HONORING DR. FRANK NICKELL

HON. JO ANN EMERSON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mrs. EMERSON. Mr. Speaker, I rise today in honor of Dr. Frank Nickell, professor of history at Southeast Missouri State University in Cape Girardeau, Missouri. For four decades, he has served as an educator, a passionate chronicler of regional history, and an ambassador for the university in the surrounding community.

First hired by the university in 1969, Professor Nickell has won praise for his work in the classroom. After decades of inspiring students, he received statewide recognition in 1992, as one of 47 educators from Missouri

higher education institutions awarded a Governor's Award for Excellence in teaching. In 2009, Southeast Missouri State honored him with the Provost's Research Instruction and Development for Excellence (PRIDE) Award. The latter award recognizes excellence in teaching, scholarship, and service.

In these last two categories, scholarship and service, Nickell has gone above and beyond his responsibilities in the classroom. An avid promoter of regional history, he helped initiate the university's Historic Preservation program, through which undergraduate and graduate students work to preserve the area's historic sites, artifacts, and cultures. In 2007, he helped launch and became host of Southeast Public Radio's "Almost Yesterday" series, which takes listeners back in time to specific moments in regional history. After just one year on air, the program won the station its first-ever Missouri Broadcaster Association Award.

For his many achievements and his unwavering commitment to the people and history of Southeast Missouri, I thank Frank and wish him well as he enjoys his retirement.

RECOGNIZING HONDA ON THIRTY YEARS OF AUTOMOBILE MANUFACTURING IN THE UNITED STATES

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mr. JORDAN. Mr. Speaker, on behalf of the people of Ohio's Fourth Congressional District, I congratulate Honda on its thirtieth anniversary as an automobile manufacturer in the United States.

Honda became the first Japanese automaker to manufacture cars in the U.S. on November 1, 1982, when the first U.S.-made Honda Accord rolled off the assembly line in Marysville, Ohio. In the three decades since, the company has become one of our Nation's most important job creators, investing more than \$12.5 billion in the U.S.—\$1.2 billion in just the last two years. This investment has supported not only Honda's 26,000 U.S. employees—more than 13,500 in Ohio alone—but also hundreds of thousands of jobs at suppliers and servicers nationwide.

Honda marked its anniversary by announcing more than \$200 million in new investments at its transmission manufacturing facility in Russells Point, Ohio, and its engine plant in Anna, Ohio. Two hundred new manufacturing jobs will be created at those plants as a result.

Mr. Speaker, Honda's commitment to Ohio dates back to 1979, when small-scale dirt bike production began in Marysville. The company has been a dedicated partner to communities throughout our State and Nation ever since, creating highly skilled jobs and revolutionizing domestic auto manufacturing.

I offer my congratulations to everyone at Honda as they celebrate this milestone. They have my very best wishes for continued excellence in automobile manufacturing and job creation.

HONORING THE SERENE LODGE #567 IMPROVED BENEVOLENT PROTECTIVE ORDER OF ELKS OF THE WORLD

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the Serene Lodge #567 Improved Benevolent Protective Order of Elks of the World (I.B.P.O.E. of the W.). The Serene Lodge #567, Greenville, Mississippi was organized on March 10, 1924 by Carlos C. Valle Grand Organizer.

The Elks is the oldest African American, fraternal organization, which reaches from the Great Lakes to the Gulf of Mexico. The first Elks Home was at the Miller Home, corner of Nelson and Broadway Street. In later years the group moved to a number of places including 329 North Broadway, 346 Catley Street, 613 Nelson Street, 328 Theobald Street, 420 Muscadine Street, 727 Nelson Street, 349 Catley Street and thence to home at 1822 East Alexander Street. The mortgage was burned in 1974. During the years of hard work, some of the accomplishments were: Membership of 300, the largest in history; and annual donations of \$100 for Christmas baskets for the aged and indent; and yearly donations of \$1,000 to sick and distress Brothers; and donations to the Community Fund Drive; and donations to park and playground projects; and sponsored a Little League Baseball Team; and presented a flag pole and plaques to Coleman High School; and donated towards the purchase of curtains and piano for Lucy Webb School.

Levy Chapple, at the age of 23 was the youngest Exalted Ruler in the United States. He was the first to place strong emphasis upon attracting young people into the Elksdom and soared the membership far over 150 during his administration. It was during this period that the Daughter Elks Temple came into being with Daughter (Dtr.) Julia Thornton as the first Daughter Ruler whose emphasis upon young people was as equally strong.

Today, the Lodge continues to do work in the community and surrounding areas. Along with the Daughters, they have adopted a park and started a back to school supply give-away to over 300 children, this project was initiated approximately four years ago. Several of the Brothers have received their Past Grand Degree, which is the highest honor in Elksdom. The Lodge continues to initiate young men into the organization.

Mr. Speaker, I ask my colleagues to join me in recognizing Serene Lodge #567 I.B.P.O. of the W. for their leadership and dedication to serving their community and surrounding areas.

CELEBRATING THE CENTENNIAL OF CITYHOOD FOR BEAUMONT, CA

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mr. LEWIS of California. Mr. Speaker, I rise today in recognition of the city of Beaumont,

California, which will celebrate its centennial on Nov. 18, 2012.

In 1927, ten years after its incorporation, Beaumont boasted a population of 857. Today, it's a community of nearly 40,000 people, all of whom I've been proud to represent in Congress for the last ten years.

Much of this growth has happened in the last ten years. Residents flocked to Beaumont for its low housing costs, causing a 20% jump in the city's population, an increase that made it the fastest growing city in the State. What began as a railway outpost at the summit of San Geronio Pass has become a vibrant, progressive city that retains its small-town feel.

I proudly salute Beaumont's founders who laid the foundation for what has become a city that upholds the core values of public service. They're a shining example of local government at its best, and I hope my colleagues will join me in extending our best wishes to Beaumont on this most memorable occasion.

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Mr. SHULER. Mr. Speaker, I rise today to honor the members of my Congressional Staff who have served with me over the past six years while I have been in office. A Member of Congress' most important responsibility is to provide exceptional constituent services and my Staff is second to none in providing the best assistance to everyone in our District. I take great pride in the work that each one has done on my behalf and on behalf of everyone in the 11th Congressional District of North Carolina.

Each District Staff member has shown a strong sense of dedication in meeting the needs of each and every one of our constituents. They often go well beyond the call to make sure each constituent is treated fairly and respectfully by our government agencies and that they receive appropriate resolution. I owe a debt of gratitude to each one of them for the support and friendship which they have shown me while I have served in Congress.

I recruited Chad Eaton to join my District staff in January of 2009. Having first met Chad through his service to both our families' church as the Associate Pastor at Biltmore Baptist Church in Asheville, North Carolina, I was already well familiar with his commitment to personal and professional excellence. In the several years that have passed since we first met in 2005, I continue to be impressed by Chad's devotion to family, faith and public service. Chad's character and moral compass inspire his daily actions both inside and outside of our duties as a Congressional office, earning him my deepest respect and also the respect and appreciation of colleagues and constituents alike.

Not a day goes by without my leaning on Chad in some capacity. Chad is a loyal, honorable and trusted companion and I consider his counsel and friendship a blessing in my life. No matter where the Good Lord's plans take us in the future, I look forward to many more years of our continued friendship.

Chad should be proud of the service he has provided to our District and country. It has

been an honor to serve with him and as I retire from office I wish him the very best in the future. Western North Carolina is a better place because of his efforts and I will cherish the memories of serving with Chad and the team by my side.

Mr. Speaker, I ask my colleagues to join me in recognizing and thanking Chad Eaton for his hard work on behalf of all of Western North Carolina and to wish him continued success in his future endeavors.

HONORING HOPE ELEMENTARY SCHOOL IN HOPE, MAINE

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 15, 2012

Ms. PINGREE of Maine. Mr. Speaker, I would like to congratulate a school in my district for being selected by the U.S. Department of Education as one of only 269 Blue Ribbon Schools nationwide this year.

With 176 students in kindergarten through eighth grade, Hope Elementary in Knox County, Maine, is a small school doing big things. Foremost, the school has consistently met high standards of academic excellence. In itself, this achievement is worthy of honors.

But Hope Elementary has also excelled in teaching lessons in leadership. The school has an active student council, a leadership group that focuses on community service, and a culture where older students are expected to be leaders for their younger peers. Moreover, staff and administration set a strong example of collaboration. Immersed in this kind of environment, Hope students learn from an early age the importance of working together to move the whole community forward. This is an essential lesson for our next generation of leaders, and I truly appreciate the school's commitment to fostering it.

Being named a Blue Ribbon School is a prestigious honor, and the entire Hope Elementary community should be proud. This achievement belongs to the administration, teachers, students, families, and town as a whole. I am proud to have this excellent school in my district and they have my warmest congratulations.
