

Thom has 20 issued patents, 21 patent applications pending, and is a Battelle Distinguished Inventor. Five of his patents are for an early screening cancer detection system where rare cancerous cells can be identified through simple blood tests. This simple blood test can also be used for tracking post cancer and remission. Thom's research in this area will hopefully lead to earlier cancer detection and eventually to tests for other diseases.

I extend my heartfelt congratulations to Thom Haubert for his work that has saved lives and made a difference to so many people. He stands as an example to young engineers across the country, and I am very pleased to thank him for all that he has done for Ohio and our country.

IN HONOR OF NEW JERSEY RESTAURANT ASSOCIATION PRESIDENT DEBORAH DOWDELL

HON. LEONARD LANCE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. LANCE. Mr. Speaker, I rise with great sadness to honor long-time president of the New Jersey Restaurant Association Deborah Dowdell. Deborah Dowdell died March 2nd following a long and courageous battle with cancer.

Deborah's passing is a tremendous loss for New Jersey's small business community and most especially, her family, who loved her dearly.

For those who knew Deborah, she was a strong and influential leader and mentor in Trenton. Deborah Dowdell was an influential policy-maker, an expert on issues important to New Jersey's restaurant and hospitality community. But most important Deborah Dowdell was a great friend and loving daughter and wife.

My wife Heidi and I send our thoughts and prayers to Deborah's entire family during these very trying and difficult times.

RECOGNIZING GREEK INDEPENDENCE DAY

HON. JESSE L. JACKSON, JR.

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. JACKSON of Illinois. Mr. Speaker, I rise today in recognition of Greek Independence Day, the celebration of Greek freedom from the Ottoman Empire in May of 1832. March 25 is recognized as the official celebration day of this monumental occasion.

From early Greek architecture, theatre and art, to the great philosophers, scientists, and mathematicians of their time, it is impossible to overlook the influence and the impact of Greek history, culture and tradition on the entire world.

Here in the United States, we hold a special place of honor for Greek history. Serving as one of the oldest examples of a successful democratic government, our Nation's Founding Fathers looked to ancient Athenian democracy to lay the foundation for the Constitution of the United States, without which our great Nation would not be what it is today.

With a strong Greek-American community in the Chicago area, the people of the 2nd Congressional district continue to celebrate the historic and cultural heritage of Greek Americans in Chicagoland and across the Nation, in addition to the new, unique, and ever changing ways they contribute to America.

I am honored to recognize and congratulate Greece on 191 years of independence and thank the Greek people for the substantial impact they have made not only in America, but throughout the global community.

Happy Independence Day.

CELEBRATING THE LIFE AND LEGACY OF LOU POULOS

HON. ED PASTOR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. PASTOR of Arizona. Mr. Speaker, I ask my colleagues to join me in recognizing the life and achievements of Mr. Lou Poulos, who recently passed away. As a husband and father, as a friend and businessman, as a community trade association and church leader, Lou was an extraordinary man who cared deeply for his country, state and city and the industry that he was instrumental in shaping for half a century.

The sixth of nine children to Greek immigrants, Lou contracted polio at the age of 2. Although he received treatment as a child, Lou never regained full use of his legs and walked with crutches or used a wheelchair for the remainder of his life. Lou's condition did not detract from his steadfast determination to live a life on his terms, not on the terms of the disease that damaged his legs. In 1929, his father and a partner started the wholesale Farmers Produce Company. Later at the end of Prohibition in 1933, the elder Poulos acquired one of the first wholesale liquor licenses in Arizona. Lou got his first taste of the business by helping his father in the Miami, Arizona office by taking orders for liquor over the phone.

Lou was widely recognized and respected in the liquor industry and the Arizona community as a whole from the time he was a young man. But he really came into his own when he developed a chain of drive-through liquor stores, which were launched from his father's business. Farmers Liquors was the first retail liquor chain in the state, with some 15 locations through the Valley of the Sun. Under Lou's management, Farmers Liquors prospered. While he was building his own business, he was mindful of the importance of all the tiers of the industry and the impact of political legislation and the people who made those decisions.

Early on, Lou became active in the Arizona Licensed Beverage Association (ALBA), founded in 1936 to protect liquor licenses against unfair legislation. He was largely responsible for putting teeth into ALBA and working to fulfill the mission of the organization. Serving on the Board of Directors and Executive Committee for decades, Lou was also the association's longest serving treasurer—45 years.

Lou Poulos was a very generous man, not only in financial terms, but also in lending his time, wisdom and expertise to individuals and worthy causes that sought his assistance. Lou

was not one to make his contributions known publicly. According to Georgia, his wife of 57 years, Lou was especially supportive of organizations that were involved in helping those afflicted with infantile paralysis (polio), the disease he contracted at age two. He was a lifetime contributor to his church in Phoenix, Holy Trinity Greek Orthodox Cathedral and its affiliated organizations, and an active volunteer during the annual Greek Festival, which observed its 51st year in 2011. Lou also donated financially to associations dedicated to cancer and heart disease research, as well as the Wounded Warrior Project, among other veteran's organizations. In every respect, Lou Poulos was a good man and a good citizen who, without seeking fanfare or plaudits, quietly enriched the fabric of our great and unique nation.

In considering all of these achievements, I ask that you join me in recognizing Mr. Lou Poulos for his courageous overcoming of adversity, his many contributions to the progress and growth of Arizona and his prominent and positive influence on the state's liquor industry.

HONORING MRS. JUANITA ADELE FRANKLIN

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Ms. LEE of California. Mr. Speaker, I rise today with my colleague, the Hon. ED PASTOR, to honor the extraordinary life of my aunt, Mrs. Juanita Franklin. Those who knew her as wife, sister, aunt, great-aunt, great-great aunt, friend and neighbor affectionately called her "Auntie Nita" or "Sister." As a loving partner, a second mother to many generations of nieces and nephews, and as a dedicated community member, Mrs. Franklin was known for her strong personal values and her simple approach to life. With Juanita's passing on March 18, 2012, we are reminded of her life's journey over the last century, and the joyful legacy she inspired.

Mrs. Juanita Adele Franklin was born to Mr. William Calhoun Parish and Mrs. Willie Edith Parish, in El Paso, Texas on July 8, 1911. She was one of three daughters, and enjoyed growing up with her two sisters, Lois Murell and Mildred Massey. Raised in El Paso, where she attended Douglass Elementary and High School, Mrs. Franklin went on to Huston Tillotson College in Austin, Texas, where she received a bachelor's degree in Liberal Arts.

It was there that Mrs. Franklin met the love of her life, the late Albert Franklin. The couple exchanged vows in 1935 in San Antonio, Texas, and were married for over 50 years. Although she never had children of her own, Juanita adored her nieces and nephews and served as a generous mentor and confidant. Throughout her long life, she took great joy in watching her great and great-great nieces and nephews grow and thrive.

Over their five decades of marriage, Mr. and Mrs. Franklin resided in El Paso, TX, Portsmouth, VA, Los Angeles, Pacoima, and Oakland, CA, and Sun City, AZ. Upon the death of her husband, she went to live with her youngest sister, Mildred, and spent the last eight years of her life at The Right Choice Adult Care Home in Glendale, AZ. There she

received excellent care, established close friendships, and kept up on current events as an avid reader until her final days.

Mrs. Franklin will always be remembered for her pleasant disposition, her warm smile and her welcoming spirit. A great lover of good food and rich sweets—especially chocolate candy and donuts—Mrs. Franklin attributed her impressive longevity to following the Golden Rule, having personal integrity and eating right (without sacrificing dessert). She stressed the importance of treating everyone with respect, and some of her favorite pastimes included lively discussions with family and friends about the state of the world, as well as scenic car rides.

One of the great milestones of her life was her 100th birthday, which she celebrated last year surrounded by friends and family—along with special recognition and well wishes from President Barack Obama and First Lady Michelle Obama. Upon her homegoing, we continue the celebration of this incredible woman, who touched others' lives in countless ways.

Today, the 9th Congressional District of California and the 4th Congressional District of Arizona salute and honor an outstanding human being, Mrs. Juanita Adele Franklin. The contributions she made throughout her life are now part of an enduring legacy. She is survived by sisters Lois Murell and Mildred Massey; nieces BARBARA LEE, Mildred Whitfield (Calvin), and Beverly Hardy (Martin); a host of great nieces and nephews, great-great nieces and nephews, and friends. Her loved ones will continue to draw strength and comfort from the memory of her dignity, her decency, and her infinite kindness. May her soul rest in peace.

ILLINOIS WESLEYAN UNIVERSITY
WOMEN'S BASKETBALL ARE
NCAA DIVISION III NATIONAL
CHAMPIONS

HON. TIMOTHY V. JOHNSON

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. JOHNSON of Illinois. Mr. Speaker, I rise today to honor Coach Mia Smith and Illinois Wesleyan University's women's basketball team for winning the NCAA Division III national title. The Titans capped their 28–5 season by winning the school's sixth overall national championship and the first in women's basketball.

The Titans were led by tournament MVP Olivia Lett, and Melissa Gardner, who set an IWU single-season record with 94 3-pointers this year.

"There wasn't a moment in the ballgame where I felt we wouldn't be the national champion when the buzzer sounded," Titans coach Mia Smith said. "Even when we were down four, down five, there was not a drop of fear on the bench. That's been that way all season. It's reminiscent of every time we stepped on that floor."

I'd like to also note that Coach Smith was named the 2012 Schelde North America/Women's DIII News "Coach of the Year". She's compiled a 282–108 record at IWU, including a 145–51 record in the CCIW (College Conference of Illinois and Wisconsin), six league

championships and seven NCAA Tournament appearances.

I would like to congratulate Mia Smith and the Illinois Wesleyan University Women's Basketball National Champs. Their accomplishments are celebrated by their families, fans, and the entire Titan community.

TRIBUTE TO LOUISE COLLINS
JOHNSON ON HER 100TH BIRTHDAY

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. BONNER. Mr. Speaker, I rise to pay tribute to Louise Collins Johnson a former missionary and devoted servant of the Lord who turns 100 on March 30, 2012.

The year 1912 was a noteworthy one in history. It witnessed the first expeditions to discover the South Pole and the tragedy of the sinking of the HMS Titanic. It was also the year that Louise Collins entered the world to begin her long journey in the service of Christ.

Born in Chilton County, Alabama, Ms. Collins answered the calling of the Lord at the young age of 18 when she began teaching Sunday school. Nine years later she married Roy Johnson, and together they raised one daughter, Ann Johnson Tyrus, and shared 11 wonderful grandchildren.

Louise Johnson followed her faith to lead a life that would take her across Alabama and literally around the world. A devoted Baptist, her career included working for the Alabama Baptist Association before joining the staff of the State Assembly at Shocco Springs, Alabama, as well as working with the Southwide Assemblies at Ridgecrest, North Carolina, and Glorieta, New Mexico.

This was just the beginning, however, of her long journey in the service of the Lord. Soon after, she was called to serve needy Baptist churches in Oregon and Washington states. Her dedication to helping others also led her to serve two terms as a relief missionary in Hawaii. Her world travels then took her to mission points in Hong Kong, Tokyo, Japan, and Manila, Philippines.

In 1968, following the death of her husband, Louise Johnson moved to Gulf Shores, Alabama to live with her sister, Hazel Scruggs. For so many who have traveled to Baldwin County over the last 40 years, Hazel's restaurant in Gulf Shores is a well-known landmark.

During her time in Gulf Shores, Louise Johnson served as secretary of the First Baptist Church for eight years and Sunday school teacher of the Ladies IV Class at First Baptist for 36 years. She eventually moved to Prattville, Alabama where she now lives with her daughter, Ann. Even today, as she prepares to celebrate a century on this good earth, she continues to work and express her faith.

Louise Johnson has been and continues to be a dynamic, dedicated Christian spending her life teaching others about Jesus. On behalf of the people of Alabama, I wish to congratulate Ms. Johnson on her 100th birthday and wish for her many more years of happiness.

CONGRATULATING THE INDIANA
BLOOD CENTER ON ITS 60TH AN-
NIVERSARY

HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 27, 2012

Mr. CARSON of Indiana. Mr. Speaker, on its sixtieth anniversary, I am proud to honor an organization that has helped save hundreds of thousands of lives through volunteer blood donations and blood component distribution to more than 60 hospitals across the state.

Indiana Blood Center was founded in 1952 and is headquartered in my district in Indianapolis. This esteemed non-profit community service organization delivers more than 700 components of blood each day and provides other vital assistance to modern medicine through specialized blood typing for organ transplants, viral marker testing, transfusion recipients, and the National Marrow Donor Program. The Center also serves as a vital link in the state's life science and healthcare infrastructure in the areas of prostate cancer treatment, pharmaceutical research, stem cell and bone marrow donation. It is the largest independent blood center in the state and ranks among the top 20 nationally. Indiana Blood Center is a member of America's Blood Centers, North America's largest network of community-based, independent and non-profit blood centers—which, coincidentally, is celebrating its 50th anniversary this year.

Every two seconds, someone, somewhere will need a transfusion and one out of every seven patients entering a hospital will need blood. Indiana Blood Center depends on the good people of Indiana and the nearly 4,000 organizations that host blood drives annually to meet the constant demand to serve the citizens of Indiana. I would like to recognize this valuable contribution to our community and congratulate Indiana Blood Center for its 60 years of faithful and dedicated stewardship of Indiana's blood supply.
