

Project Selection Committee, and she is currently the Southeast Regional Director of the Community Transportation Association of America.

Ms. August has garnered media acclaim during this distinguished career. In 2007, SWRTA was featured in Mass Transit Magazine, and in 2008, Ms. August contributed to the magazine's "Manager's Forum" on the topic "How a Board Can Help Directors Manage Systems."

An asset to the community in numerous capacities outside of transportation, Ms. August previously served as Vice President of the YWCA of the Upper Lowlands Membership Committee and is the immediate past Chair of the United Way of Sumter. She served 30 years in the Army Reserves, retiring in 2004. Mr. Speaker, Ms. August will be missed in South Carolina, but I have no doubt that our loss will be Alabama's gain. I ask that you and my colleagues join me in wishing Ms. Ann Dawson August all the best and Godspeed in her future endeavors.

HONORING OFFICER THOMAS
DECKER UPON HIS DEATH

HON. MICHELE BACHMANN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Mrs. BACHMANN. Mr. Speaker, I rise today to honor Officer Thomas Decker of the Cold Springs Police Department. On November 29, Officer Decker was killed in the line of duty while trying to help a man believed to be suicidal.

Officer Decker was a Minnesota boy through and through, growing up on a dairy farm near Cold Spring. After attending Rocori High School, he went on to serve as a police officer for 10 years, serving in the communities of Isle, Watkins, Kimball, and the Cold Spring/Richmond Police Department. He bravely served the citizens of central Minnesota and those who knew him called him a hero who loved his family. He leaves behind a wife, four young children, parents, siblings and a community who loved him.

Officer Decker's death tears at the heartstrings of a small town who knows all too well the sting of heartbreaking tragedy. This community lost another son to senseless bloodshed. It is hard to grasp why such violence occurs, but it is important that friends and neighbors stick together in these trying times. My thoughts and prayers are with the Decker family as they deal with this painful loss, especially five-year-old Devon, six-year-old Justin, seven-year-old Jade and eight-year-old Kelly.

Mr. Speaker, I ask this body join with me in mourning the loss of this brave and noble police officer who represented not only Minnesota, but a force which protects citizens across this great country.

Tuesday, December 4, 2012

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud LT Environmental, Inc. for providing decades of expertise through innovative technologies in helping our citizens identify and eliminate environmental liabilities.

Since 1992, LT Environmental or LTE, has performed environmental consulting services for a diverse range of industries including oil and gas, transportation, manufacturing, real estate, government, and public and private property owners. Certainly, without companies like LTE, the citizens of Colorado would not be able to enjoy the beautiful lands we have all come to know and love.

Most notably, the company is the recent recipient of the both the 2012 Top Company award and the 2012 Colorado Company to Watch. I am very proud to have the LTE headquarters located in Arvada, Colorado. LTE continues to expand its outreach into all areas of Colorado, as well as New Mexico, Wyoming, Idaho, Utah and Florida. I can confidently say that my colleagues here today will soon observe the benefits of having LTE serve in their communities.

Barbara completed her education in the Bay Area, earning a Bachelor's Degree in Public Administration from the University of San Francisco and a Master's Degree in Public Administration from California State University, Hayward.

Barbara won a Vallejo City Council seat in 1979 and served for nine years. She then turned her attention to the Solano County Board of Supervisors, winning the seat in 1992. Barbara was motivated to run because she was concerned about government process and land use decisions that threatened Solano County's environment, as well as the plight of women and children, particularly issues of family violence, poverty, and family planning.

Barbara has accomplished much on behalf of Solano County's children and families. She established the Office and Family Violence Prevention, the Family Justice Center, and Baby Coach, an innovative program to ensure good outcomes for high risk mothers and their babies. Barbara also successfully promoted AB 2010, which passed the California Legislature, allowing Solano County to charge Vital Records Fees, increasing revenue \$80,000 a year directed to reduce family violence. She helped implement Court Appointed Special Advocates who have helped hundreds of children going through dependency court. Barbara also proposed and initiated "Smile in Style" which provided dental screenings and other services to thousands of elementary school children, allowing many to get emergency dental care.

During her long career, Barbara has served on many local and regional boards including the Solano County Water Authority, City-County Coordinating Committee, San Francisco Bay Conservation and Development Commission, Mare Island Re-Use Committee, Health and Social Services Sub-Committee, Tri City-County JPA for Agriculture Lands and Open Space Preservation, Vallejo Sanitation and Flood Control District Board, Vallejo Justice Committee, California State Association of Counties Board of Directors and Executive Committee, Solano County Children and Families First Commission, Baby First Solano, Association of Bay Area Government Board, Delta Protection Commission, and California State Association of Counties Condition of Children Taskforce.

HONORING DENNIS ROTH ON THE
OCCASION OF HIS RETIREMENT
FROM THE CONGRESSIONAL RE-
SEARCH SERVICE

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Mr. HONDA. Mr. Speaker, I rise to acknowledge the outstanding career of a dedicated public servant from the Congressional Research Service, Dennis Roth. Mr. Roth is retiring in January after 42 years of public service.

Mr. Roth came to the Congressional Research Service in 1976 as a labor economist, working in what was the CRS Economics Division. Mr. Roth rose steadily through the ranks, becoming one of that division's first section heads. During this time, Mr. Roth worked closely with Members of both houses of Congress and their staff, providing valuable research and analysis for one of the era's landmark pieces of legislation, the Humphries-Hawkins Full Employment Act. Among its provisions, the Act set national goals for full employment and mandated that the Federal Reserve establish policies that not only controlled inflation, but also encouraged long-term economic growth and price stability; a mandate that guides the Federal Reserve to this day as it navigates the troubled economic environment in which we currently find ourselves.

In the 1980's, while maintaining his workload as a labor economist at CRS, Mr. Roth became active in the Congressional Research Employees Association (CREA). In 1986, Mr. Roth ran for President of the Association, but lost on his first try. He ran again in 1987, and this time he won. The employees at CRS demonstrated their confidence in his stewardship by returning him to office each year since. For 25 years, Mr. Roth has been a tireless advocate for the rights, goals, and aspirations of all employees at the Congressional Research Service. In his spare time, he has also been active in the Federal Caucus of the International Federation of Professional and Technical Engineers (the IFPTE), with which CREA is affiliated, and which represents a broad segment of the federal workforce. In 1990, Mr. Roth was elected IFPTE Eastern Federal Area Vice President, a position in which he served until July of 1997. He was also elected as Executive Vice President of IFPTE in 1994 and served until July 1997.

Mr. Roth grew up outside Carlisle, Pennsylvania. He graduated from Antioch College in 1968. He immediately joined the Peace Corps, serving in Catanduanes in the Philippine Republic where he taught math and worked in the areas of economic and agricultural development. In fact, Mr. Roth met his wife-to-be Daisy while he was a Peace Corps volunteer. The two wed and, at the end of his Peace Corps tour, they returned to the States, where Mr. Roth attended the University of California, Berkeley and completed the academic requirements for a Ph.D. in Economics. Before coming to CRS, Mr. Roth also served in the Department of Labor, working as an economist for the Assistant Secretary for Policy, Evaluation, and Research. Mr. and Mrs. Roth have two grown children, Jessica and Benjamin.

As Ranking Member of the Legislative Branch Appropriations Subcommittee, I take great pride in all of the outstanding people
