

FIRST is an acronym for the organization titled, "For Inspiration and Recognition of Science and Technology." FIRST has been working to help teams of students of all ages understand the importance of Math, Science, and Technology academic disciplines and how to best utilize them in real time problem solving.

Mr. Speaker, please join me in commending all students, mentors and teachers who participate in this program, especially FIRST Team 93 and all the other teams competing in the Wisconsin Regional in Milwaukee on March 22nd and 24th. I also rise to recognize those that will be at the World Championship in St. Louis, Missouri from April 26–28th. These participants can make a difference in our world and help change a culture.

Mr. Speaker, I proudly ask you join me in congratulating all FIRST participants for their accomplishments and for the efforts put forth in the pursuit of their endeavors and achievements.

A SALUTE TO WOMEN

HON. WM. LACY CLAY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. CLAY. Mr. Speaker, I rise today to give distinct recognition to the 9th Annual Salute to Women in Leadership Luncheon—an event paying tribute to women of diverse social strata committed to strengthening professional, social and family institutions through dedicated responsibilities.

The St. Louis Community Empowerment Foundation, Anheuser Busch and Worldwide Technologies will honor 14 distinguished women at the event, with the Lifetime Achievement Award bestowed upon Ms. Xernona Clayton, President and CEO of the Trumpet Awards Foundation and originator of "Moments in History," one-minute broadcasts on black Americans televised during Black History Month.

Xernona Clayton deserves a broadcast depicting her accomplishments as she actively participated in the Civil Rights Movement organizing events for the Southern Christian Leadership Conference under the direction of Dr. Martin Luther King, Jr. She was also the first African American female to host a prime time talk show broadcast on WAGA-TV in Atlanta, and is credited with influencing a former Grand Dragon of the Ku Klux Klan to denounce the organization.

This year's celebrated women will also include Adrian Bracy, Kathleen Brady, Jacqueline Brock, Myrtle Dorsey, Shirley Drury, Frankie Eichenberger, Robbie Montgomery, Sandra Moore, Valerie Patton, Mary Attyberry Polk, Kacie Starr Triplett, Kimberly McKinney, and Cindy Erickson.

Mr. Speaker, the 9th Annual Salute to Women in Leadership Luncheon inspires advocacy for social justice through the works, accomplishments and deeds of the honored women. I urge my colleagues to join me in recognizing this event slated to be held this May in the beautiful City of St. Louis.

IN RECOGNITION OF JULIE
CARUSO

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. KEATING. Mr. Speaker, I rise today to recognize and congratulate Julie Caruso, who was honored as the 2011 Citizen of the Year by the Pembroke Express, in recognition of her tireless support of our troops serving overseas.

Julie started the Pembroke Military Support Group following the attacks of September 11th, and for the past ten years, she has been the moving force behind it. The group's goal is both simple and noble: support our service men and women and military families in tangible ways.

Meeting every month, a core group of approximately fifteen volunteers assemble care packages for more than 120 Pembroke residents—or those connected to Pembroke—who are currently serving in Iraq and Afghanistan. Members of the Military Support Group also provide support to the service members' families living in Pembroke, Massachusetts. In 2009, the group received the Community Caring Award presented by the Norwell Visiting Nurse Association for outstanding service to the community.

Many people would have become fatigued or worn out after a couple years supporting a military community, but not Julie. Julie is that rare individual with the imagination to dream up this successful group, the dedication to get it off the ground and the perseverance to remain its backbone for over ten years. She not only organizes fundraising, but collects and packages the items and then works with multiple agencies to get the care packages to the troops overseas. Julie has said that she lives by the belief that her door is always open for family members of servicemen and service-women in need of a shoulder to lean on, and I doubt there is any resident in Pembroke, MA who would disagree with her.

Mr. Speaker, please join me in congratulating Julie Caruso as she is honored for her generosity, drive and initiative. She is a model of leadership and selflessness for us all.

HONORING FILIPINO AND FILIPINO-AMERICAN WORLD WAR II VETERANS

HON. JIM McDERMOTT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. McDERMOTT. Mr. Speaker, today I rise to give recognition to the stalwart Filipino and Filipino-American veterans who fought alongside U.S. troops in the Battles of Bataan and Corregidor following the Japanese invasion of the Philippines in December 1941. By Executive Order, the Filipino soldiers' service entitled them to U.S. veterans' health benefits, pensions, and money for college. But when the war ended, the VA benefits promised to the Filipino soldiers were rescinded by Congress' passage of the Recession Act of 1946.

I also rise to honor those prisoners of war forced into the Bataan Death March, a harrowing episode of dreadful suffering and immense casualties. The heroic resistance of these fighters engaged the Japanese Imperial Army for four months, preventing Japanese occupation of Australia.

On February 4, 2011, at Dr. Jose Rizal Park in Seattle, Washington, I joined the Association of Bataan and Corregidor Survivors and their families and friends for the unveiling of two bronze memorial plaques honoring the Filipino and Filipino-American veterans. These permanent reminders of their extraordinary bravery and sacrifice will always speak of the strength of the Filipino and American spirit.

I am a proud cosponsor of H.R. 210, the Filipino Veterans Fairness Act of 2011. This measure deems certain service performed before July 1, 1946, in the organized military forces of the Philippines and the Philippine Scouts, active military service eligible for veterans' benefits from the United States Department of Veterans Affairs.

Filipino World War II veterans, who fought so courageously alongside U.S. troops during critical engagements of World War II, have waited far too long—almost 65 years—to receive what they were promised by our government. Most have now passed on.

Mr. Speaker, our debt to the surviving veterans and their families is long overdue. We must fulfill our obligation to them now.

IN CELEBRATION OF JIMMY AND BILLIE METCALF'S 70TH WEDDING ANNIVERSARY

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. SESSIONS. Mr. Speaker, I rise today to ask the House of Representatives to join me in congratulating Jimmy and Billie Metcalf on their 70th wedding anniversary.

Jimmy Metcalf joined the U.S. Army Air Corps in 1941 and married Billie Borchardt on February 14, 1942, just two months after the attack on Pearl Harbor. During World War II, Jimmy proudly served his country overseas, which kept him apart from his wife for over three years. Despite this separation, their love persevered.

As family and friends join Jimmy and Billie to celebrate this joyous occasion, it is important to reflect upon the significance of this outstanding milestone. Over the past seventy years, they have shared many joys and faced life's trials together. Through all of life's ups and downs, their love for each other and for their children has remained constant. This platinum anniversary is a testament of their commitment to each other and to the wedding vows they took seventy years ago.

Mr. Speaker, I ask my esteemed colleagues to join me in congratulating Jimmy and Billie on seventy years of wedded bliss. May God bless them with many more years of happiness and health together!

IN HONOR OF DR. JEFF BRAFF

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. FARR. Mr. Speaker, I rise before you today to recognize the life, career, and public service of Dr. Jeff Braff. Dr. Braff passed away on January 16th. He will be remembered for his optometric services to the city of Salinas, his contribution to political change in the Central Coast of California, and as my personal friend and doctor.

Jeff grew up working in his father's contact lens laboratory in Arcadia, California. He attended the University of California at Berkeley where he earned a degree in optometry in 1964. After graduating, he traveled to India where he helped set up the country's first contact lens fabricating laboratory.

After returning to the United States, Jeff was drafted in to the US Army and served as an optometrist at the Fort Ord military base. He completed his military service in 1972 and moved to Salinas where he practiced optometry for the next 37 years.

As the representative for the California Optometric Association and the Monterey Bay Optometric Association, Jeff played an invaluable role in local politics in the Central Coast of California. Jeff volunteered for many political campaigns, including for Leon Panetta's first election to the U.S. House of Representatives in 1976 and my own run in 1976 for the Monterey County Board of Supervisors. Jeff was also instrumental in drawing support for several political campaigns in Bainbridge Island, Washington.

His ability to draw support to local elections and political change earned him a following. "Jeff's Group" became an informal name given to those he could count on to show up and wave signs, hand out coffees, and recruit neighbors to support the many causes he was involved in.

In a document entitled "How I Want to be Remembered" Jeff wrote: "Between being born and dying, he didn't take some things seriously that should have been, took some things seriously that shouldn't have, was getting the hang of love, and anger, and play, and all that; he tinkered with life, and did OK."

Mr. Speaker, it is with great pain that I announce the passing of Jeff. I would like to personally acknowledge his service to the people of California. It was the relationships that he fostered at his practice that kept him invigorated and loving his work. I would like to express my deepest condolences to Sue, his loving wife of 36 years, his son, Zack and his brother, Brian.

RECOGNIZING MRS. KERRIN A. FLOWERS FOR HER SERVICE IN THE MISSISSIPPI HEALTH CARE COMMUNITY

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to recognize the distinguished career of Mrs. Kerrin A. Flowers, a prominent

Board-Certified Family Nurse Practitioner serving with the Tallahatchie County Correctional Facility and the Family Health Care Clinic in Grenada, MS.

Mrs. Flowers has been a certified RN for 15+ years and began her advanced practice nursing role in 2009. Throughout her career, she has assumed progressive roles of responsibility such as staff nurse, charge nurse, Nurse Manager, and Assistant Director of Nursing. Mrs. Flowers' hard work and dedication earned her the Employee of the Month Award for outstanding job performance.

Mrs. Flowers received an Associate's Degree in Nursing from Mississippi Delta Community College. She later earned a Bachelor's Degree in Nursing from Delta State University, and a Master's Degree in Nursing from Mississippi University for Women. Mrs. Flowers is dedicated to the improvement of health care, which is evident in her continuing pursuit of advancement studies in dermatology and narcotic substance abuse. Mrs. Flowers has made many contributions to scholarly nurse research, which includes recent presentations in Treatment Therapy for Bronchiolitis and Treatment in Pediatric Patients Diagnosed with Bronchiolitis.

Service to the greater community is another attribute of Mrs. Flowers' career. This is reflected in her service as Chairperson for the Health and Wellness Community Program and her service with the Mississippi Nurses Association, the National Honor Society and Sigma Theta Tau International Honor Society of Nursing. Her participation in a nationwide study earned Mrs. Flowers a Certificate from the National Council of State Board of Nursing.

Mrs. Flowers is married to Fredrick Flowers and is the mother of two sons, Darryl and Deracius Winfield. In her spare time, she enjoys movies and exercising.

Mr. Speaker, I ask you and our colleagues join me in recognizing Mrs. Kerrin A. Flowers for her commitment and service to the cause of health care.

STOP TRADING ON CONGRESSIONAL KNOWLEDGE ACT OF 2012

SPEECH OF

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 9, 2012

Mr. HOLT. Madam Speaker, I am one of 285 proud cosponsors of H.R. 1148, the original House version of the STOCK Act, which was introduced by my colleague from Minnesota, Mr. WALZ. It is a simple, common-sense bill that would reaffirm the restriction on insider trading by Members of Congress and our staffs, as well as officials within the executive branch. I also heard from dozens of my constituents from across Central New Jersey who support this bill as a necessary first step to restoring the American public's trust in its legislature and in our democracy as a whole.

Unfortunately, despite the overwhelming bipartisan support for this legislation, the majority has brought before us today a watered-down version of the bill that received nearly unanimous support in the United States Senate. While the basic premise of the bill remains intact, I regret that important provisions

such as increased disclosure requirements for so-called "political intelligence consultants" are not included in the bill before us today.

Though unrelated to insider trading, I do support the provision in this measure to prohibit the payment of bonuses to executives at Fannie Mae and Freddie Mac. Like many Americans, I was alarmed to learn last year that ten Fannie and Freddie executives were set to receive more than \$12 million in bonuses. It is inconceivable that the leadership of these organizations, who profited at the expense of millions of middle class Americans who lost their homes, be further rewarded.

While I support this measure, I remain hopeful that the stronger provisions included in the original House version, as well as the version that passed the Senate last week, can be incorporated as this bill continues to move forward.

RECOGNIZING GARY SINDERBRAND FOR HIS SERVICE AS CHAIRMAN OF THE NATIONAL BOARD OF TRUSTEES FOR THE CROHN'S AND COLITIS FOUNDATION OF AMERICA

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 15, 2012

Mr. CRENSHAW. Mr. Speaker, I rise today to recognize the dedicated service of Mr. Gary Sinderbrand as Chairman of the National Board of Trustees for the Crohn's & Colitis Foundation of America over the last three years.

Joining the National Board of the Crohn's and Colitis Foundation of America in 2003, Mr. Sinderbrand has passionately committed to meeting financial goals and a rigorous research agenda while accomplishing an extraordinary number of professional milestones and achievements.

Mr. Sinderbrand is a veteran of the New York investment banking community and currently serves as managing director with Wells Fargo in Manhattan, New York. He is also an active volunteer pilot for Angel Flight and Veteran's Airlift Command. As a parent of a child with Crohn's disease, Mr. Sinderbrand has shown great commitment and leadership to raising awareness of inflammatory bowel disease, a debilitating disease that currently does not have a cure to eliminate the suffering of over one million Americans.

Under Mr. Sinderbrand's leadership, the Foundation has been able to focus on new research initiatives including the Microbiome Initiative, Genetics Initiative and CCFA Partners, which has helped advance the science and bring us one step closer to cures for Crohn's disease and ulcerative colitis. While we still do not have all the answers, there is hope. An increasing number of genes have been identified, eight in 2007 alone. In 2011, that number grew to more than 70 genes identified, and with new technological advances researchers are working furiously to find cures.

Together, we've made our mark on Capitol Hill with the newly formed Congressional Crohn's & Colitis Caucus promoting awareness and support for the cause. We've identified funding sources at the Department of Defense, National Institutes of Health and have
