

SSA Dones' research interests include psychosocial behavior of radical extremists and violent criminals, including U.S.-based street and prison gangs. The dissertation for his doctorate degree broadly hypothesizes whether or not foreign terrorist groups are attempting to radicalize U.S. gangs into using weapons of mass destruction against American citizens and targets. SSA Dones' efforts are aimed at providing a more accurate account of the psychosocial mindset, behavior, and causation of violent criminal groups.

Mr. Speaker, I commend Supervisory Special Agent D. Darell Dones for his service to our community, and for his many years of service to our country and its continued safety.

Hon. MICHAEL R. TURNER

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Mr. TURNER of Ohio. Mr. Speaker, I submit the following letter.

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES,
Washington, DC, May 29, 2012.

Mr. LEON PANETTA,
Secretary of Defense,
Washington, DC.

DEAR SECRETARY PANETTA We appreciate your interest stated during the February 15, 2012 House Armed Services Committee (HASC) hearing in protecting child custody rights for our men and women in uniform.

As you know, legislative language addressing this issue has already passed the House of Representatives on six separate occasions. It has passed five times as part of the National Defense Authorization Act, every year from 2008 through 2012. Additionally, in 2008 this language passed the House as a stand-alone bill (HR 6048) by voice vote. Sixty members from both sides of the aisle signed on to HR 6048 as co-sponsors. Most recently, the bill was included in the Managers Package in the FY12 House NDAA and was supported by the Department of Defense (DoD).

Enclosed are letters of support that both Secretary Gates and Secretary Stanley provided for this legislation last year. Also enclosed is the 2010 HASC letter to Secretary Gates. As we move forward with the current legislative session, we look forward to the same level of support from the DoD in addressing this important issue and ensuring that our men and women in uniform have their parental rights protected.

Sincerely,

Michael Turner, Rob Andrews, Howard P. "Buck" McKeon, Chairman, Adam Smith, Ranking Member, Mac Thornberry, Vice Chairman, Roscoe G. Bartlett, Walter B. Jones, W. Todd Akin, J. Randy Forbes, Jeff Miller, Joe Wilson, Frank A. LoBiondo, John Kline, Mike Rogers and Trent Franks.

6TH ANNUAL D.C. LATINO PRIDE

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in recognizing the 6th Annual D.C. Latino Pride, the national capital region's celebration of our gay, lesbian, bisexual and transgender (GLBT) Latino communities.

The Washington, D.C. metropolitan area has had an identifiable GLBT Latino community since the early 1960s. However, the community remained largely invisible until 1987, after the first LGBT March on Washington, D.C. D.C. Latino Pride's parent organization, The Latino Gay, Lesbian, Bisexual, and Transgender History Project, began in 2000. The organization grew out of a private archive kept since 1993 by its founder, José Gutierrez, who in turn organized the first D.C. Latino Pride in 2007.

It has been both a pleasure and an inspiration to watch D.C. Latino Pride grow from a panel discussion on the day before the annual Capital Pride parade, to this year's series of events between May 20 and June 7: La Corona, La Plática, La Misa, and La Fiesta. The four events incorporate the elements of D.C. Latino Pride's 2012 theme: "History, Celebration, Identity, and Diversity."

The volunteers who staff the Latino GLBT History Project and organize D.C. Latino Pride also embody the 2012 theme. Its President, David M. Pérez, is also the Director of Development of the League of United Latin American Citizens; José Gutierrez works at La Clínica del Pueblo and on the Mayor's GLBT Advisory Council; its Treasurer, Manuel Cosme, is the C.F.O. of the U.S. Hispanic Chamber of Commerce Secretary; Jorge Andres Sotos, is a civil rights attorney in private practice; Board Member Esther Hidalgo is a manager at Leslie Cashen Photography and a Library and Archives Assistant at the Franciscan Monastery of the Holy Land; 2012 Latino Pride Co-Chairs Sergio Lopez and Oskar Moran work, for People for the American Way and NASA's Aeronautics Research Mission Directorate-Aviation Safety Program Office, respectively; Development Chair, Raul Olivo, is a manager; and the immediate past Latino Pride Co-Chair, is a health educator and advocate for Transgender Health Empowerment.

I ask the House to join me in recognizing the 6th Annual D.C. Latino Pride, welcoming all those who will attend, and congratulating the volunteers for work well done.

PAYING TRIBUTE TO U.S. ARMY COLONEL RICHARD E. CROGAN

HON. MIKE ROGERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Mr. ROGERS of Michigan. Mr. Speaker, I rise to honor the accomplishments of U.S. Army Colonel Richard E. Crogan. His dedication to soldiers as a leader, warrior, and innovator has had a profound and lasting effect on United States Army Aviation. As the Commander for the Aviation Center Logistics Command (ACLC), COL Crogan supported an Army at war by providing maintenance, sustainment and logistics support and proficient U.S. and Allied Aviation Officers.

COL Crogan was responsible for oversight and quality assurance on the largest aviation service support contract in the U.S. Army. He was tasked with maintaining 587 rotary wing aircraft, providing over 500 launches every day to support an ever increasing need for army aviation. COL Crogan was personally responsible for providing the aircraft required to professionally train aviators and provide the Army's next generation of great warriors. Aviation maintenance is an expensive proposition and COL Crogan's innovative leadership and creative solutions have shown a total cost savings during his command of more than \$750,000,000.

COL Crogan's great leadership contributed significantly to the elimination of the flight training backlog at Fort Rucker which reduced the time aviators spent training from 22 months to 12 months. Aviators will now report to their units ten months earlier to begin missions and the Army will see enormous cost savings in a time of fiscal reduction. COL Crogan raises the bar for those around him, as demonstrated by ACLC winning the Army Chief of Staff Supply Excellence Award in 2011.

Therefore Mr. Speaker, I ask our colleagues to join me in honoring Colonel Richard E. Crogan's exceptional service, dedication and devotion to duty, leadership, and professional competency. He exemplifies the fine tradition of military service and reflects great credit upon himself, the Department of the Army, and the United States of America. May he know that his nation is greatly appreciative of his dedication and wishes him the best in all his future endeavors.

EXPRESSING SENSE OF HOUSE REGARDING IMPORTANCE OF PREVENTING IRAN FROM ACQUIRING A NUCLEAR WEAPONS CAPABILITY

SPEECH OF

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2012

Mr. PASCRELL. Mr. Speaker, I rise in strong support of H. Res. 568, Expressing the sense of the House of Representatives regarding the importance of preventing the Government of Iran from acquiring a nuclear weapons capability. I reluctantly missed this vote due to a longstanding commitment to

give the commencement address at Passaic County Community College, in my district, but had I been present, I would have voted AYE.

I am a proud to co-sponsor this legislation. It is completely unacceptable to allow Iran to obtain nuclear weapons, and the government of Iran has isolated itself from the community of nations because of its refusal to negotiate or suspend its program. I have long supported strong sanctions on the Iranian regime to pressure them to abandon their nuclear program.

A nuclear Iran would pose an existential threat to Israel, our greatest ally in the Middle East. I have always been a strong supporter of Israel's right to exist and defend itself, and I believe that the nation of Israel truly shares the ideals of freedom and democracy with the United States. Additionally, as a state sponsor of terror, the possibility that Iranian nuclear weapons could fall into the wrong hands is all too real. This would greatly increase the chance that a nuclear weapon could be detonated anywhere in the world. For these reasons, we simply cannot afford to contain a nuclear armed Iran.

I commend the House of Representatives for passing this legislation by an overwhelming bipartisan majority, which demonstrates the incredible level of support in the United States Congress and among the American people for protecting Israel and preventing Iran from obtaining nuclear weapons or nuclear weapons capability.

MY PRESENT VOTE ON H. RES. 568

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I voted present today on H. Res. 568 because of my concern that it contains language that could create a blank check for war with Iran. As best said by Col. Lawrence Wilkerson, former Chief of Staff of Secretary of State Colin Powell, "This resolution reads like the same sheet of music that got us into the Iraq War." This resolution threatens to undermine upcoming U.S.-Iran negotiations on May 23, 2012. While I am not disputing the fact that a nuclear-armed Iran would pose a serious threat to Israel and U.S. national security interests, I am concerned that the tone of this resolution could be used as fodder for future conflict.

While I am an ardent supporter of Israel and remain committed to supporting legislation that ensures their security, I urge my colleagues to support more balanced policies and diplomatic solutions as we enter into negotiations with Iran. As we struggle to get our economy back on track, we simply cannot afford the economic and social costs of another war.

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Mr. BURTON of Indiana. Mr. Speaker, I rise today to pay tribute to the life of Dr. Kamel

Fuad Muakkassa, a neurosurgeon whose passion, intellect and generosity changed the lives of everyone around him, died on Sunday at the age of 62.

Dr. Muakkassa's life was one dedicated to attending lives. A supremely skilled neurosurgeon, he had a zest for life so profound that it will live on in all those who had the privilege of knowing him. He was married to the love of his life, Rola Mansour for 27 years. He enjoyed spending time with his wife, his children and grandchildren, upon whom he imparted many of his best qualities, including his giving nature, his unique love of life, his humor and his wit. Dr. Muakkassa mastered an extraordinarily wide range of talents and insisted on sharing his expertise by teaching those around him. His passions included playing golf and backgammon, travel and international affairs. All of this was in addition to the undeniable impact of his life's work: his relentless clinical and humanitarian achievements in the world of neurosurgery.

As Primary Founder, President and CEO of The Center for Neuro and Spine Inc. (CNS) and former Chief of Pediatric Neurosurgery of Children's Hospital of Akron, Dr. Muakkassa was a Board Certified Neurological Surgeon who had been serving the community for over 27 years. Dr. Muakkassa performed more than 8,000 neurosurgical procedures and treated over 10,000 patients and had the uniquely broad background of addressing both pediatric and adult spine, brain and peripheral neurological disorders. Dr. Muakkassa advanced the treatment options in his community by being the very first surgeon in Akron to perform an Anterior Cervical Discectomy with Fusion and Plating. Thousands of these surgeries are now performed here annually. Additionally, Dr. Muakkassa was the first surgeon to perform cutting-edge awake surgery for treating epilepsy patients at Akron General Medical Center back in 1986. Other firsts include placing pumps or spinal electrodes for pain management and spasticity, vagal nerve stimulators for depression and seizures and untethering complex spina bifida tumors.

Dr. Muakkassa graduated from The American University of Beirut with a degree in Medicine in 1974. He went on to complete his residency in General Surgery where he served as Chief Resident. Dr. Muakkassa continued his education with a residency program in Neurosurgery at The Upstate Medical Center in New York where he was again elected Chief Resident. Pursuing his pediatric interests, Dr. Muakkassa studied Pediatric Neurology at Strong Memorial Hospital and completed his Pediatric Neurosurgery fellowship at the prestigious Hospital for Sick Children in Toronto where he served as Chief Fellow.

Dr. Muakkassa most recently served as Associate Clinical Professor in Neurosurgery at Northeastern Ohio Universities College of Medicine (presently NEOMED). He also served as Chief of the Neurosurgery division at Barberton Citizens Hospital and Mercy Medical Center. He is published in peer review journals and received multiple awards including the Summit County Award of Excellence for Outstanding Medical Services to the Community, Teacher of the Year Award and the

He was also a member of the American Association of Neurological Surgeons (AANS), the Congress of Neurosurgeons (CNS), Summit County Medical Society, Ohio State Medical Association, International Society of Pediatric Neurosurgery, Ohio State Neurological Society and the Joint Section on Neuro-trauma and Critical Care of the American Association of Neurological Surgeons.

In addition to his professional accomplishments, Kamel devoted considerable time and resources to charitable organizations. Most notably, he was president of the Druze Orphans and Charitable Organization, which provides housing, education and healthcare to Lebanese children in need.

Dr. Muakkassa, survived by his wife, Rola; his son, Fuad; his daughter, Leila and grandchildren, will forever be an accomplished Doctor, philanthropist, husband, and father whose dedication to medicine, and selflessness will be carried through the legacy he has left in the field of medicine.

RECOGNIZING THE 90TH
ANNIVERSARY OF TEMPLE ISRAEL

HON. ILEANA ROS-LEHTINEN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2012

Ms. ROS-LEHTINEN. Mr. Speaker, tomorrow Temple Israel of Miami will be celebrating its 90th anniversary. Temple Israel is a pillar of the South Florida Jewish community. It is one of South Florida's oldest treasures and our community has truly been blessed over the years by its presence.

From the very beginning, Temple Israel's founders believed that they could create an organization that would make a positive change in the community. They sought to create bonds of loyalty within the international Jewish community, and within the South Florida community. For 90 years now, the Temple Israel congregation has consistently lived up to this purpose. The early leaders set a tradition to "live Judaism" by being actively engaged in local, national and world issues. Temple Israel's congregation continues to be among the most civically engaged members of our South Florida community.

The Temple Israel congregation has not only had a positive impact on the Jewish residents in South Florida, but also the community as a whole. From housing the Bridgeport Academy charter school that provides education for students from diverse backgrounds, to their tutoring and housing programs like the Dorothy Serotta Social Justice Forum program, Temple Israel's congregation is actively involved in the community year round. The members of Temple Israel's congregation are a shining example of "Tikkun Olam." They carry on the Temple's legacy of courage, compassion, service, and inclusiveness.

I cannot thank Temple Israel enough for its leadership and positive impact as we celebrate its 90th anniversary. I look forward to seeing how the organization evolves as it continues to make a significant mark on our South Florida community.
