THE PASSING OF MR. LOWELL O.
SCHUSTER

HON. DONNA M. CHRISTENSEN

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Mrs. CHRISTENSEN. Mr. Speaker, I come before the House with a heavy heart to express my condolences and pay tribute to Mr. Lowell O. Schuster a beloved Virgin Islander, loving husband, devoted father, veteran, teacher, businessman, community leader and very dear friend.

Lowell Schuster was born in Christiansted, St. Croix, U.S. Virgin Islands, on November 12, 1928 to Mr. Eugene and Mrs. Enid Schuster of Christiansted, St. Croix. Mr. Schuster attended St. Mary's Catholic School and The Christiansted High School. After graduation from high school, he enrolled at Howard University in Washington, DC, where he received a Bachelor of Science degree in Psychology. While attending Howard University he entered the Reserve Officers' Training Corps. Following his graduation from Howard University, he entered the United States Army as an officer with the rank of Second Lieutenant.

Mr. Schuster had a distinguished military career. He was stationed in Germany where he bravely served during the Cold War. On May 9, 1955, he was promoted to First Lieutenant of the United States Army and was granted Top Security clearance. He became Infantry Unit Commander and led the troops on daily patrols along the West Germany-East Germany border. On November 26, 1958, Mr. Schuster was granted an Honorable Discharge. In recognition of his military service, he received the National Defense Service Medal. Mr. Schuster continued his service to our Nation by entering the Army Reserves where he was promoted to Captain. He also became active with the U.S. Virgin Islands National Guard. He was honorably discharged from the United States Army Reserves on February 10, 1969.

During his tenure in the Reserves, Mr. Schuster began his second career as a teacher at the Christiansted High School. He again distinguished himself as an educator and within a short period of time was promoted to Assistant Principal and later became Acting Principal. After his father became ill, he resigned from his position to enter the world of business, taking over the operations of Schuster's Services, the largest fully integrated water company in the Virgin Islands. He further expanded the business to include the bottling of water and named it Blue Mountain Water, now Blue Mountain Purified Water, LLC.

These water companies were Mr. Schuster's pride and joy. He looked forward to going to the office every morning, working tirelessly, and returning home to his family. Blue Mountain Purified Water, LLC remains the first bottled water company in the Virgin Islands and the largest of its kind on St. Croix. Schuster's Services is one of the oldest businesses in the U.S. Virgin Islands.

Of all of his accomplishments, his greatest was being a devoted husband and father. Mr. Schuster married the love of his life and high school sweetheart, Rita M. de Chabert, after entering the armed services. They started their family while he was stationed in Germany. Mr. Schuster and his wife were married for 58 years and raised 4 children—Gregory, Janine, Kenneth and Troy. They are the proud grandparents of three grandchildren.

On behalf of my family, staff and the Congress of the United States, I extend our sincere condolences and want the family to know that our thoughts and prayers are with them as we mourn the passing of a great man. We cannot replace Lowell but we will attempt to improve our lives and live our lives as demonstrated by his great example.

CONGRATULATING THE REPUBLIC
OF CYPRUS ON ITS PRESIDENCY
OF THE EUROPEAN UNION (EU)

HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Ms. BERKLEY. Mr. Speaker, today I would like to honor the Republic of Cyprus as its first six-month rotation of the European Union Presidency comes to a close. The EU Presidency is a significant event in the history of this nation with which the United States has such a close relationship.

This small, but vigorous country has overseen a number of historic events during its tenure in the Presidency. Most notably, the EU approved a new round of sanctions against Iran. These sanctions are the toughest measures imposed by the EU to date and target Iran's nuclear and ballistic missile program. The sanctions ban financial transactions, prohibit the export to Iran of materials that could be used for its nuclear and ballistic program, ban the importation of natural gas from Iran, and impose an asset freeze and travel ban on 34 additional Iranian entities reportedly providing financial support to the Iranian government. I would like to congratulate the Republic of Cyprus for overseeing the enactment of these sanctions as they will work in tandem with the strong US sanctions imposed against Iran. This is a critically important step that will help to keep the rulers of Iran from fulfilling their quest for nuclear weapons. Furthermore, it will help to ensure the security of our strongest ally in the region, Israel, by maintaining regional stability. Again, I extend my sincere congratulations to the Republic of Cyprus on a successful EU Presidency.

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Dr. Frederick Grover for his service to our community.

After serving in the Navy, Dr. Grover diligently worked to ensure the future of cardiothoracic medicine. Throughout his career, Dr. Grover trained and mentored over 39 thoracic surgery residents. As the Chair of the Department of Surgery at the University Colorado School of Medicine, Dr. Grover preserved the success of our medical communities for generations to come. Dr. Grover's selfless devotion to his students provided an exemplary standard of service.

Dr. Grover's continual efforts in aiding the men and women whom served our nation are undoubtedly worth the upmost gratitude. For 12 years, Dr. Grover dedicated himself as the Chief of Surgical Services at the Department of Veterans Affairs Medical Center in Denver. During this time, Dr. Grover pioneered the VA Cardiac Surgery Database as the Medical Director of the Continuous Improvement. It is his daily endeavors, as well as promotion of future medicines, that exemplify the level of service Dr. Grover continues to emulate.

Dr. Grover distinguishes himself as a caring member of the community by striving to aid

numerous professional organizations. Whether it is his advocacy through the formation of healthcare policy at the national level, or serving as President of the Society of Thoracic Surgeons, Dr. Grover is truly a remarkable member of our community.

Dr. Grover's commitment to enriching the community serves as a great example to those in medicine, and throughout all disciplines. It is with great pride and admiration that I am able to briefly speak on the successes of Dr. Frederick Grover. HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2012

Mr. LONG. Mr. Speaker, I rise today to recognize Central Service Technicians.

Central Service Technicians are responsible for processing surgical instruments, supplies and equipment, and serve in settings ranging from hospitals to ambulatory surgical centers throughout the country.

These individuals provide support to patient care services and are tasked with ensuring supplies needed for patient care are decontaminated, cleaned, assembled, and sterilized.

Central Service Technicians play an important role in patient care arenas, and are responsible for first-line processes to prevent patient infections.

Mr. Speaker, Central Service Technicians are instrumental to patient safety and I am honored to recognize their vital role in the health care arena.
