

leadership at Pensacola Christian College and nearly 60 years at Pensacola C Academy, we celebrate Dr. Horton's retirement and reflect back on a career of distinguished accomplishments.

As the Founder of my alma mater, Pensacola Christian College, Dr. Horton created one of the finest institutions of higher learning in America—and a ministry serving God's work with leadership, responsibility and faith. After he and his wife Beka graduated from college in 1951, they came to Pensacola to start this ministry. And their success was extraordinary.

In 1954, they opened the doors to Pensacola Christian School—which began with only 35 students—and since 1970, over 2,000 students from kindergarten through twelfth grade have received an education at Pensacola Christian School. With over 93,000 Christian school principals and teachers attending clinics in Pensacola, the work President Horton and his wife began paved the way for generations of students, teachers and leaders.

Years later, Dr. Horton's influence expanded from the Christian School to a broad network of Christian radio stations all across the country. He also began publishing unique curriculums for Christian Schools, which revolutionized Christian education in America. Today, over 10,000 Christian schools and daycares use their books.

Most notably thought, in 1974, Dr. Horton founded Pensacola Christian College, from which I was honored to receive my Bachelor's Degree in 1990. Beginning with only 100 students in the fall of 1974, Pensacola Christian College now recognizes over 16,600 alumni all over the world. To say that his influence was incalculable is an understatement.

So today I join Dr. Arlin and Beka Horton in celebrating a long life of dedication to education, devotion to Christ, and commitment to making a difference in the lives of others. While Dr. Horton's retirement is sad for the PCC community, we will all—PCC students and alumni alike—continue to carry his legacy with us forever. He taught us: "To God be the Glory!"—and this we will most certainly remember.

#### CONGRATULATING THE DILLARD HIGH SCHOOL GIRLS' BASKET- BALL TEAM ON THEIR THIRD CONSECUTIVE STATE TITLE

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to congratulate the Lady Panthers girls' basketball team of Dillard High School in Fort Lauderdale, Florida on their recent state championship. Once again, under the inspiring leadership of Coach Marcia Pinder, the women's varsity basketball team won the Class 5A state title. The game was hard fought on both sides but even under intense pressure, the women of Dillard High persevered to defeat St. Johns Bartram Trail. With staunch defense and discipline, this team made history by clinching their third consecutive state title and seventh title overall.

Capping off a 26–4 season, the title recently secured by the Dillard team is truly special. This third consecutive state title is a record for Dillard High, and makes their winning streak the second longest in Broward history and one title away from tying the County record of four consecutive titles. Furthermore, with their seventh state championship overall, the Lady Panthers hold the record for the most titles held by any girls' basketball program in Broward County, and makes them the second most winningest team in the State. Furthermore, they are just one championship behind the current record holders Jacksonville Ribault.

It should also be noted that all seven championships have come under the leadership of Coach Marcia Pinder, whose 804–175 record makes her the all-time winningest basketball coach overall in Florida's history. Following this recent championship, Coach Pinder was named the 2012 Russell Athletic/Women's Basketball Coaches Association (WBCA) National High School Coach of the Year. She will be honored at the 2012 WBCA High School All-American Game that is played in conjunction with the NCAA Women's Final Four in Denver, Colorado on March 31, 2012.

I would like to take the time to honor each player and coach who, along with Coach Pinder, made this record-setting win possible. The Championship Lady Panthers are: LaQuacious Adams, Alliyah Anderson, Shatoria Baker, Demetria Brown, Jo' Coretah Clayton, Brianna Green, Amber Hanna, Dominique Harris, Kareese Johnson, Jessica Jones, Macy Keen, Courtney Parson, Tiara Walker, and Kayla Wright. The Lady Panthers and Coach Pinder and their championship season were also supported by assistant coaches: George Adams, Brandon Adams, Tonia Adams, Tania Miller, Evelyn Powers, Enewetok Ramsey, and Chanell Washington. I would also like to recognize Dillard High Principal Casandra D. Robinson and Athletic Director Tracie Latimer, without whom the girls' basketball program would not be given the support it rightly deserves.

Mr. Speaker, I am extremely proud of the Lady Panthers, Coach Pinder, and all of their supporters who every year continue to push the bounds for what is possible within their sport. I am truly honored to represent such gracious sportswomen, and look forward to next season where I hope to see the Lady Panthers tie both the Broward County's record for most consecutive championships and Florida's record for most titles overall.

**MR. FRED DESANTO**

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. BARLETTA. Mr. Speaker, I rise to honor Mr. Fred DeSanto, who will be recognized as the 2011 recipient of the Joseph F. Saporito Lifetime of Service Award presented by the Pittston Dispatch in Pittston, Pennsylvania. Mr. DeSanto's selfless dedication to the service of others makes him the ideal recipient of an award that highlights the legacy of a truly great individual, Joseph F. Saporito.

Mr. DeSanto has dedicated countless hours over four decades to Little League Baseball, providing our youth with a healthy, safe, and enjoyable summer pastime. Mr. DeSanto built the Pittston Township Little League from the ground up, beginning his decades of service at the age of 24.

Mr. DeSanto, along with 12 to 15 other men, formed the league in 1975 with a vision and passion for service; without one cent of grant money. Each year, he and other volunteers signed for a \$15,000 bank loan to improve the league. Additionally, 11 years after its founding, the Pittston Township Little League was selected to host Pennsylvania's all-star tournament.

In 1995, District 31 recognized Mr. DeSanto's hard work by naming him District 31 Administrator. Under his leadership, District 31 established stronger rules and regulations that enhanced the safety of our youth. Furthermore, Mr. DeSanto advocated for background checks for league volunteers, and he created a GPS program so 9–1–1 centers had the exact latitude and longitude of all 131 fields within the district.

Mr. Speaker, by founding the Pittston Township Little League, Fred DeSanto created and worked to improve a place of fun, health, and camaraderie for the youth in Pennsylvania's 11th District. Mr. DeSanto is to be commended for his 37 years of service to our community.

#### THE RETIREMENT OF SHERIFF FRANK CANTHEY

**HON. DAN BOREN**

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. BOREN. Mr. Speaker, I rise today to speak in honor of my dear friend Frank Canthey, who after 11 years of service will be retiring from his role as Sheriff of Mayes County, Oklahoma.

Frank has been in law enforcement since 1973, when he started taking criminal justice classes while working at the Contra Costa County Campus Police Department in California. In 1979, he moved to Oklahoma and has since served on the force in both Delaware and Mayes Counties.

After retiring from the Police Department, Canthey was elected Sheriff of Mayes County and took office in 2001. He has served Oklahoma honorably and kept Mayes County safe over the past 11 years. As a member of the Executive Board of the Oklahoma Sheriff's Association, Frank has worked to support public safety through training, education and the promotion of positive interaction among all criminal justice agencies across the state.

I had the honor of getting to know Canthey during my first election, and I enjoy seeing him perform in his famous band, the Law Dawgs.

Frank has always been dedicated to his wife, Linda, and their two sons Jason and Jeff. It is because of this commitment that he has chosen to retire. I wish Frank the best of luck in his endeavors, and thank him for his tireless commitment to Oklahoma.

TRIBUTE TO CHIEF PETTY  
OFFICER FERNANDO JORGE, USCG

**HON. JO BONNER**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. BONNER. Mr. Speaker, I rise to pay tribute to U.S. Coast Guard Chief Petty Officer Fernando Jorge, age 39, of Buena Park, California and to honor his service to our country.

CPO Jorge was one of four U.S. Coast Guard crewmen aboard a MH-65C Dolphin helicopter when it crashed into Mobile Bay on February 28, 2012, during an evening training mission. The accident claimed the lives of each of the crew.

CPO Jorge, a 20-year Coast Guard veteran and rescue swimmer, was stationed at the Aviation Training Center in Mobile, Alabama at the time of the accident.

A devoted professional who dedicated his life to saving others, CPO Jorge was accustomed to the challenges of the sea. According to the Mobile Press-Register, CPO Jorge was featured on the History Channel's "Extreme Search and Rescue" program in 2004.

CPO Jorge and his fellow crewmen of CG-6535 each shared a love of service and a dedication to saving lives. The Coast Guard is a vital protector for our Nation's coastal communities. We can never thank them enough for their commitment to our country.

Mobile is a Coast Guard city and we suffer the loss of CPO Jorge as one of our own. We grieve with his family and we stand with them and the entire United States Coast Guard family.

To quote the words of the Coast Guard hymn,

Eternal Father, Lord of hosts,  
Watch o'er the men who guard our coasts.  
Protect them from the raging seas  
And give them light and life and peace.  
Grant them from Thy great throne above  
The shield and shelter of Thy love.

On behalf of the people of Alabama and a grateful Nation, I offer condolences to CPO Jorge's family and many friends. You are each in our thoughts and prayers.

HONORING THE PEOPLE OF INDI-  
ANA IN THE AFTERMATH OF  
DEADLY TORNADOES

**HON. TODD C. YOUNG**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 7, 2012*

Mr. YOUNG of Indiana. Mr. Speaker, I rise today because I've never been prouder to call southern Indiana home.

Late Friday afternoon in our part of America, a disaster brought neighbors together, turned strangers into friends, and reminded us all of what it means to be part of a community.

Over the course of several hours, fierce winds, softball-sized hail, and deadly tornadoes descended upon southern Indiana communities, leaving behind a 50-mile path of destruction from New Pekin to Chelsea and beyond.

Our people are still assessing the costs, but we know this much: at least 13 Hoosiers have died; scores have lost their homes and businesses; and citizens across the region have suffered untold damage to their personal and public property.

As hard as it is to imagine, the tragedy might have been worse were it not for the bravery, and resilience, of rank-and-file Hoosiers.

Our firemen, policemen, EMTs, and local officials deserve our thanks. Those who serve in Indiana's National Guard, our State Police, and our Department of Homeland Security stepped up, too. From the initial response through the ongoing efforts today, their service has been exemplary.

But it has been concerned citizens—so-called ordinary Americans—who have restored a measure of stability to a region pummeled by forces beyond our control.

There was the bus driver in Henryville who, in the nick of time, rushed dozens of children back to school to protect them from the approaching twister.

There were the EMTs off Interstate 65 who saw a woman thrown from her car, and saved her from being pummeled by hail by dragging a large metal sign across the road and holding it over her. They likely saved her life.

There is Stephanie Decker, a Marysville mother who lost parts of both legs but courageously saved the lives of her two children by covering them with her body as a tornado crushed their home on top of them. We are pulling for you and your family, Stephanie.

There were parents and friends and even strangers across southern Indiana who, as danger approached, took a moment to extend a hand to others, and said, "Come inside, we'll make room."

After the storms left their mark, Hoosiers immediately turned to accounting for loved ones and comforting neighbors.

The damage was, and is, severe. One tornado—by some accounts a half-mile wide—carved a clear path through southern Indiana, ripping trees out of the earth, hurling automobiles and combines long distances, severing power lines, and decimating countless homes and businesses.

Here again, Hoosiers did not sit around and wait for others to help us out. We got to work.

Over the weekend, I spent time surveying the damage and meeting with those who lost the most. Everywhere I visited, I met citizens wearing boots and work gloves who were busily beginning to sort through piles of rubble. I met others who had fired up their chainsaws and were clearing debris from roadways. I saw clusters of cars and pick-up trucks parked outside homes that were hit hardest.

In the aftermath of such a tragedy, one would be forgiven for asking, "Why me?" But I never heard it.

Instead, time and again I heard Hoosiers sympathize with those who lost more than they. And more than one person told me that, in the end, stuff isn't all that important—it's people that are important. And I heard sincere, caring people ask their neighbors, "How can I help?"

At one stop, I met a young couple from Jeffersonville—only 15 miles away—who offered me a drink of water. Their city didn't suffer much damage, so they loaded up their cars with bottled water and granola bars, looking for others who needed a hand.

In Henryville, a pizza shop was mostly destroyed, except for the freezer. The couple who owned it, rather than worrying about the loss of their business, asked officials how they could donate food from the freezer to those who needed it most.

In Marysville, the local Christian Church remains intact, but little else. Pastor Bob Priest told me their decades-old building is no longer structurally sound, but the congregation has never been stronger. As congregants were busy making repairs, I noticed the stained glass window above the church doorway was undamaged. It reads, "In Memory of the Willing Workers."

The local Red Cross chapter opened an overnight shelter, but in the first weekend no one checked in. Instead, friends shared their homes; churches opened their doors . . . everyone, it seems, could count on someone.

For those of us who have seen the scale and scope of destruction up close, we know the path back will not be easy. But we will fix all that Mother Nature broke.

Government at all levels will, and must, be there to help—from local authorities, to the
