

IN HONOR OF TOM AND BEVERLY JELEPIS

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Tom and Beverly Jelep, the former Mayor of Bay Village, Ohio and his wife.

Tom Jelep was the Mayor of Bay Village from 1994 to 2000. In August of 2010, Tom was diagnosed with non-Hodgkin's lymphoma. After ten months of treatment, Tom is now cancer-free. However, the experience left his wife, Beverly, overwhelmed with the responsibilities of maintaining a home, a family, and also their real estate business. Friends and Bay Village residents were eager to help the former mayor and his family by providing them with food, lawn care services, and other day-to-day needs for which they no longer had time. The couple realized how difficult a cancer diagnosis must be for people without such support, and was deeply thankful for the generosity of their friends and neighbors during their difficult time.

Tom and Beverly have decided to establish an organization called Friends From the Start that will provide the same basic services for other cancer patients. The organization's website will include links to businesses that are willing to offer their services for free or a reduced cost to people with cancer. Friends From the Start will be run by volunteers and will also have volunteers present to personally assist the patients.

Mr. Speaker and colleagues, please join me in honoring Tom and Beverly Jelep, a couple familiar with the hardships of cancer who are dedicated to maintaining the quality of life for their neighbors should they battle this terrible disease.

GRACE APOSTOLIC CHURCH'S 65 YEARS OF SERVICE

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. LONG. Mr. Speaker, I rise today in celebration of Grace Apostolic Church's 65 years of service in the community of Joplin, Missouri.

Grace Apostolic Church was founded in 1947, by the late Irving Baxter Sr. It was originally located at 16th and Pearl Street. In 1948, an Army chapel was picked from Fort Crowder and moved to the location on 15th and Pearl, where the church remained until 1967. In 1957, Reverend William J Garrett assumed the pastorate.

In 1966, land was acquired at 2601 Connecticut, where the new facility was built. The new building at 26th and Connecticut was dedicated in 1967 and Elder William Garrett served as Pastor for 52 years. In 2009, Dr. Gary W. Garrett assumed pastoral duties.

A major remodeling project was started by Pastor Garrett and has transformed this property.

Grace Apostolic Church has impacted the Joplin area for 65 years and is a purpose-driven church. The vision of Grace Church is to

help people, restore lives and families, and help meet the needs of the families that are hurting.

On May 22, 2011, Grace Church became a refuge for many who sought shelter, just minutes before the storm ravaged the city. Having been blessed by God and escaping the full impact of the storm, Grace Church stood and continually provided shelter, food, and encouragement to those in need.

Grace Church has an illustrious history of 65 years of service in Joplin, and has provided spiritual guidance for thousands of people spanning nearly seven decades. Grace Church has been blessed to serve Joplin and the surrounding communities.

HONORING LANCE CORPORAL JEFFREY KNIGHT

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. HENSARLING. Mr. Speaker, I am humbled today to recognize Lance Corporal Jeffrey Knight for his service to our country. Lance Corporal Knight was a combat engineer for the United States Marine Corps, who was severely injured while serving in Afghanistan in June of 2011, resulting in the loss of both legs and one hand. Currently undergoing treatment at Brooke Army Medical Center, Lance Corporal Knight takes great pride in the fact that no other soldier was hurt under his watch.

Thanks to the selfless sacrifice of Lance Corporal Knight and others like him, my children will sleep in a safer and freer America tonight. As a father, as a congressman, and as an American, I am honored to offer this small token of gratitude to Lance Corporal Knight for his brave service to our nation. As Ronald Reagan once said, "We will always remember, we will always be proud, we will always be ready, so we may always be free."

On behalf of the constituents of the Fifth District of Texas, I extend prayers and best wishes to LCpl Knight for a speedy recovery.

A TRIBUTE TO THE 2012 ELLIS ISLAND MEDAL OF HONOR RECIPIENTS

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. BURTON of Indiana. Mr. Speaker, I rise today to congratulate the 2012 recipients of the coveted Ellis Island Medal of Honor. Presented annually by the National Ethnic Coalition (NECO), the Ellis Island Medal of Honor pays tribute to our Nation's immigrant heritage, as well as individual achievement. The medals are awarded to U.S. citizens from various ethnic backgrounds who exemplify outstanding qualities in both their personal and professional lives, while continuing to preserve the richness of their particular heritage. We honor these outstanding individuals because they create a better world for all of us in the future by the work they do today. Since the Medal's founding in 1986, more than 2,000

American citizens have received Ellis Island Medals of Honor, including six American Presidents, several United States Senators, Congressmen, Nobel Laureates, outstanding athletes, artists, clergy, and military leaders.

This medal is not about money, but about people who seized the opportunities this great country has to offer and who used those opportunities to not only better their own lives but make a difference in the lives of those around them. As we all know, citizens of the United States can trace their ancestry to many nations. The richness and diversity of American life makes us unique among the Nations of the world and is in many ways the key to why America is the most innovative country in the world. The Ellis Island Medals of Honor not only celebrate select individuals but also the pluralism and democracy that enabled our ancestors to celebrate their cultural identities while still embracing the American way of life. Even in the midst of difficult financial times, this award serves to remind us all that with hard work and perseverance anyone can achieve the American dream. In addition, by honoring these remarkable Americans, we honor all who share their origins and we acknowledge the contributions they and other groups have made to America. I commend NECO and its Board of Directors headed by my good friend, Nasser J. Kazeminy, for honoring these truly outstanding individuals for their tireless efforts to foster dialogue and build bridges between different ethnic groups, as well as promote unity and a sense of common purpose in our Nation.

Mr. Speaker, I ask all of my colleagues to join me in recognizing the good works of NECO, and in congratulating all of the 2012 recipients of the Ellis Island Medals of Honor. I also ask unanimous consent that the names of this year's recipients be placed into the CONGRESSIONAL RECORD.

SUPPORT FOR FIRE AND SAFER GRANTS

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. HOYER. Mr. Speaker, I rise today in support of the amendment offered by Mr. RUNYAN and Mr. KISSELL and others, which seeks to ensure that our Nation's fire stations are adequately staffed and that firefighters have the tools they need to protect our communities safely and effectively. Specifically, this amendment will restore the successful FIRE and SAFER grant programs to last year's funding level of \$337.5 million each.

Independent observers have found that FIRE and SAFER work: an independent study from the U.S. Fire Administration found that grants like these are making our fire departments more prepared and better equipped to protect our communities. Cutting FIRE and SAFER makes it more difficult for our communities to recruit, train, and retain skilled firefighters. And, it makes it far more difficult for our departments to equip themselves with the up-to-date tools critical to protecting property and saving lives.

I want to make clear that I am not pleased with the offset being used to restore this funding. However, I recognize that my colleagues were left with very few options, given the cuts made to the overall bill. I am hopeful that this will be addressed in conference with the Senate.

I urge my colleagues to support this amendment, fund FIRE and SAFER at the Fiscal Year 2012 level, and protect these vital investments in public safety.

HONORING CAPTAIN SCOTT MCKEE

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Mr. HENSARLING. Mr. Speaker, I am humbled today to recognize Captain R. Scott McKee for his service to our country. In 1987, he enlisted in the Army as an airborne paratrooper at the age of 17 and was soon accepted into Georgia Military College, where he was commissioned as a second lieutenant in 1991.

After his commission as a lieutenant, he served as an operations officer and tank platoon leader with the 1st Battalion, 66th Armored Regiment at Fort Hood, Texas. While at Fort Hood, then-First Lieutenant McKee deployed to Guantanamo Bay, Cuba. In Cuba, he served as a Quick Reaction Force platoon leader in support of Operation Sea Signal, responsible for the security and safety of over 2,000 Haitian and Cuban migrants and U.S. personnel on the base.

Upon leaving active duty, Captain McKee enrolled at Texas Wesleyan School of Law, attending classes at night while working full-time. In 2008, he was elected to serve as the Henderson County District Attorney, taking office on January 1, 2009.

A year after assuming office, Captain McKee mobilized with the Army National Guard's 3rd Battalion, 256th Light Infantry Regiment for a deployment to Iraq on January 4, 2010. During his deployment to Iraq, Captain McKee served as the infantry operations officer for the battalion and planned over 1,200 combat missions throughout Iraq, participating in many of them.

While in Iraq, Captain McKee was awarded the Bronze Star for his actions and performance in a combat zone. He was also awarded the Louisiana War Cross by the Adjutant General of the State of Louisiana.

Captain McKee currently serves as the commander of Company A, 3rd Battalion, 156th Infantry Regiment, Louisiana National Guard out of Fort Polk, Louisiana. He and his wife, Ashley, have three children, Stuart, Ryan, and Ranger.

As the Member of Congress for the Fifth District of Texas in the United States House of Representatives, it is my honor to recognize Captain McKee for his service to our nation in uniform and to the citizens of Henderson County as the District Attorney.

HONORING THE CONTRIBUTIONS OF JEWISH AMERICANS

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

Ms. WILSON of Florida. Mr. Speaker, today it is my honor to rise and recognize the contributions of Jewish-Americans to our nation. I commend President Barack Obama for designating May 2012 as Jewish Heritage Month. Also, I thank Congresswoman DEBBIE WASSERMAN SCHULTZ, my fellow Floridian, for leading the congressional effort to commemorate Jewish Heritage Month.

My relationship with the Jewish community dates back to my childhood years. It was a very different time then. While segregation and oppression were the norm, members of the Jewish community treated me and my family with love and compassion. Decades later, these guiding principles remain the same. Today, as many of my colleagues honor Jewish-Americans who have made significant contributions to our nation, I will recognize Steven Sonenreich, a leader in the healthcare industry and South Florida community.

Mr. Sonenreich has been a leader in my community for over 30 years. In addition to leading Mount Sinai Hospital, he is an advisory board member for the University of Miami School of Business's Health Administration Department and the 5,000 Role Models of Excellence Project. Furthermore, he serves on numerous other boards and committees.
