Mr. Speaker, I ask the House of Representatives to rise with me to honor Dr. Ginny Jaquith for her past and continuing service to the residents of Pacifica. Her tireless commitment and dedication have made this beloved coastal town a better and more beautiful place for everyone.

TRIBUTE TO CHANCELLOR TIMOTHY P. WHITE

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2012

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to an individual whose dedication and contributions to southern California and higher education are exceptional. The University of California has been fortunate to have dynamic and dedicated community leaders who willingly and unselfishly give their time and talent and make their communities a better place to live and work. Chancellor Timothy P. White is one of these individuals. After four years of service to the University of California, Riverside (UCR), he will be leaving the University of California to take a new post as Chancellor of the California State University system.

Chancellor White was born in Buenos Aires, Argentina. He later immigrated to northern California, and is a first-generation college student who has matriculated within every college system in California. After beginning at Diablo Valley Community College, he earned a Bachelor's Degree from Fresno State University, a Master's from Cal State Hayward (East Bay), and a Ph.D. in Exercise Physiology at the University of California, Berkeley. He previously held positions as Professor and Chair of the Department of Human Biodynamics at UC Berkeley, and as Professor and Chair of the Department of Movement Science and research scientist in the Institute of Gerontology at the University of Michigan. White had previously served as Dean. Provost, and Executive Vice President at Oregon State University, and came to UCR from the University of Idaho, where he had been President since August 2004. There he established a strategic direction to further the university's role as the state's land-grant and flagship research university. He is internationally recognized for his work in muscle plasticity, injury, and aging.

One of the many accomplishments during Chancellor White's tenure at UCR was the University's successful receipt of "preliminary accreditation" from the Liaison Committee on Medical Education, the national accrediting body for educational programs leading to the M.D. degree in U.S. and Canadian medical schools. This was UCR's second attempt to gain accreditation for an independent, fouryear medical school. This momentous achievement was made possible due to the tremendous efforts of Chancellor White and the future Dean of the Medical School, Dr. G. Richard Olds, in partnership with local, state and federal officials, as well as community and business leaders. UCR will be able to recruit students for the charter class of 50 medical students, enrolling in August 2013.

UCR has also gained national and international recognition for excellence in research, teaching and service under Chancellor White's tenure. UCR is ranked among the top 200 campuses around the globe in both the Shanghai Jiao Tong Academic Ranking of World Universities and the Times Higher Education rankings, and was recognized for its exceptional commitment to public service by Washington Monthly. Other accomplishments include the creation of a strategic plan to guide the institution, the announcement of the new School of Public Policy, growth of campus enrollment to almost 21,000 students, and new levels of achievement and accomplishment by faculty and students alike. In addition, under Chancellor White's guidance. Riverside was selected to host the new UCPath project, which will consolidate basic human resources operations across the entire UC system as a permanent cost-saving measure.

I have come to know Chancellor White well through many years working together on a variety of educational issues in Riverside. I can personally attest to the Chancellor's incredible work-ethic, professionalism, and positive attitude. He is married to Dr. Karen N. White, who is an Associate of the Chancellor and an assistant clinical Professor for the UCR Biomedical Sciences Program. She has been a great advocate on behalf of our veterans through the Operation Education Scholarship Program, which she founded and established on the UCR campus in 2010. They have four sons.

In light of all Chancellor White has done for the University of California and the Inland Empire, it is only fitting that he be honored as he continues his service to higher education. Chancellor White's tireless passion for public service and higher education has contributed immensely to the betterment of our region and the state and I am proud to call him a fellow community member, American and friend. I know that many community members are grateful for his service and salute him as he moves onto the next phase of his life.

IN HONOR OF ROBERT M. LIGHT-FOOT, JR. ON HIS APPOINTMENT TO THE ASSOCIATE ADMINISTRATOR OF NASA

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2012

Mr. ADERHOLT. Mr. Speaker, today I congratulate Robert M. Lightfoot, Jr., on the occasion of his appointment as the Associate Administrator for NASA, the agency's highestranking civil servant position. As he is the first native Alabamian to hold this position, I am pleased to stand before this body of Congress to recognize his contributions to NASA and our country.

He previously was director of NASA's Marshall Space Flight Center in Huntsville, Ala. Named to the position in August 2009, he headed one of NASA's largest field installations, which plays a critical role in NASA's space operations, exploration and science missions. Mr. Lightfoot managed a broad range of propulsion, scientific and space transportation activities contributing to the nation's space program.

From 2007 to 2009, Mr. Lightfoot was Deputy Director of the Marshall Space Flight Center. Lightfoot served as manager of the Space

Shuttle Propulsion Office at Marshall from 2005 to 2007, where he was responsible for overseeing the manufacture, assembly and operation of the primary shuttle propulsion elements: the main engines, external tank, solid rocket boosters and reusable solid rocket motors.

Mr. Lightfoot received a bachelor's degree in mechanical engineering in 1986 from the University of Alabama. In October 2007, he was named Distinguished Departmental Fellow for the University of Alabama, Department of Mechanical Engineering. He was selected as a University of Alabama College of Engineering fellow in 2009. Lightfoot serves on the University of Alabama Mechanical Engineering Advisory Board. In 2010, he was inducted into the State of Alabama Engineering Hall of Fame.

Mr. Lightfoot has received numerous awards during his NASA career, including a NASA Outstanding Leadership medal in 2007 for exemplary leadership of the Shuttle Propulsion Office, assuring safety for the return to flight of the space shuttle. In 2006, he was awarded the Presidential Rank Award for Meritorious Executives, and in 2010 he received the Presidential Rank Award for Distinguished Executives—the highest honors attainable for federal government work. In 2000, Mr. Lightfoot received a Spaceflight Leadership Recognition Award, which recognizes leaders who exemplify characteristics necessary for success. In 1999, NASA's astronaut corps presented him with a Silver Snoopy Award, which honors individuals who have made key contributions to the success of human spaceflight missions. He also received the NASA Exceptional Achievement Medal in 1996 for significant contributions to NASA's mission.

We are thankful for the years of dedication and hard work by Robert Lightfoot. We wish him and his family the best in this new role of service to our country.

IN RECOGNITION OF THOMAS KASTEN

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES Tuesday, December 18, 2012

Ms. SPEIER. Mr. Speaker, I rise to honor Thomas Kasten who has served on the Hillsborough City Council for twelve years, including two terms as mayor. The residents of our town are very fortunate to have benefitted from the expertise and leadership of such an outstanding businessman and manager.

Tom, first elected to the city council in 2000, is currently the mayor and police commissioner. He balanced the budget both years and left the town in good financial condition. With his leadership skills he was able to calm a heated controversy about increased garbage and water rates that brought out large and vocal groups of residents. He also oversaw the approval of the largest capital expenditure plan in the town's history to replace a substantial portion of the 100-year old sewer system.

During his first term as mayor from 2004–2006, Tom had to deal with the town's fight over MacMansions replacing smaller ranch homes. He established the Zoning Study Committee and included leaders from both sides of the controversy to develop adjustments to the building code.

Tom also chaired the board of directors of the City/County Association of Governments (C/CAG) of San Mateo County and is now the vice chair of its legislative committee. He sits on the board of directors of the Housing Endowment and Regional Trust of San Mateo County (HEART) and serves on its nominating and by laws committees. Previously, he was on the board of the Peninsula Traffic Congestion Relief Alliance. In 2007, Tom was the chair of the Regional Housing Needs Allocation Policy Advisory Committee for San Mateo County and is currently chairing its policy committee.

Tom honed his business skills during his 34-year long career at Levi Strauss & Co., where he was the president of the youthwear, men's jeans, and womenswear divisions. In addition, he served as executive vice president of new business development in which capacity he took the company private after 14 years as a public company. Tom was responsible for all information technology for Levi Strauss United States. Today, he continues his connection to Levis Strauss & Co. and serves on the Investment Committee.

Tom has lectured at some of our finest universities, including Stanford, Berkeley, UCLA and San Francisco State University, and he has been a keynote speaker at countless business conferences in the United States and abroad. He is also a frequent guest on television and radio and has been quoted in magazines such as Fortune and Fast Company. Computerworld Magazine named Tom one of the "Premier 100 Information Technology Leader in the U.S." in 2000.

Tom is very active in the Jewish community and volunteers his time and expertise with the Jewish Community Federation of the San Francisco Bay Area and the Jewish Home Foundation.

Originally from Portland, Oregon, Tom received his BS and MBA in Marketing from the University of California at Berkeley.

Tom and his wife, Kendra, have lived in Hillsborough 28 years. They have two children, Jeffrey and Alyssa.

Mr. Speaker, I ask the House of Representatives to rise with me to honor Thomas Kasten who has tirelessly devoted his time and energy to the residents of Hillsborough.

HONORING THE LIFE AND SERVICE OF BISHOP WALTER F. SULLIVAN

HON. ERIC CANTOR

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES $Tuesday,\, December\, 18,\, 2012$

Mr. CANTOR. Mr. Speaker, I would like to take this opportunity to remember and honor the life of Bishop Walter F. Sullivan, whose recent death saddens the many people whose lives he touched throughout his time as bishop of the Catholic Diocese of Richmond.

Bishop Sullivan served in churches throughout Virginia since he was ordained in 1953. As the longest-serving bishop in the Richmond diocese's 192-year history, he made a lasting impact in and outside of the Catholic Church. Bishop Sullivan was an advocate for the underprivileged and welcomed people of all faiths with open arms. During his time as bishop, the diocese established various new parishes, advisory committees for the youth,

women, and minorities, homes for the elderly, and retreat centers.

Bishop Sullivan also commissioned the first public Holocaust memorial in Virginia, "Rachel Weeping for Her Children," which celebrated its 25th anniversary in April. Acts like this made Bishop Sullivan a hero and champion to many. He spent his life committed to helping others, and he will be greatly missed.

Mr. Speaker, though we mourn the death of Bishop Walter Sullivan, we come together to pay tribute to and honor the life and work of such an important figure in our history.

CONGRATULATING JIM TURNER ON 40 YEARS OF RADIO HOSTING

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES Tuesday, December 18, 2012

Mr. WEBSTER. Mr. Speaker, I take this opportunity to recognize a gentleman who has been a mainstay in the Central Florida community for many years. After 40 years with NewsTalk WDBO as one of Central Florida's most respected and beloved news hosts, Jim Turner has announced his plan to retire.

Mr. Turner joined WDBO in 1972 and has hosted the station's morning segment since 1985. He is respected not only in the Central Florida community but throughout the country. In 2004 he was awarded by his peers in the National Association of Broadcasters the prestigious Marconi Award for Personality of the Year.

Founded in 1924 as a physics project of Rollins College, WDBO is today one of Central Florida's great news and talk radio stations. During his tenure as the morning show host, Turner headed the station's transformation from music to information and talk.

Jim Turner's daily presence on WDBO's morning talk segment will be sorely missed. We are grateful for the years he has spent talking with Central Florida, and we wish him well.

RECOGNIZING ROBERT J. ARNOLD ON THE OCCASION OF HIS RE-TIREMENT AFTER 38 YEARS OF SERVICE TO OUR NATION

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2012

Mr. MILLER of Florida. Mr. Speaker, it is with great pleasure that I rise to recognize Mr. Robert J. Arnold, Chief Technologist, 96th Test Wing, Eglin Air Force Base, on the occasion of his retirement after 38 years distinguished public service to the United States Air Force and our great nation.

Mr. Arnold's career began in industry, performing and later managing missile, A–7, and F–8 weapons programs at numerous test and evaluation facilities. In previous positions with the Air Force, he led A–10 and F–15 weapons test programs at Edwards Air Force Base, California. During his outstanding career, he managed test and evaluation programs involving practically every type of weapon and aircraft in the Air Force inventory. He formed the

Corporate Plans Office for the Air Force Development Test Center at Eglin Air Force Base, Florida, establishing and leading the Center's strategic planning program, institutionalizing modernization planning, and implementing a command-wide "Single-Face-to-Customer" office. Upon formation of the Air Armament Center at Eglin Air Force Base, he established the Plans and Programs Directorate for the Center and led planning for the inaugural Air Armament Summit to shape the future of air armament and joint service test and training infrastructure.

Mr. Arnold's record as a leader and his ability to form partnerships at all levels of government is unsurpassed. He was hand-picked by Air Staff to serve as the Interim Deputy Director for the Defense Test Resource Management Center (DTRMC) where he orchestrated preparation of the initial DTRMC DoD Strategic Plan for test and evaluation resources.

Without his care and stewardship as Chairman of the Eglin Encroachment Committee, mission critical natural resources might never have been preserved. His leadership enhanced community partnerships in the Eglin community and throughout the State of Florida.

Mr. Arnold's contributions to range sustainment, encroachment and the test and evaluation field as a whole have saved millions, brought him national recognition and benchmarked a number of innovative processes that will stand the test of time. His talents and overall knowledge and understanding of the Air Force mission will be greatly missed.

Mr. Speaker, it is only on rare occasions that we find men of such exceptional character as Bob Arnold. He left his indelible mark on the Air Force and the Northwest Florida community. On behalf of the United States Congress, I would like to offer my congratulations to Bob and his wife, Myra. My wife, Vicki, and I wish them the best for continued success.

IN HONOR OF DR. WILLIAM PURCELL

HON. LARRY KISSELL

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES Tuesday, December 18, 2012

Mr. KISSELL. Mr. Speaker, I rise today to honor a true, dedicated leader in my state and in my community, Dr. William Purcell of Scotland County, North Carolina. Dr. Purcell grew up in Laurinburg, North Carolina, just south of my home town of Biscoe, North Carolina. He attended public schools in Laurinburg before graduating from Davidson College, and later, the University of North Carolina School of Medicine. After proudly serving our nation in the United States Army Medical Corps in France, during the Cold War, he returned home to North Carolina where he practiced pediatrics in Laurinburg for 36 years. During this time he also served on the Laurinburg City Council for six years, and as the Mayor of Laurinburg for 10 years. He became a member of the North Carolina Senate in 1997 and has proudly served the 25th District for seven terms before announcing his retirement this vear.

If there is any indication of the impact this man has had on his community, it is the numerous awards he has received, including the
