

willingly and unselfishly give their time and talent and make their communities a better place to live and work. Ken Rivers is one of these individuals. On September 27, 2012, Ken will be honored as the "Citizen of the Year" at the Boy Scouts of America—Tahquitz District Distinguished Citizens Dinner.

Ken's background encompasses over 25 years of executive healthcare administration. While earning his master's degrees at the University of La Verne, he became a chief operating officer of a Southern California hospital at the young age of 23.

Prior to joining Southwest Healthcare hospitals, he served as the Chief Executive Officer and Managing Director at the Corona Regional Medical Center in my hometown of Corona. He joined Southwest Healthcare System in 2009, where he has served as the Chief Executive Officer/Managing Director. Southwest Healthcare System operates Inland Valley Medical Center in Wildomar and Rancho Springs Medical Center in Murrieta and Temecula Valley Day Surgery in Murrieta. Just recently, he joined CHA Health System in Los Angeles which will allow him to further his career at the international level of healthcare.

Ken's accomplishments at Southwest Healthcare System have reflected his attitude of treating patients like family. Along with a dedicated leadership team, physicians and the entire hospital staff, Ken directed the opening of the \$91 million expansions to both hospitals which include new emergency departments featuring more than 70 bays, expanded the Intensive Care Unit at Inland Valley by doubling bed capacity, and the largest Women's Center in the entire region located at Rancho Springs. His leadership was instrumental in passing one of the largest state and federal surveys. He is currently developing the region's first Neonatal Intensive Care Unit at Rancho Springs and Cardiac Services at Inland Valley.

It is hard to imagine that Ken would have any free time on his hands yet he always found time for his community. A Paul Harris Fellow and Rotarian, Ken serves with many philanthropic and healthcare organizations including Chairman for the Riverside County Chapter of the American Red Cross. He also enjoys spending time with his two children, traveling, and playing golf.

In light of all Ken has done for Southwest Riverside County, the Boy Scouts of America—Tahquitz District named Ken their Citizen of the Year. Ken's tireless passion for community service has contributed immensely to the betterment of the community of the Inland Empire. He has been the heart and soul of many community organizations and events and I am proud to call him a fellow community member, American and friend. I know that many community members are grateful for his service and salute him as he receives this prestigious award.

IN HONOR OF EILEEN DAILY

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2012

Mr. COURTNEY. Mr. Speaker, this year residents of Connecticut's 33rd District will bid a fond farewell to a woman who has served them for nearly two decades. Her colleagues

described Senator Eileen Daily as a woman who was concerned with the people she represented, rather than the politics of the day. While serving in Hartford for twenty years, she never stopped personally helping those living in her district near the Connecticut River and along the Long Island Sound.

Prior to being elected to the Senate, Eileen served on the Westbrook Board of Education until 1983 when she became the town's First Selectwoman. When Eileen Daily went to Hartford as a State Senator six years later, she quickly earned the respect of her peers. She became an influential member and was made Chair of the Finance, Revenue and Bonding Committee—a position she held for five terms.

Among her numerous accomplishments, Senator Daily co-authored the Small Town Economic Assistance Program which provided grants for major public works projects. The program was designed to fuel development in small towns that would otherwise be unable to afford funding. She played a crucial role in negotiating components of and funding for an innovative industrial wastewater treatment facility in Clinton.

I am proud of working with Senator Daily to secure funding for a dredging project in Westbrook. A host of destructive storms had caused silt build up and erosion, impacting the marinas along the Patchogue River. Local restaurants and shop owners, dependent on the boaters, no longer have to worry about keeping their businesses afloat. I also collaborated with Eileen to protect the scenic Eightmile River Watershed and designate it within the national Wild and Scenic River system.

In addition to her legislative work, Eileen also serves on the Board of Directors of the Valley Shore YMCA, the Middlesex County Substance Abuse Action Council, and on the Fiscal Chairs Committee of the National Conference of State Legislatures. In 2004, Senator Daily was part of a select trade delegation from the National Foundation of Women Legislators to visit the Kingdom of Bahrain. On her trip, Eileen assisted women who had recently gained the right to vote prepare to run in local elections.

As Senator Daily finishes up her final term, I wish her the best of luck. Although she is retiring from public office, I have no doubt that she will remain an active and beloved member of her community. I ask my colleagues to join with me in congratulating Senator Eileen Daily on her retirement and recognizing her amazing career.

STOKOE FARMS 200TH ANNIVERSARY

HON. LOUISE MCINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2012

Ms. SLAUGHTER. Mr. Speaker, today I rise to honor the Stokoe Family of Scottsville, New York. For 200 years, Stokoe Farms has thrived as a family farm, and grown to become an icon of Western New York.

Thomas Stokoe founded Stokoe Farms in 1812, after immigrating to the United States from Nafferton, England. Thomas originally purchased 100 acres on Bowerman Road in Scottsville. A year later, Thomas married Maria Romeyn and by 1859 Thomas and Maria had passed the growing family farm onto the next generation.

Today, the 7th generation of Stokoe family members continues to operate Stokoe Farms. It has continued to grow over the years thanks to the hard work, commitment and dedication of the Stokoe family, and is now home to crops, livestock and agri-entertainment that draw 60,000 visitors a year.

Today's farm is sustained by the hard work and dedication of Dick, Greg, Kim, Jeff, Scott, Debra, Larry, Martha and Suzanne. Over the years, these family members have maintained the farming practices pioneered by Thomas 200 years ago. In order to ensure the long-term sustainability of the farm, the Stokoe family uses practices such as conservation tillage, integrated crop management, and minimal use of pesticides to ensure the farm grows for generations to come.

Perhaps most notably, the Stokoe family brings the same dedication and devotion to their work in our Western New York community. When not on the farm, the Stokoe family has selflessly served on both school and town boards, and devoted themselves in service of their faith.

Mr. Speaker, like our families, our nation is the product of work that has spanned generations. As the Stokoe family celebrates 200 years of family farming, they show our nation that it is the time-honored values of hard work, integrity and dedication to community and family that will sustain our nation, and Stokoe Farms, for another 200 years to come.
