Mr. TOWNS. Mr. Speaker, I rise today to pay tribute to and honor Cindi Van Petten, a highly motivated educator at The Dr. Ronald E. McNair, Public School 5, under the leadership of Principal Lena S. Gates and Assistant Principal Kesha Townsel. Ms. Van Petten has more than ten years of accomplishments in education and is fiercely committed to her students who call her Ms. Van. Under her watch, students have participated in debates, Meet Our Community Leaders Workshops, and participated in the Adelaide Sanford Institute Oratory Contest and Public School 5's first annual National Urban Alliance Literacy Workshop for Children, just to name a few. She believes that with the right formula every child can be successful by using innovative ways to meet the needs of all students and their learning styles.

Ms. Van Petten's devotion to education extends beyond the classroom as a participant in the Principal Aspiring Leaders Program through the Grapevine Network, sponsored by Margarita Nells, the network leader. Ms. Van Petten is a member of Caring Educators In Action, Inc. and is a member of the National Science Teacher Association, NSTA, and The City College of New York tech program where she conducts workshops in teaching engineering in elementary schools in Pennsylvania, Washington DC, California, and Texas. #### TRIBUTE TO CARMEN WARSCHAW

#### HON. HENRY A. WAXMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 27, 2012*

Mr. WAXMAN. Mr. Speaker, I join my colleague HOWARD BERMAN in paying tribute to

our lifelong and dear friend, Carmen Warschaw. Carmen passed away on Election Day, November 6, a fitting day for an activist who viewed politics as a participatory sport, in which she was a master player as well as a passionate fan.

Carmen loved political gossip and good jokes. Her home was a veritable salon, where elected officials, old and new friends, and family members gathered for very good food and even better conversation and camaraderie.

She was literally woven into the tapestry of Democratic politics and the California State Party. Always a leader, Carmen attained recognition on the national stage but played a large role in shaping party politics on the state level.

Carmen and her college sweetheart and husband, Louis, who passed away in 2000, were truly a team to be reckoned with. They were actively involved in politics from their youth when the State of California was growing in Democratic representation. As leader of the state Democratic Party, Carmen played a central role as California's governor and legislature worked to create a model public education system with world famous universities, and highways and waterways that fed the thriving economy of the Golden State. She was a mentor, supporter, and strategy expert to a whole generation of politicians and public servants. She never shied away from taking sides and plunged wholeheartedly into the fray when she felt that those she had helped were not living up to her expectations.

Carmen's reach went much further than politics. She leaves a remarkable legacy of interest in and generosity to the Jewish community. She was an indispensable leader in the Jewish Federation, the Los Angeles Music Center and the Otis Art Institute.

Carmen and Lou also established the Carmen H. and Louis Warschaw Chair in Practical Politics at the University of Southern California, their alma mater. She established the Louis Warschaw Prostate Cancer Center at Cedars-Sinai Medical Center and they both also helped to establish the USC Casden Institute for the Study of the Jewish Role in American Life.

Carmen is survived by a large and loving family, her daughter Hope and son-in-law, John Law, her daughter Susan and son-in-law, Carl Robertson, and grandchildren Jack Law-Warschaw, Cara Robertson and Chip Robertson and great-grandchildren Louis Harvey Robertson and Rose Frances Harvey Robertson.

We ask our colleagues to join us as we celebrate and remember the legendary life of Carmen Warschaw.

For his exceptional dedication to organizations that have a tremendous positive impact within the medical community and to the people of Northwest Indiana, Dr. Chang is worthy of the highest praise.

Dr. Chang's dedication to medicine and the community of Northwest Indiana is exceeded only by his devotion to his wonderful family. He has been married to his loving wife, Young Zin Chang, for 42 years. They have three amazing children: Gene, Elizabeth and David, and six beloved grandchildren.

Doctor is committed to his family, to improving the lives of the patients he serves, and working selflessly to enhance the quality of life of all those who live in Northwest Indiana. It is an honor to call him a friend.

CONGRATULATING ASHLEY JOHNSON FOR STUDIES IN THE CRITICAL LANGUAGE SCHOLARSHIP PROGRAM

#### HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 27, 2012*

Mr. MARCHANT. Mr. Speaker, I rise today to recognize and congratulate Ashley Johnson, a constituent of mine from Coppell, Texas, on studying the Mandarin Chinese language in Beijing, China, under the Critical Language Scholarship Program.

The Critical Language Scholarship program was established in 2006 as part of the National Security Language Initiative. This interagency effort was formed with recognition of the need for our future diplomatic and intelligence personnel to learn languages such as Arabic, Farsi, Urdu, and Chinese. It provides an intensive regimen of study at beginner, intermediate, and advanced levels for both undergraduate and graduate students. The program goes beyond just language and provides cultural experiences by immersion in the host country.

I was proud when the U.S. State Department informed me that one of my constituents, Ashley Johnson, had successfully participated in the Critical Language Scholarship Program this past summer. Acceptance is highly competitive, and so I commend her studying Intermediate Chinese in Beijing. Johnson's success is a testament to dedication, skill, and hard work; and I look forward to her accomplishing great things in any endeavor that she pursues in life.

Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in congratulating Ashley Johnson for her studies in the Critical Language Scholarship Program.

#### HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 27, 2012*

Mr. FARR. Mr. Speaker, I rise today to acknowledge California native and long-time Santa Cruz County resident, Jim Cochran, who established Swanton Berry Farm 29 years ago in Davenport, California. Since its establishment, Swanton Berry Farm has become the first modern organic strawberry farm in California, utilizing standards and methods that have become a model for organic and sustainable farming.

Jim has displayed an incredible commitment to social justice. He has created a safe and friendly work environment that provides living wages, a medical plan, a retirement plan, and vacation and holiday pay for agricultural workers. Additionally, employees of Swanton Berry Farm are provided with access to low-cost housing options, which more than 75% of Swanton Berry Farm employees take advantage of. Because of this commitment, Swanton Berry Farm has become the first organic strawberry farm in the United States to be unionized by the United Farm Workers of America.
