WOMEN'S SOFTBALL TEAM

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 9, 2012*

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud the Colorado School of Mines Women's Softball Team, who last spring won a berth in the NCAA Women's Softball Tournament for the second time in school history. The Orediggers finished the year with a conference record of 28–11, and an overall record of 36–24, sharing the Rocky Mountain Athletic Conference Championship with Metropolitan State College of Denver. The School of Mines also hosted the Rocky Mountain Athletic Conference softball championship last spring. The three day event was a success for the School of Mines and all the schools that participated. Two of the School of Mines players were named to the All Tournament Team, Kelly Ulkrich, and Macy Jones.

The women of the Orediggers softball team should be extremely proud of their 2011 season, and their efforts on the diamond and in the classroom. These women exemplify the idea of the collegiate student-athlete. The Colorado School of Mines specializes in hard sciences, and I commend these young women in their dedication to fields that have traditionally been male dominated. They are an inspiration to girls everywhere who want to study science and engineering.

I also want to congratulate pitcher Kelly Ulkrich who was named the Rocky Mountain Athletic Conference Women's Athlete of the Month for April 2011.

I extend my deepest congratulations to the women of the Colorado School of Mines Women's Softball Team. The lessons they are learning as student-athletes will make these women the science and technology leaders of tomorrow. I am proud to have this world class school in my district. I wish the team best of luck in the 2012 season I hope it is even more successful than 2011, again congratulations, and Go Orediggers!

IN SUPPORT OF H. RES. 525: NA-  
TIONAL SCHOOL COUNSELING  
WEEK

**HON. LINDA T. SÁNCHEZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 9, 2012*

Ms. LINDA T. SÁNCHEZ of California. Mr. Speaker, I rise in strong support of H. Res. 525 and support the goals of "National School Counseling Week."

I introduced this resolution to recognize the tireless efforts of a group of professionals who

have dedicated themselves to our children and their education.

I wish to take this opportunity to recognize the diligent and hardworking school counselors throughout our country. Counselors like Sue Im, in my home district, at Gahr High School in Cerritos.

Every day counselors do exceptional work to help our students reach their highest potential. It is because of their unending dedication—children across our country succeed in becoming engineers, doctors, and even Members of Congress.

School counselors play a vital role in the development of our students on academic, social, and personal levels. Unfortunately, there aren't enough of them. Counselors often find themselves the casualty of budget cuts.

The average student-to-counselor ratio in America's public schools, 459-to-1, is almost double the 250-to-1 ratio recommended by the American School Counselor Association and the National Association for College Admission Counseling. Those numbers are even worse in California where the student to counselor ratio is a dismal 810 students to one counselor—one of the worst ratios in the country.

Our secondary school counselors work vigorously to increase graduation rates, identify problems in our schools and improve morale by inspiring students to challenge themselves and explore new opportunities.

Primary counselors often help identify students with health problems or disabilities that interfere with learning. They also help youngsters to cope with traumatic events, from moving to a new school to the death of a parent.

Our counselors do amazing work that often goes unrecognized. Our communities are strengthened by the students who are championed by their school counselors.

I urge my colleagues to support this effort to recognize the outstanding work that counselors do to ensure that our children's future is full of promise.

THE PASSING OF DR. STEPHEN  
LEVIN

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 9, 2012*

Mrs. MALONEY. Mr. Speaker, it was with tremendous sadness that I learned today of the passing of Dr. Stephen Levin. Dr. Levin was one of our Nation's foremost experts in occupational and environmental medicine and in his career cared for thousands of Americans with work-related injuries and illnesses. But New Yorkers may know Dr. Levin best at the Director of the World Trade Center Worker and Volunteer Medical Screening Program, where he helped identify the emergence of 9/11-related illnesses and led the medical community's response to this unprecedented health crisis.

The Medical Screening Program was a precursor to the current World Trade Center Health Program, which was enshrined in law by the James Zadroga 9/11 Health and Compensation Act, a bill I authored with Congressmen NADLER and KING and on which I worked with Dr. Levin to pass. Without Dr. Levin's pioneering research, service, and dedication to 9/11 responders, volunteers, and survivors, we may never have passed the Zadroga Act.

This is no doubt a terribly sad time for Dr. Levin's loved ones, but I hope they will be comforted by the fact that his life was so well-lived, and by the thoughts and prayers of thousands of Americans whose lives are immeasurably better because of his work.

WENDY GOINS

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 9, 2012*

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Wendy Goins of Golden Bodyworker for receiving the Ambassador of the Year Award from the Greater Golden Chamber of Commerce.

This award is given each year to an individual who is a member of the Chamber Ambassadors. Wendy has been very active in promoting the Chamber in several ways, such as attending ribbon cuttings, grand openings, ground breakings, mentoring new Chamber members, attending Chamber functions, staffing the membership luncheon prize table, and many more.

With a full work schedule, Wendy finds time to promote the Chamber, attend functions and accepts challenges with a no defeat attitude. She is a real asset to the Golden community.

I extend my deepest congratulations to Wendy Goins for this well deserved recognition by the Greater Golden Chamber of Commerce. I have no doubt she will exhibit the same dedication and character in all her future accomplishments.

HONORING LONG-TIME COMMU-  
NITY ACTIVIST & HONORARY  
FILIPINOTOWN MAYOR: DR.  
JACINTO "JAY" VALENCIA

**HON. JUDY CHU**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 9, 2012*

Ms. CHU. Mr. Speaker, I rise today to recognize a great loss to our community, Dr. Jacinto "Jay" Valencia, who passed away on January 31, 2012, at the age of 63. My heart goes out to his loving wife, Rosalie; his son, John; his daughter, Aileen V. Michel; his grandchildren Cello, Mycah and Naiya; and the rest of his family, friends and loved ones.

I was proud to have known Dr. Jay, as he was fondly called by his friends, for many years. He was a tireless advocate for his community and for working families, and rose to one of the highest positions in the Filipino American union movement.

Dr. Jay was vice president for administrative and legislative affairs of the National Union of Health Workers, based in California, where he worked hard to secure fair benefits and compensation for the organization's membership.

His most lasting legacy, however, was his selection as the first Mayor of Philippinatown, Inc. and his work in securing the designation of Filipinotown as a Historic District by the City of Los Angeles in 2002.

His passion for bettering the lives of his fellow community members was evident in his work for elected officials he believed in, such

as his stint as field representative for then California Assembly Speaker Antonio Villaraigosa in Sacramento in the 1990s, and his long-time work in organized labor. He joined SEIU 99 in Los Angeles in 2000 and remained with the organization until his selection as vice president of NUHW, which represents many Filipino and Filipina hospital workers.

Born in the Philippines on Sept. 11, 1949, Dr. Jay was very active in politics in his native country. A dedicated fighter for liberty and democratic rights, Dr. Jay was detained under martial law for being a staff member of the late Senator Benigno Aquino, Jr. in 1972. He also actively campaigned for Eddie Villanueva during the Philippines presidential elections in 2009 and was president of Bagong Pilipino.

He brought his passion for serving his community back to the United States, where he was a leader, advisor or member of many Filipino American organizations including Justice for Filipino American Veterans, through which he lobbied for full compensation of Filipino World War II veterans in Washington and Sacramento.

I urge my House colleagues to join me in honoring Dr. Jacinto "Jay" Valencia for his record of civic leadership, indomitable spirit and remarkable service and contributions to his community and to our nation.

RECOGNIZING LIEUTENANT  
BENNIE F. BOWERS, JR.

HON. FRED UPTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Mr. UPTON. Mr. Speaker, I rise today to recognize Lieutenant Bennie F. Bowers, Jr., a native of Benton Harbor, Michigan, who is retiring from the Michigan State Police after 25 years of impeccable service.

It is with great pleasure that I congratulate Lieutenant Bowers on his impressive and inspiring service record to the state of Michigan. His 25 years of steadfast community involvement have helped keep Michigan safe, and have made all of us from Southwest Michigan extremely proud. Lieutenant Bowers' renowned career includes protecting Michigan's citizens while posted at Michigan State Police's Battle Creek Post, Paw Paw District Headquarters and Regional Dispatch, Detroit Post, and most recently, the Metro Post. His selfless actions have made a real difference to folks within and outside of my district for decades. Lt. Bowers used innovative methods to enforce law. He was never satisfied with the status quo, and always worked to improve the communities in which he worked. He was respected by his peers and known as one to "lead by example."

Lt. Bowers' leadership is exemplified in his founding of the Michigan Youth Leadership Academy. Lt. Bowers recognized the importance of fostering discipline, respect, leadership, and teamwork in our youth. His efforts assisted in the reduction of youth crime and ingrained skills which those youth will carry with them for their whole lives. Lt. Bowers was also instrumental in the Michigan State Police Explorer Program, a program that works with youth interested in pursuing a career in law enforcement. Part of Lt. Bowers' legacy will be the youth he influenced to serve as Michigan's next generation of law enforcement officers.

Mr. Speaker, I am proud to recognize Lt. Bowers' inspiring commitment to our great state and my constituents. I applaud Bennie on a fine career and wish him the best of luck in his retirement and future endeavors.

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Ben Cordova for his service to our community and the veterans of Colorado.

Mr. Cordova is a U.S. Army Vietnam Veteran, Commerce City business leader, and a tireless advocate for veterans' rights. He created the Ben Cordova Foundation dedicated to help service members. The foundation helps families navigate the state and federal veterans' services bureaucracy including education, VA health care and employment.

Mr. Cordova recently completed a 344-mile walk across Colorado in 44 days to bring awareness and support for his foundation. Despite his diabetes and neuropathy ailments he is set to begin a 2,745 mile journey across the country next February to raise money for veterans' services organizations. It is his goal to ensure every veteran, young or old, is aware of the help available to them nationwide.

I congratulate Mr. Cordova on his efforts to bring awareness to veterans' issues and extend my deepest thanks to him for his courage and service to our country.

HONORING BRONX COUNTY DISTRICT ATTORNEY ROBERT T. JOHNSON

HON. JOSÉ E. SERRANO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Mr. SERRANO. Mr. Speaker, in honor of Black History Month 2012, I rise today to recognize an individual from the Bronx whom I admire greatly, the Honorable Robert T. Johnson.

Robert T. Johnson has been the District Attorney of Bronx County since January 1, 1989. His first election was a historic one, as he became the first African-American District Attorney in the history of New York State. He is now the longest serving District Attorney in Bronx history.

Mr. Johnson, a native New Yorker, was born in the Bronx. He is a product of some of the many great schools in our city, including James Monroe High School, the City College of New York, and New York University School of Law. He has dedicated much of his professional life to helping, protecting, and defending the residents of New York City, and has spent several years as both a criminal defense attorney for the Legal Aid Society, and eight years as a Bronx Assistant District Attorney. In August of 1986, he was appointed a Judge of the New York City Criminal Court, and was later promoted to Acting Justice of the New York State Supreme Court, where he served until 1988.

Although Mr. Johnson has emphasized the prosecution of serious crimes, he has shown a great understanding of the many other factors that impact the criminal justice system. He has worked to reduce recidivism, to improve community outreach, to support drug rehabilitation as well as alternatives to incarceration, and to better deploy crime prevention strategies. He deeply understands that being a District Attorney is about more than just conviction rates—it is about solving the underlying problems that cause crime in the first place. Towards that end, Mr. Johnson has also worked to educate young people in the Bronx in order to help prevent crime and improve the quality of life in our neighborhoods. Two recent examples of these efforts are the Youth Trial Advocacy Program (Y-TAP) and the Students Together Avoiding Risk (STAR) Program. Y-TAP provides high school students with an opportunity to develop debating and advocacy skills by competing in a moot court program under the supervision of Assistant District Attorneys. Through the STAR program, staff from the District Attorney's Office provide 5th and 6th graders, along with their parents, with guidance on the repercussions and impact of gang participation, gun violence and drugs.

Mr. Speaker, after so many years of working to protect the residents of the Bronx, Mr. Johnson has earned the gratitude of more people than he could possibly know. Mr. Johnson is not only a highly respected prosecutor who enforces the law justly and fairly, he is also revered by a wide variety of communities throughout the Bronx. This is a testament to his judicious manner and evenhandedness, qualities that are paramount for a district attorney. Mr. Speaker, I ask that my colleagues join me in paying tribute to someone who
