Mr. GARAMENDI. Madam Speaker, on May 9, 2012, the House of Representatives reaffirmed our strong relationship with the State of Israel and demonstrated our commitment to Israel's right to defend itself, by passing H.R. 4133 with 411 votes. REMEMBERING THE LIFE OF MRS.  
RUTH TINSMAN

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2012*

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to celebrate the life of my dear friend Ruth Tinsman. Mrs. Tinsman, beloved wife of the late Jerry Tinsman, passed away on April 28, 2012, at the age of 81. My thoughts and prayers go out to her family and friends at this most difficult time. She is survived by her daughters Katheline Tinsman and Leann Tinsman, sister Patricia O'Rork, three grandchildren, and one great-grandchild.

It was a pleasure to work with Mrs. Tinsman when she served as my District Administrator from the time I first assumed office in 1993 until September 2001. Ruth was a hard-working professional with strong morals and values, impeccable work ethic, an undeniable compassion for others, in addition to a warm and loving personality. Prior to joining my office, Mrs. Tinsman was a Congressional Aide for Congressman William Lehman of Florida for 10 years. "Ruth was great with people and my father's constituency. She always looked out for his best interest," said William Lehman, Jr., son of the late Congressman Lehman.

Mrs. Tinsman has devoted her life to helping others in her community. As a resident of the City of Hialeah, Florida for over 50 years,

she worked tirelessly to improve the quality of life and well-being of all. Mrs. Tinsman has served as a dedicated and loyal member of the Hialeah Housing Authority Board of Commissioners since January 9, 1990. On November 18, 1999, she was elected Chairperson of the Board of Commissioners, which she served on for 10 years. The Ruth A. Tinsman Pavilion, an elderly development facility, was built and named after her in 1996 to honor her work and dedication to the community. Additionally, Mrs. Tinsman served on the board of Citrus Health Network, as well as President of "Kids in Dade Society," developing programs to educate and keep children safe.

Mr. Speaker, Mrs. Ruth Tinsman will be remembered in South Florida for her love of and dedication to her community. Her legacy of care and compassion will live on for generations to come in the lives she has touched. Ruth was a dear friend and I am truly honored to have known her. She will be missed.

*Tuesday, May 15, 2012*

Mr. HIGGINS. Mr. Speaker, I rise today to honor the career and accomplishments of a distinguished member of my community, Bob McLennan.

Bob has been a tireless advocate for the Western New York labor community. He has served as a full-time officer for the National Association of Letter Carriers Branch #3 in Buffalo for the past 21 years. For the last 18 years Bob has also served as Vice President of the Buffalo AFL-CIO labor council leaving his mark as a leader for working families. As one of the leading figures advocating for the National Association of Letter Carriers Bob has been described as being "front and center leading one of the most effective NALC local branches in the country."

Bob became a letter carrier in 1980 in Depew, NY and worked 30 years in that capacity until his retirement in 2010. Bob has since continued to advocate for the letter carriers in Buffalo and Washington, D.C. and will retire after a long and distinguished career. Bob is married to his wife Rosemary and has three sons, Ian, Connor, and Corey. He is also a proud grandfather with four grandchildren, Cailyn, Kiley, Ivy and Ginger.

My community of Western New York has benefited greatly from the leadership and foresight that Bob McLennan has exhibited throughout his work.

INTRODUCTION OF THE UNITED STATES LEADERSHIP TO ERADICATE OBSTETRIC FISTULA ACT OF 2012

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2012*

Ms. DeLAURO. Mr. Speaker, I rise today to introduce the United States Leadership to Eradicate Obstetric Fistula Act of 2012, which will help to eradicate a consequence of prolonged labor for pregnant women in low-resource areas.

Obstetric fistula is an avoidable and tragic medical condition which is a result of insufficient medical interventions that often results in the death of the child and devastating physical and social ramifications for the mother. An estimated 2 million women are currently suffering from an obstetric fistula, and women and girls in sub-Saharan Africa are disproportionately affected.

A simple surgical procedure or extended medical care is often needed to treat and cure women suffering from an obstetric fistula. It is therefore critical that the infrastructure in sub-Saharan Africa be further developed to better care for and treat women who have already developed an obstetric fistula and women who may develop a fistula in the future. It is also imperative if we are to prevent women and girls from developing a fistula. And it is important that obstetric fistula care and treatment not be overlooked within the general global health and development initiatives already under way.

This bill would authorize the development of a comprehensive strategy to not only prevent fistula, but successfully treat the women that are already suffering from this condition. It encourages the expansion of private-sector and multi-sector efforts in addition to public-private partnerships rather than relying strictly on public-sector efforts. It would also establish the International Obstetric Fistula Institute for Sub-Saharan Africa to implement parts of the comprehensive strategy.

This legislation focuses its efforts on sub-Saharan Africa to ensure a meaningful and successful strategy to eliminate this condition. Local factors that are part of the reason obstetric fistulas may develop vary dramatically in regions where women are afflicted. By focusing on a single region that is already rich in diversity, we believe that the strategy and campaign will be successful and sustainable.

This legislation has the potential to transform the empowerment of women in the region by eradicating fistula and, as a result, improving the social, educational, and economic conditions of fistula victims and their communities. Accordingly, addressing this issue is not only a moral imperative for the United States, but it is also in our best strategic interest. I urge my colleagues to support our efforts, and this legislation.

IN HONOR OF BARBARA HEHMEYER

**HON. RUSS CARNAHAN**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2012*

Mr. CARNAHAN. Mr. Speaker, I rise today to recognize Ms. Barbara Hehmeyer, and honor her for her 23 years of dedicated service to the Lemay Chamber of Commerce. She has made the Lemay Chamber one of the most vibrant Chambers of Commerce in Missouri's Third Congressional District.

Ms. Hehmeyer began working for the Lemay Chamber of Commerce in 1989 and has accomplished many great things during her tenure. She tirelessly pursued many projects that resulted in redeveloping and improving her community. She led the Lemay Development Corporation as it engaged in workforce and youth development activities, as well as neighborhood beautification efforts. Her advocacy for the Community Reinvestment fund will result in at least \$15 million dollars in direct investment for the Lemay area. Barbara also played an instrumental role in bringing Pinnacle Entertainment's River City Casino to Lemay; a project that resulted in over \$380 million in investment and has created 1,000 jobs for the people of St. Louis.

Barbara has also worked to strengthen not only her community but also the Lemay Chamber of Commerce itself. She has doubled the levels of membership in the Lemay Chamber and has established many innovative member benefits. She developed a modern day newsletter, and started annual events which recognize outstanding educators and provide scholarship for area high school students. Barbara also worked with the Lemay Child and Family center, BJC School, the Hancock Place school district, the Salvation Army, the Carondelet YMCA, and St. Louis Community College in implementing the successful Lemay Charting for Change project.

Barbara's commitment to the Lemay Chamber of Commerce and to the St. Louis region has been outstanding. For over two decades she has strived for and achieved excellence. I thank my constituent and good friend, Barbara Hehmeyer, for her work and dedication to our community, and invite my colleagues to join me today in recognizing her great work.

PAYING TRIBUTE TO U.S. ARMY COLONEL RICHARD E. CROGAN

**HON. MIKE ROGERS**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2012*

Mr. ROGERS of Michigan. Mr. Speaker, I rise to honor the accomplishments U.S. Army COL Richard E. Crogan. His dedication to soldiers as a leader, warrior, and innovator has had a profound and lasting effect on United States Army Aviation. As the Commander for the Aviation Center Logistics Command, ACLC, Colonel Crogan supported an Army at war by providing maintenance, sustainment and logistics support and proficient U.S. and Allied Aviation Officers.

Colonel Crogan was responsible for oversight and quality assurance on the largest

aviation service support contract in the U.S. Army. He was tasked with maintaining 587 rotary wing aircraft, providing over 500 launches every day to support an ever-increasing need for army aviation. Colonel Crogan was personally responsible for providing the aircraft required to professionally train aviators and provide the Army's next generation of great warriors. Aviation maintenance is an expensive proposition and Colonel Crogan's innovative leadership and creative solutions have shown a total cost saving during his command of more than \$750,000,000.

Colonel Crogan's great leadership contributed significantly to the elimination of the flight training backlog on Fort Rucker which reduced the time aviators spent training from 22 months to 12 months. Aviators will now report to their units ten months earlier to begin missions and the Army will see enormous cost savings in a time of fiscal reduction. Colonel Crogan raises the bar for those around him as demonstrated by ACLC winning the Army Chief of Staff Supply Excellence Award in 2011.

Therefore Mr. Speaker, I ask our colleagues to join me in honoring COL Richard E. Crogan's exceptional service, dedication and devotion to duty, leadership, and professional competency. He exemplifies the fine tradition of military service and reflects great credit upon himself, the Department of the Army, and the United States of America. May he know that his nation is greatly appreciative of his dedication, and wishes him the best in all his future endeavors.

HONORING MR. JOSEPH FALBO

**HON. C.A. DUTCH RUPPERSBERGER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2012*

Mr. RUPPERSBERGER. Mr. Speaker, I rise before you today to honor Mr. Joseph Falbo, who was recently named the "2012 Dundalk Citizen of the Year" by the Optimist Club of Dundalk. Mr. Falbo was chosen to receive this prestigious award for his remarkable efforts to improve the quality of life in his community.

Mr. Falbo has volunteered with the Dundalk Heritage Association since 1980, when he answered an ad in the Dundalk Eagle seeking volunteers to help erect a fence for Dundalk's signature event, the Heritage Fair. Working his way through the ranks, Mr. Falbo stepped up to serve as the organization's president in 2007 when its then-president fell ill.

From booking bands to ensuring the event runs on schedule, the fair requires year-round planning. Though unprepared and inexperienced, Mr. Falbo's first fair at the helm went off without a hitch. The event has grown since, with last year's shattering attendance records. He continues to make improvements to each year's fair. In addition to being named the "Citizen of the Year," Mr. Falbo recently received a "Milestone Award" from the Dundalk Renaissance Corp., which honors residents who help revitalize the community. The organization said Mr. Falbo's "leadership and heavy lifting" ensure the annual fairs "grow and evolve with our community."

Despite his many awards and acclamations, Mr. Falbo remains humble and appreciative. When told he was receiving his most recent
