

putting an end to political prosecutions and other reprisals against those who oppose him and allow their full participation in political life. In order to find credibility with both the Ukrainian people and the international community, he must end restrictions on freedom of speech and association and reverse the debilitating corruption and judicial subservience to the executive which has so eroded the rule of law.

Mr. Speaker, the time has come for the Ukrainian authorities to stop their slide to authoritarianism and resulting isolation which will only harm Ukrainians who for so long—and at such great cost—have struggled for freedom, dignity and justice.

**RECOGNIZING FAIRFAX COUNTY  
PUBLIC SCHOOLS TEACHERS FOR  
PARTICIPATING IN THE SALLY  
RIDE SCIENCE ACADEMY**

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 6, 2012*

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to recognize a select group of math and science teachers from Fairfax County Public Schools. They recently participated in the Sally Ride 2011 Science Academy in San Diego.

The Academy is an intense one-week professional development program in which elementary and middle school teachers learn new skills for introducing students to STEM (Science, Technology, Engineering, and Math) and educating their students about the diverse education and career opportunities in those fields. The Academy uses a train-the-trainer model, in which participants return to their school districts to train other teachers during the school year. Sally Ride Science, founded by the first American woman in space, operates the Academy in partnership with ExxonMobil, which has one of its corporate headquarters in Fairfax County.

With only 29% of American 4th graders and 33% of 8th graders performing at proficient levels in science, we need to redouble our efforts in the STEM fields, particularly to recruit more girls and minorities. In today's economy, 8 of the 10 fastest growing jobs require proficiency in math and science, yet American universities rank 27th among developed nations with respect to the number of students graduating with science or engineering degrees.

Thanks to the work of the Sally Ride Science Academy, these and other teachers now have additional training and skills to assist them in encouraging more of our young people to become excited about science and math. I am pleased to recognize the following Fairfax County Public Schools teachers for participating in the Academy: Heather McCarthy, Lynnette Harris, Luann Hoyseth, Lauren Bello, Jodi Hepner, Danielle Heffron, Alane Peragallo, Shannon Waite, and Holly Eelman.

To date, the Sally Ride Science Academy has successfully trained more than 650 educators spanning 16 States, and they have returned to their perspective districts to train an additional 4,400 teachers.

Mr. Speaker, I ask my colleagues to join me in recognizing these remarkable teachers for their efforts to change the way math and

science are taught in our classrooms and for improving the quality of education for youngsters in our community.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 6, 2012*

Mr. CONNOLLY of Virginia. Mr. Speaker, I rise to recognize the 2012 Officers of the Occoquan Woodbridge Lorton Volunteer Fire Department.

The 2012 officers and members of the board of directors are taking leadership roles in one of Northern Virginia's longest standing volunteer fire departments. The O.W.L. Volunteer Fire Department was created to address the need for organized fire response capabilities in the growing suburbs of Northern Virginia. In 1938, the Department officially formed to become the only fire department between Fredericksburg and Alexandria. In the subsequent decades O.W.L. has expanded to staff three stations and provide emergency medical services.

The members of O.W.L. are dedicated community volunteers, and the 2012 officers and directors will be diligent stewards of this tradition of service. The 250 active O.W.L. members answer 14,000 calls and serve 60,000 people each year. Their job is demanding and the hours are long, but these brave men and women are driven by their dedication to public safety and the communities that they serve. We would all do well to follow their example. I congratulate and commend the following 2012 incoming officers:

Department Chief: James F. McAllister;  
Fire Assistant Chiefs: Karl F. Fippinger, Wayne A. Haight, David S. Halman, John M. McGovern III, and Richard C. Slusher;  
EMS Assistant Chief: Edward A. Craig;  
Fire Captains: Kurt E. Bolland, Steven R. Godin, Michael Nazonale, and Brian J. Smith, David P. Williams, and Justin W. Witt;

Mr. Speaker, I ask that my colleagues join me in congratulating these remarkable volun-

teers on their new positions and in thanking all members of the Occoquan Woodbridge Lorton Volunteer Fire Department for the vital service they provide to the Prince William community. Stay safe.

#### HONORING PATRICIA SMITH OF LEBANON ON HER RETIREMENT FROM THE FARM SERVICE AGENCY

#### HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 6, 2012*

Mr. COURTNEY. Mr. Speaker, I rise today to offer my heartiest congratulations and thanks to Patricia Smith of Lebanon for her more than three decades of service to farmers in eastern Connecticut. This past December, Pat retired after 31 years of working for the U.S. Department of Agriculture Farm Service Agency's Connecticut office.

After graduating from Norwich Free Academy, Pat began working at the Groton Sub Base. She later worked in Boston at the Naval Shipyards, a rural letter carrier in Lebanon, Connecticut and also at the Social Security office in Willimantic, Connecticut. Always a dedicated public servant, Pat worked hard to serve the people of eastern Connecticut in her various capacities. In 1980, Pat was hired by current Connecticut Farm Service Agency Executive Director Marsha Jette to serve as a Program Technician assisting farmers in eastern Connecticut.

Pat's experience as a herdsman on her brother Nathan R. Cushman's farm gave her the hands-on experience she needed to provide dedicated and timely service to her fellow farmers. At the time she began working for USDA in 1980, Pat also milked 16–20 Brown Swiss cows that she kept at her residence that belonged to her and her daughter Julie who was actively involved in the 4-H program.

Pat's dedication to her work never wavered despite the challenging times dairy farmers and others in Connecticut faced during her three decades at USDA. While Pat's retirement has left a void that will not easily be filled at the Farm Service Agency office, she continues her service through volunteer efforts at the New London County Farm Service Agency office. Always the dedicated public servant, Pat Smith's experience and care for her fellow farmers will be sorely missed as she moves from full time work to volunteering for farmers in Connecticut. I ask that my colleagues join me in congratulating Pat on her retirement and wish her well in her continued efforts.
