) whether punitive damages are to be awarded and the amount of such award; and

(B) the amount of punitive damages following a determination of punitive liability. If a separate proceeding is requested, evidence relevant only to the claim for punitive damages, as determined by applicable State law, shall be inadmissible in any proceeding to determine whether compensatory damages are to be awarded.

(4) **LIMITATION WHERE NO COMPENSATORY DAMAGES ARE AWARDED.**—In any health care lawsuit where no judgment for compensatory damages is rendered against a person, no punitive damages may be awarded with respect to the claim in such lawsuit against such person.

“(1) the procedure in that House shall be the same as if no joint resolution had been received from the other House; but

“(h) This section and section 803 are enacted by Congress—

“(1) as an exercise of the rulemaking power of the Senate and House of Representatives,

respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a joint resolution described in subsection (a), and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(1) the term “agency” has the meaning given under section 3502(1) of title 44, United States Code;

(2) the term “regulatory action” means any substantive action by an agency that promulgates or is expected to lead to the promulgation of a final regulation, including notices of inquiry, advance notices of proposed rulemaking, and notices of proposed rulemaking;

(3) the term “significant regulatory action” means any regulatory action that is likely to result in a rule or guidance that may—

(A) have an annual effect on the economy of \$100,000,000 or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, small entities, or State, local, or tribal governments or communities;

SEC. 3503. SIGNIFICANT REGULATORY ACTIONS.

(a) IN GENERAL.—No agency may take any significant regulatory action, until the Bureau of Labor Statistics average of monthly unemployment rates for any quarter beginning after the date of enactment of this Act is equal to or less than 7.7 percent.

(b) DETERMINATION.—The Secretary of Labor shall submit a report to the Director of the Office of Management and Budget whenever the Secretary determines that the Bureau of Labor Statistics average of monthly unemployment rates for any quarter beginning after the date of enactment of this Act is equal to or less than 7.7 percent.

SEC. 3504. WAIVERS.

TITLE VI—FREEDOM FROM RESTRICTIVE EXCESSIVE EXECUTIVE DEMANDS AND ONEROUS MANDATES ACT OF 2011

SEC. 3601. SHORT TITLE.

This title may be cited as the “Freedom from Restrictive Excessive Executive Demands and Onerous Mandates Act of 2011”.

SEC. 3602. FINDINGS.

Congress finds the following:

(1) A vibrant and growing small business sector is critical to the recovery of the economy of the United States.

(2) Regulations designed for application to large-scale entities have been applied uniformly to small businesses and other small entities, sometimes inhibiting the ability of small entities to create new jobs.

(3) Uniform Federal regulatory and reporting requirements in many instances have im-

posed on small businesses and other small entities unnecessary and disproportionately burdensome demands, including legal, accounting, and consulting costs, thereby threatening the viability of small entities and the ability of small entities to compete and create new jobs in a global marketplace.

(4) Since 1980, Federal agencies have been required to recognize and take account of the differences in the scale and resources of regulated entities, but in many instances have failed to do so.

(5) In 2009, there were nearly 70,000 pages in the Federal Register, and, according to research by the Office of Advocacy of the Small Business Administration, the annual cost of Federal regulations totals \$1,750,000,000,000. Small firms bear a disproportionate burden, paying approximately 36 percent more per employee than larger firms in annual regulatory compliance costs.

(6) All agencies in the Federal Government should fully consider the costs, including indirect economic impacts and the potential for job loss, of proposed rules, periodically review existing regulations to determine their impact on small entities, and repeal regulations that are unnecessarily duplicative or have outlived their stated purpose.

(7) It is the intention of Congress to amend chapter 6 of title 5, United States Code, to ensure that all impacts, including foreseeable indirect effects, of proposed and final rules are considered by agencies during the rulemaking process and that the agencies assess a full range of alternatives that will limit adverse economic consequences, enhance economic benefits, and fully address potential job loss.

SEC. 3603. INCLUDING INDIRECT ECONOMIC IMPACT IN SMALL ENTITY ANALYSES.

Section 601 of title 5, United States Code, is amended by adding at the end the following:

“(9) the term ‘economic impact’ means, with respect to a proposed or final rule—

“(A) the economic effects on small entities directly regulated by the rule; and

“(B) the reasonably foreseeable economic effects of the rule on small entities that—

“(i) purchase products or services from, sell products or services to, or otherwise conduct business with entities directly regulated by the rule;

“(ii) are directly regulated by other governmental entities as a result of the rule; or

“(iii) are not directly regulated by the agency as a result of the rule but are otherwise subject to other agency regulations as a result of the rule.”.

SEC. 3604. JUDICIAL REVIEW TO ALLOW SMALL ENTITIES TO CHALLENGE PROPOSED REGULATIONS.

Section 611(a) of title 5, United States Code, is amended—

(1) in paragraph (1), by inserting “603,” after “601.”;

(2) in paragraph (2), by inserting “603,” after “601.”;

(3) by striking paragraph (3) and inserting the following:

“(3) A small entity may seek such review during the 1-year period beginning on the date of final agency action, except that—

“(A) if a provision of law requires that an action challenging a final agency action be commenced before the expiration of 1 year, the lesser period shall apply to an action for judicial review under this section; and

“(B) in the case of noncompliance with section 603 or 605(b), a small entity may seek judicial review of agency compliance with such section before the close of the public comment period.”; and

(4) in paragraph (4)—

(A) in subparagraph (A), by striking “, and” and inserting a semicolon;

(B) in subparagraph (B), by striking the period and inserting “; or”; and

(C) by adding at the end the following:

“(C) issuing an injunction prohibiting an agency from taking any agency action with respect to a rulemaking until that agency is in compliance with the requirements of section 603 or 605.”.

SEC. 3605. PERIODIC REVIEW.

Section 610 of title 5, United States Code, is amended to read as follows:

“§ 610. Periodic review of rules

“(B) continue in effect without change.

“(3) comments by the Regulatory Enforcement Ombudsman and the Chief Counsel for Advocacy of the Small Business Administration;

“(4) the complexity of the rule;

“(5) the extent to which the rule overlaps, duplicates, or conflicts with other Federal rules and, unless the head of the agency determines it to be infeasible, State and local rules;

“(6) the contribution of the rule to the cumulative economic impact of all Federal rules on the class of small entities affected by the rule, unless the head of the agency determines that such a calculation cannot be made;

“(7) the length of time since the rule has been evaluated, or the degree to which technology, economic conditions, or other factors have changed in the area affected by the rule; and

“(8) the economic impact of the rule, including—

“(A) the estimated number of small entities to which the rule will apply;

“(B) the estimated number of small entity jobs that will be lost or created due to the rule; and

“(C) the projected reporting, record-keeping, and other compliance requirements of the proposed rule, including—

“(i) an estimate of the classes of small entities that will be subject to the requirement; and

“(ii) the type of professional skills necessary for preparation of the report or record.

“(e) Each agency shall publish in the Federal Register and on the Web site of the agency a list of the rules and small entity compliance guides to be reviewed under the plan required under subsection (a) that includes—

“(1) a brief description of each rule or guide;

“(2) for each rule, the reason why the head of the agency determined that the rule has a significant economic impact on a substantial number of small entities (without regard to whether the agency had prepared a final regulatory flexibility analysis for the rule); and

“(3) a request for comments from the public, the Chief Counsel for Advocacy of the Small Business Administration, and the Regulatory Enforcement Ombudsman concerning the enforcement of the rules or publication of the guides.

“(f)(1) Not later than 6 months after each date described in subsection (b)(1), the Inspector General for each agency shall—

“(A) determine whether the agency has conducted the review required under subsection (b) appropriately; and

“(B) notify the head of the agency of—

“(i) the results of the determination under subparagraph (A); and

“(ii) any issues preventing the Inspector General from determining that the agency has conducted the review under subsection (b) appropriately.

“(2)(A) Not later than 6 months after the date on which the head of an agency receives a notice under paragraph (1)(B) that the agency has not conducted the review under subsection (b) appropriately, the agency shall address the issues identified in the notice.

“(i) require no action by the Federal Government; and
