

EXTENSIONS OF REMARKS

HONORING THE TOWN OF COLLINS
FIRE DEPARTMENT ON THEIR
120TH ANNIVERSARY

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. HIGGINS. Mr. Speaker, it is my great honor to recognize The Town of Collins Fire Department on the occasion of their 120th anniversary.

On September 29, 1892, the Town of Collins residents took the initiative to fill a community need and formed their own fire department made up of 26 men led by H.F. Clark. These men operated with minimal equipment, comprising of one hand drawn pumper. The Collins Center Volunteers didn't have a fire house or regular meetings at the time and stored their pumper in the barn of D.W. Wood. But in 1902, the barn burned and the men acted by converting the former wagon shop of John Auwerter into a fire hall and town jail and thus, the Collins Center Volunteers finally had a home. The members hosted several meetings and the fire company became much like a social club for the men in town.

In 1922 the Collins Center Volunteers purchased their first horse-drawn gasoline engine for \$750.00 which helped them cover the extensive area. But even with new equipment, it was decided that the area was too great a challenge to cover for these men. So on April 21, 1925, the Collins Fire Company was formed, and they drastically reduced their coverage area while increasing fire protection.

The transformation of the Fire Department continued as the Collins and Collins Center Fire Companies merged to become the Town of Collins Fire District along with the merge the Board of Fire Commissioners was created. The Fire Department would hold annual fundraisers to increase their budget and build their Department.

Today, the firefighters train in numerous areas including firefighting pump operation, water supply, forestry fire, incident command, auto extrication, and search and rescue operations. The Fire Department has truly evolved over the years, and it could not have happened without the strong backing of such a vibrant, hard working community.

It is with great pleasure that I stand today to honor the Town of Collins Fire Department on their 120th anniversary of serving and protecting the community. The Collins Center Volunteer Fire Company has consistently answered the call to service, whether as volunteers or as active reservists. It is my privilege to join with this fine organization on the evening of Saturday, January 21, 2012 and recognize the unwavering service of the Town of Collins Fire Company.

CHARLIE BARR

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. GRAVES of Missouri. Mr. Speaker, it is with great pride and pleasure that I rise today to recognize the exceptional service and leadership of Charles L. Bar III on his retirement from a long and successful career in Clay County, Missouri government.

A graduate of the University of Missouri, Charlie served as Athletic Supervisor for the St. Joseph Parks and Recreation Department and was responsible for the management of numerous Buchanan county amenities and projects. In 1987, he became Clay County's Assistant Director of Parks, Recreation, and Historic Sites, and supervised the enhancement and construction of new recreational facilities. He also oversaw countless special functions, from races and concerts to historical site events.

More recently, Charlie served as Assistant County Administrator, handling the oversight of purchasing activities and staff, and then became the overall Director of Parks and Recreation. There, he expertly managed over 5,000 acres of park land, 34 miles of trail, a 7200-acre lake, and a large staff dedicated to assisting Clay County citizens and maintaining the county's public spaces. Finally, having spent the past few months as Interim County Administrator, Charlie retires after 34 years of outstanding service.

Charlie's hard work has not gone unrecognized. A member of the Missouri Parks and Recreation Association, Charlie received the Fellow Award, the Association's highest honor. He has also received Mizou's Eye of the Tiger alumni award and numerous recognitions from the YMCA, the city of St. Joseph, and Clay County.

Mr. Speaker, I ask my colleagues to join with me in commending Charlie Barr for his dedicated service to the people of Clay County. I know Charlie's colleagues, family and friends join with me in thanking him for his commitment to others and wishing him happiness and good health in his retirement.

BLACK JANUARY

HON. DAN BOREN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. BOREN. Mr. Speaker, as a Co-Chair of the Congressional Azerbaijan Caucus, I note that January 20 marked the 22nd anniversary of an historic and tragic day in the history of the country of Azerbaijan.

On the night of January 19, 1990, 26,000 Soviet troops invaded the capital city of Baku and surrounding areas. As a result of this violent crackdown on the Azerbaijani people

more than 130 innocent civilians died, 611 were injured, 841 were arrested and many more were missing. This event remained in the history and in the minds of all the citizens as "Black January".

This attack was an attempt to stop the independence movement that was gaining momentum in Azerbaijan and to rescue the totalitarian regime, the rule of Communist Party, and the whole Soviet Union. However, this invasion produced the opposite result. It further inflamed the national movement for independence in Azerbaijan and other Republics of the Soviet Union. In a resolution on January 22, 1990, the Supreme Soviet of Azerbaijan SSR declared that the decree used by the Presidium of the Supreme Soviet of the USSR to impose emergency rule in Baku and military deployment constituted an act of aggression. This event is seen as the rebirth of the Azerbaijan Republic.

Popular pressure led the country to break away from Soviet rule and declare its independence. On August 30, 1991, Azerbaijan's Parliament adopted the Declaration on the Restoration of the State Independence of the Republic of Azerbaijan, and on October 18, 1991, the Constitutional Act on the State Independence of the Republic of Azerbaijan was approved. November 1991 marked the beginning of international recognition of Azerbaijan's independence. The United States was among the first nations to recognize independence of this young country. It established diplomatic relations with Azerbaijan on February 28, 1992, and opened an embassy in Baku in March of that year.

Today, Azerbaijan has developed into a thriving country with sustainable economic growth and developing democratic institutions. The United States and Azerbaijan are cooperating on a broad range of issues and share a common vision for the future of the region and beyond.

I encourage my colleagues to join with me today in standing with Azerbaijanis as they commemorate this tragedy.

**THE 39TH ANNIVERSARY OF ROE
V. WADE**

HON. MARTHA ROBY

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mrs. ROBY. Mr. Speaker, I rise today to recognize the 39th anniversary of the monumental court decision *Roe v. Wade*.

Since legalizing abortion in 1973, approximately 50 million abortions have been performed in the United States alone. Just today, over 4,000 babies will be aborted and over the course of 2012—1.4 million children in the United States will not be granted life.

Mr. Speaker, I am unapologetically pro-life and am proud to be a member of the Pro-Life Caucus. I believe that the miracle of human life begins at the very moment of conception.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

I also believe that every human being has the inherent right to life and that this right must be protected by law. As a woman, a wife, and a mother of two small children, I will continue to fight for the unborn as the Representative of Alabama's Second Congressional District.

I applaud my home state of Alabama in its admirable fight to protect human life. Alabama recently became the fifth state to pass a measure banning physicians from performing abortions after 20 weeks—which, according to research, is the point where unborn children can experience pain. I applaud the Alabama legislature for taking such a strong stance on abortion and protecting the unborn.

I believe that I have an obligation to do everything in my power to fight for the unborn, prevent taxpayer money from funding abortions, and to protect our democratic system from the encroachment of an all-powerful judiciary.

Mr. Speaker, today is a time to celebrate the gift of life and mourn those whose lives were unjustly ended before birth. Let us use the 39th anniversary of *Roe v. Wade* as an occasion to reaffirm our beliefs and our vow to fight for the life of every child.

HONORING FIRE CHIEF ANTHONY BEDNARZ FOR HIS RETIREMENT AFTER 50 YEARS OF SERVICE

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. LIPINSKI. Mr. Speaker, I rise today to honor Fire Chief Anthony Bednarz upon his retirement after 50 years of service to the residents of Western Springs and Riverside, Illinois, two villages in my district. He retired on December 31, 2011. These two villages are, and always will be, safer thanks to his efforts.

The seeds of Chief Bednarz's career were planted at a young age, since his father served as a firefighter as well. Thinking that he wanted to avoid firefighting, Chief Bednarz entered the United States Army where he served honorably. After his discharge, he changed his mind and joined the Riverside Fire Department in 1961. He knew almost immediately that he wanted to be a leader within the department and took classes to be one of the first to earn a degree in Fire Science from the College of DuPage.

Over the years, Chief Bednarz gained the respect of his peers and eventually became Fire Chief of the Riverside Fire Department in 1976—a position he would hold for the next 30 years. The Riverside Fire Department is one of the most progressive and effective in the area thanks to the leadership of Chief Bednarz. He was pivotal in modernizing the department's building and rolling stock. He also coordinated the Riverside emergency medical response system in the 1970s.

Chief Bednarz left the Riverside Fire Department five years ago to join the Western Springs Fire Department where he helped make improvements and guided the construction of a new building for the fire department.

Chief Bednarz has touched countless lives as a firefighter, manager, and mentor. He will

be missed as a veteran firefighter and we are all sad to see him go. But it is a happy time for his family, as his retirement will give him more time to enjoy with his wife, Marianne, his children, Krista, Lisa, Charles, and Paula, and his grandchildren. I thank Fire Chief Anthony Bednarz for his career of service and I wish him a long and happy retirement.

HONORING RACHEL COLLETT

HON. THADDEUS G. McCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. McCOTTER. Mr. Speaker, today I rise to honor and acknowledge the extraordinary life and decidedly courageous outlook of Rachel Collett upon her graduation from Livonia Churchill High School.

On January 13, 2012, Rachel, resplendent in her red cap and gown, rose from her wheelchair and walked across the stage to accept her high school diploma. After ceremoniously moving the tassel from right to left, she triumphantly tossed her cap into the air as family, friends and school officials applauded.

Rachel Collett has taught much more than she has learned. She was diagnosed with osteosarcoma at the age of 11 and though since the initial diagnosis she has been constantly been in some form of treatment but never remission, she has never let the disease define her. Rather, she focused on living and determined to schedule her treatment around life and not life around her treatment. She has resolved to make every moment worth remembering. Rachel was earned a Livonia Rotary Service Award, earned college credits while in high school, coached middle school cheerleading squads and was a member of the Churchill High School varsity cheerleading squad until this school year. She attended classes until October 2011 when the debilitating pain made it impossible to continue. Even then, the indomitable Miss Collett continued her schoolwork at home.

Rachel Collett is a remarkable young woman who reminds us longevity is never promised in this life. She has accepted what is and is determined to live the days God has given her striving to accomplish the goals she has set for herself. What we take for granted she fights for the opportunity to achieve.

Mr. Speaker, it is my honor and absolute privilege to recognize this incredibly inspiring young woman. For all she has endured, Rachel Collett still embraces life with an irrepressible smile. I ask my colleagues to join me in recognizing the incomparable light she is to all who know her and in thanking her for all she has brought to our community and our country. Shine on, Rachel.

IN MEMORY OF SHIRLEY LEVINE

HON. HOWARD L. BERMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 23, 2012

Mr. BERMAN. Mr. Speaker, I rise to mark the loss of a titan of education in Los Angeles,

Shirley Levine, who passed away on January 9, 2012. The entire Los Angeles community suffered a great loss in her passing.

Shirley Levine served as an educator in the LA Unified School District before founding the Abraham Joshua Heschel School in 1972. Encouraged by several local leaders, such as Rabbi Harold Schulweis and Mark Lainer, Shirley laid the groundwork for a school that would fuse humanistic values, a love of Judaism, and unparalleled secular studies. She originally opened the school in North Hollywood, CA, but Heschel quickly outgrew facilities at Adat An El and Valley Beth Shalom synagogues, among other locations, and the school eventually found a permanent home in Northridge, CA. As noted by Rabbi Jan Goldstein, the rabbi-in-residence during Heschel Day School's early years, each institution was forever impacted by Shirley's vision and passion.

As Heschel's Congressman during the 1980s and 1990s, I watched the school mature into a powerful source of moral strength in the San Fernando Valley community, with thousands of roots that trace back to Shirley's instruction and guidance. I have seen these roots firsthand—many of my constituents are current students and graduates of Heschel, as are some of my staff and close family friends. I can see Shirley's legacy through the activism and Jewish vitality of these individuals.

One graduate related to me stories of weekly Sabbath gatherings in every classroom at Heschel, and how meaningful it was to mark that day each week with peers. The week had an anchor, with the Sabbath as the focus. That epitomizes Shirley's approach—she created an institution with a warm, welcoming environment, one imbued with Jewish and humanistic values. I am also aware that many graduates credit Shirley for making them the person they are today, especially those who spent an inordinate amount of time for disciplinary reasons in Shirley's office. Shirley's son, Darren, stated during Shirley's eulogy that his mother's lasting message is: "Be passionate about what you do, treat others with compassion, and take actions to make the world a better place." I am inspired by the passion in which Shirley led her life; I am mindful of the compassion she imbued in her students; and I am grateful to Shirley for indeed making our community a better place.

My condolences go out to Shirley's husband, Arnold; children Mark, Darren and Marci; and the entire Heschel family.
