

In the U.S., tens of thousands of ships each year make over 50,000 calls on U.S. ports. These ships carry the bulk of the approximately two billion tons of freight, three billion tons of oil transports, and 134 million passengers by ferry each year.

The volume of traffic gives terrorists opportunities to smuggle themselves or their weapons into the United States with little risk of detection. According to a report by the Council on Foreign Relations, in May 2002 there were reports that twenty-five Islamist extremists entered the United States by hiding in shipping containers.

This highlights the need for an immediate legislative solution to counter this problem. However, it is difficult to come up with an effective solution without first knowing all of the potential dangers.

That is why I am introducing the Gauging American Port Security (GAPS) Act. The GAPS Act addresses these problems by requiring that the Department of Homeland Security (DHS) report to Congress on the current weaknesses and vulnerabilities of U.S. ports and ensures that DHS develops a comprehensive plan for addressing them. Only by focusing on the specific dangers that threaten our port security, can we develop effective solutions to ensure our nation is prepared for any and all types of attacks.

HONORING THE LIFE AND SERVICE
OF MAYOR GREGORIO ACOSTA
CALVO

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and service of Gregorio Acosta Calvo, the former Mayor of Tamuning-Tumon, Guam. Mayor Calvo passed away on February 2, 2012 at the age of 87.

Gregorio Acosta Calvo was born on November 9, 1924 in Hagåtña, Guam and is the son of Gregorio Leon Guerrero Calvo and Maria Acosta Calvo. In 1960, he was elected Assistant Commissioner of Tamuning-Tumon and served in that role until 1965. In 1965, the Government of Guam changed the title of the position from Commissioner to Mayor. In 1965, Mr. Calvo was elected Mayor of Tamuning-Tumon and served in this capacity until his retirement on January 14, 1985.

Mayor Calvo began working for the Government of Guam in 1952, where he served as Chairman for Parks and Recreation within the Department of Public Works. During his time at Public Works, Mr. Calvo was instrumental in organizing summer programs for teens. He continued this passion for helping the island's youth during his term as Mayor, where he organized sporting events for baseball and basketball.

Mayor Calvo was strongly involved in the introduction of Little League baseball on Guam. From the early 1950s to the official national chartering of the Little League in 1967, Mayor Calvo was a leading supporter for the development of the sport for our island's youth. In 1983, he proposed to split the Little League Far East region into the Asia region and the Pacific region, in order to give the smaller Pacific nations an opportunity to compete in the Little League World Series. In 2000, the proposal was passed and since then Guam has sent teams to compete in the Little League World Series.

Mayor Calvo was also a strong advocate for the preservation of the Chamorro culture. In 1992, he became a member of the board of the Chamorro Heritage Foundation, a non-profit organization with the mission of preserving, developing, and enhancing the Chamorro culture and heritage of the people of Guam. Mayor Calvo is also a survivor of the Japanese occupation of Guam during World War II. As a teen, he endured forced labor at the hands of Japanese forces and was tasked with digging caves in the northern village of Yigo.

Mayor Calvo married Felisidad Salas Calvo in 1946 and together they raised 13 children, and have been blessed with numerous grandchildren and great-grandchildren.

I join our community in mourning the loss of Mayor Gregorio Acosta Calvo. His contributions to our community, especially our island's youth, will be remembered by the many citizens he helped throughout his life. On behalf of the people of Guam, I extend my heartfelt condolences to his family, friends, and loved ones. God bless Mayor Calvo. He will be missed.

HONORING THE ACCOMPLISH-
MENTS OF UNITED WAY OF
MCLEAN COUNTY ILLINOIS

HON. TIMOTHY V. JOHNSON

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Mr. JOHNSON of Illinois. Mr. Speaker I rise today to recognize the outstanding achievement of the United Way of McLean County. The United Way provides funding for 27 agencies that operate a total of 45 local programs to help assist the homeless, people with developmental disabilities, and families in crisis.

The United Way, with the help of citizens and businesses throughout McLean County, raised over \$4.3 million during its latest fundraising period.

This money was raised in part by a community that has always valued self reliance and over the years has come together in times of hardship to meet common goals and to assist its own citizens. The great people of McLean County are proof that we do not need to rely on the government to take care of every problem.

I would like to also thank State Farm and all of their employees. Together, they donated a total of \$1.9 million to the cause of the United Way. This includes \$99,000 that State Farm donated before the close of fundraising to make sure the United Way exceeded its goal of \$4.3 million. State Farm's continued relationship with the McLean County community is another illustration of the benefits that accompany accepting and promoting private businesses in your local area.

The United Way is an asset to McLean county, and I pray for their continued success and assistance in the years to come.
