

my own Congressional District in Arkansas. Pharmacy has a long history of receiving, filling, billing and dispensing prescriptions in tandem with counseling. But pharmacists, utilizing their specialized education, also play a major role in medication therapy management, disease state management, immunizations, healthcare screenings, and other healthcare services designed to improve patient health and reduce overall healthcare costs.

We have a responsibility to adopt policies in recognition that pharmacists help patients adhere to their medications to improve health outcomes and reduce the risks of adverse events and unnecessary costly hospital readmissions and emergency room visits. Congress recognized the important role of local pharmacists when it included a Medication Therapy Management (MTM) benefit in Medicare Part D. As we have seen the increasing power of this benefit in improving patient health outcomes, I support community pharmacy's efforts to strengthen the MTM benefit so it is available for seniors and others struggling with chronic conditions and other illnesses.

We also have a responsibility to implement fair reimbursement for pharmacies for the cost effective medications that they dispense. Furthermore, we have a responsibility to protect American consumers and the pharmacies that serve them from corporate middlemen known as Pharmacy Benefit Managers (PBMs). Despite their claims to the contrary, PBMs drive up prescription drug costs, restrict consumers' choice of pharmacy, use gimmicks to delay payments to pharmacies and use private and sensitive health information for illegitimate purposes. Nothing is more important to chain pharmacy than the health and safety of their patients and the well-being of the American public.

Today, I celebrate the value of pharmacy and support efforts to protect access to neighborhood pharmacies and utilize pharmacies to improve the quality and reduce the costs of healthcare. In recognition of the Fourth Annual NACDS RxIMPACT Day on Capitol Hill, I would like to congratulate pharmacy leaders, pharmacists, students, and executives and the pharmacy community represented by the National Association of Chain Drug Stores for their contributions to the good health of the American people.

20TH ANNIVERSARY OF THE U.S.
RECOGNITION OF THE REPUBLIC
OF CROATIA

HON. ELTON GALLEGLY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 19, 2012

Mr. GALLEGLY. Mr. Speaker, April 7, 2012, marks the twentieth anniversary of the United States recognition of the Republic of Croatia as a sovereign country.

Two decades later, the Republic of Croatia has shown its firm and steady commitment to freedom, democracy, and prosperity for all its citizens.

The United States has been a consistent supporter of these endeavors, to which the House of Representatives, and especially the Croatian Congressional Caucus, have played a crucial role.

Over the past twenty years, Croatia has come a long way and the House of Representatives has been there to recognize and encourage its integration into Euro-Atlantic institutions. On December 14, 2005, the House of Representatives approved House Resolu-

tion 529, which recommended and encouraged Croatia's membership in the North Atlantic Treaty Organization (NATO). In addition, House Resolution 529 commended Croatia for its progress in meeting the political, economic, and military requirements. Finally, the resolution recognized Croatia's contribution to the global war on terrorism and for its constructive participation in the United States-Adriatic Charter.

This was followed up by approval of House Resolution 1266 on July 30, 2008, congratulating Croatia on being invited by NATO to begin accession talks. In the three years since Croatia joined NATO, Croatia has contributed to NATO-led peace-keeping missions and offered its strong support to allied forces, especially in Afghanistan, where Croatian troops are assisting in bringing stability and security to the country.

Currently, we are witnessing another vital moment for our Southeast European ally. They have entered the final phase in its accession negotiations with the EU. Along with forging its Euro-Atlantic future, Croatia has proven to be an ardent advocate for the rest of the Balkan region. Success for Croatia will be success for the region and a beacon for eventual EU and NATO membership for all these countries, once all the conditions and benchmarks have been met.

The 20-year relationship between the U.S. and Croatia has been based on shared values and friendship, and I am confident that it will continue.

I know my colleagues join me in congratulating Croatia on all it has accomplished since becoming a sovereign nation. I look forward to our continuing partnership.

In his 38 years working for Franklin, 8 as chief, Mr. Williams was an invaluable, highly respected community leader, not only in public safety matters, but in the school system, and in the veterans' community.

TRIBUTE TO REV. DR. JAMES A.
KUYKENDALL

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 19, 2012

Mr. PASCRELL. Mr. Speaker, I rise today to recognize the continued contributions of Rev. Dr. James A. Kuykendall to the State of New Jersey and to our Nation. As a spiritual leader, mentor, and community servant, Dr. Kuykendall has dedicated himself to bettering the lives of others.

Dr. Kuykendall is a native of my hometown, Paterson, New Jersey. He attended Eastside High School, where he was an assistant drum major for the school marching band. Dr. Kuykendall went on to study at Montclair State University and Ramapo College. Ultimately, Dr. Kuykendall obtained his Doctor of Divinity degree from Shiloh Theological Seminary in 1999.

Dr. Kuykendall also proudly and honorably served in the United States Army. He was stationed in Seoul, South Korea and completed his tour of duty as a financial specialist.

In 1987, Dr. Kuykendall established the Agape Christian Ministries Church. He is the

founder and pastor of one of the most multicultural and popular ministries in the City of Paterson.

However, Dr. Kuykendall's message and goodwill is not confined to the Agape Christian Ministries Church on 76 Ward Street in Paterson, New Jersey. His weekly ministry broadcast is telecast to over 120 cities throughout New Jersey and New York. The Agape Christian Ministries Church also has one of the most generous college scholarship programs in the State of New Jersey. This has made higher education a reality to countless bright and talented students.

Currently, Dr. Kuykendall serves as Chaplain to the Paterson Police Department and as Chief Chaplain to the Passaic County Jail. He serves on numerous community and civic boards. Dr. Kuykendall has received numerous awards and honorary resolutions for his civic and religious work throughout New Jersey.

Dr. Kuykendall is married to Rev. Kathy Kuykendall of Paterson, New Jersey. They could not be more proud of their daughter Tanisha Vonetta and of their grandchild Te'ras Trae Samuels.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating the achievements of individuals like Dr. James Kuykendall.

Mr. Speaker, I ask that you join our colleagues, Dr. Kuykendall's family and friends, all those whose lives he touched, and me, in recognizing Dr. James Kuykendall.
