TRIBUTE TO JOHN SCHATZ

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 21, 2012

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to an individual whose dedication and contributions to the community of Orange County, California are exceptional. Orange County has been fortunate to have dynamic and dedicated community leaders who willingly and unselfishly give their time and talent to make their communities a better place to live and work. John Schatz is one of these individuals. On Friday, June 29, 2012, Schatz will end his tenure as the General Manager of the Santa Margarita Water District (SMWD) after 35 years of service to the community.

Schatz graduated from the University of Redlands with a Bachelor of Science Degree in Business Administration and received a Juris Doctor from Western State University College of Law in Fullerton in 1989. In 1998 Schatz was appointed by the State Legislature to the Commission on Local Governance for the 21st Century. From 2000 to 2004, he served as an instructor on "Water Policy in Southern California" at the University of California at Irvine. He was also a member of Association of California Water Agency's State Legislative Committee for several years.

Prior to becoming General Manager of Santa Margarita Water District, Schatz was the General Manager of Jurupa Community Services District (JCSD) in western Riverside County from 1984 to 1994. Before joining JCSD, he worked in a variety of positions, including Administrative Manager, for the Rancho California Water District in Temecula from 1977 to 1984.

At SMWD, Schatz established a culture of efficiency. Among his accomplishments were doubling the number of connections while reducing staffing from 163 to 122 employees by emphasizing cross-training and expanding the use of technology. During his tenure, Schatz helped keep SMWD's services affordable by holding the line on rate increases while finding cost-saving solutions. In the last 15 years, the District has raised rates only twice and decreased its rates six times. It has reaped an additional \$1 million in annual revenues and saved ratepayers \$6.9 million. Under Mr. Schatz's leadership, SMWD recently partnered with four other water agencies to complete the \$54 million Upper Chiquita Reservoir, creating the largest domestic water reservoir built in south Orange County in 45 years while helping to preserve the county's open space.

In light of all John Schatz has done for the community of Orange County, it is only fitting that he be honored for his many years of dedicated service. John Schatz's tireless passion

for conservation and public service has contributed immensely to the betterment of our community and I am proud to call him a fellow community member, American and friend. I know that many community members are grateful for his service and salute him as he retires.

HONORING RICKY DIXON

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 21, 2012

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise to honor a remarkable gentleman, Ricky Dixon. He was born April 7, 1994, in Greenville, Mississippi. He is the proud son of Ms. Hevonne Dixon and Mr. Collis Grisby.

Ricky's mother has truly been an inspiration to him. While raising Ricky, she obtained her college degree while also working a full time job. It was this example that inspired Ricky to always strive for greatness regardless of his circumstances.

Ricky is very competitive and a high academic achiever; his test score on the Algebra I state exam for the State of Mississippi subject area test ranked him in the top ten percentile among high school students in the State of Mississippi. The following year he was inducted into the National Honor Society.

In 2010, Ricky began his junior year in high school at Rosa Fort High School. During this time, he had the privilege of traveling to Washington, DC, to attend the Al Neuharth Free Spirit Journalism Conference. This experience broadened Ricky's knowledge and opened his eyes to what the world has to offer in terms of career opportunities. However, although Ricky knows that his education can offer him opportunities around the country, he wants to return to Rosa Fort and teach Algebra I so other students can go anywhere and be successful.

Mr. Speaker, I ask our colleagues to join me in recognizing Mr. Ricky Dixon as the Salutatorian of Rosa Fort High School's Class of 2012.

RECOGNITION OF THE 70TH ANNIVERSARY OF THE EVACUATION AND INTERNMENT OF JAPANESE AMERICANS

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 21, 2012

Ms. SPEIER. Mr. Speaker, I rise to commemorate the 70th Anniversary of the evacuation and internment of Japanese-Americans during World War II.

The philosopher George Santayana once said: "Those who cannot remember the past are condemned to repeat it." Yet, during war-time, our nation repeatedly sacrifices civil liberties to appease unwarranted fears. As the United States fought against tyranny abroad, our government detained American citizens of Japanese descent, solely because of their race.

In 1942 Franklin Delano Roosevelt signed Executive Order 9066, calling for the exclusion and internment of all Japanese Americans on the West Coast. Kiyō Yoshimura was one of the people interned. In 1942 government officials ordered Yoshimura and her family to board a bus, without telling them where it would take them.

They arrived at Tanforan, a horse stable, where they would live for about six months before being shipped off to a more permanent internment camp in Utah. At Tanforan they lived behind barbed wire, smelling the manure from the horses that had previously inhabited the same space. They were denied the dignity of privacy as they bathed or used the bathroom in public latrines. They were treated like enemies of the state and debased like animals.

The United States government interned 8,000 families at Tanforan, and 120,000 people of Japanese ancestry were sent to internment camps along the Pacific Coast. These Japanese-Americans were hardworking, law-

abiding people. Some of them served in the military and fought in Europe.

Most Japanese Americans chose to remain silent about their experiences at internment camps, but it had a lasting impact on them. The government took their homes and their possessions. They had to find new jobs, build new communities and pick up the pieces of their broken lives.

In 1988 Ronald Reagan signed legislation apologizing for the internment of Japanese Americans. The law stated that government actions were based on race prejudice, war hysteria and a failure of political leadership. Japanese Americans received reparations.

Mr. Speaker, I ask that the House of Representatives join me in commemorating the internment of Japanese Americans during World War II. During this dark period of our nation's history fear eclipsed freedom and as national leaders, it is our duty to ensure that this never happens again.
