

Corporal Gatlin graduated from Lexington High School in Lexington, Tennessee. Following high school, Cpl. Gatlin continued his education at West Tennessee Business College in Jackson, Tennessee, and Tarrant County College in Fort Worth in pursuit of a degree in Criminal Justice and a minor in Business. His post-secondary education included over 280 academic hours and over 1630 training hours. Cpl. Gatlin has received training in: Background Investigations, Crisis Intervention, Terrorism and Homeland Security, Narcotics Investigations, Family Violence and Child Abuse, Management and Supervision, and SWAT/Tactical Training. He holds the following licenses: Master Peace Officer, Mental Health Officer, School Resource Officer, and Basic Instructor. For the past several years, he has been working at Central Junior High in Euless as the School Resource Officer.

Cpl. Gatlin's career as a police officer began with the Jackson, Tennessee, Police Department in 1975 where he served until 1976. From 1976–1980, he worked in Communications for the Tennessee Highway Patrol. In September, 1980, Cpl. Gatlin moved to Texas where he joined the Euless Police Department and served until November 1982. After a brief absence, he returned to the Euless Police Department in September 1984. While with the Euless Police Department, he has held the positions of Police Officer, Field Training Officer, Acting Sergeant, and Corporal.

Cpl. Gatlin is a member of the Euless Peace Officer Association. He was awarded the 1987 Euless Police Officer of the Year. In his spare time, he enjoys golf, baseball, traveling, and woodworking.

I am very proud of the Euless Police Department, and I am honored to recognize Corporal Roger Gatlin for his contribution to the community. Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in thanking Roger Gatlin for his service as a police officer.

WILKERSON CHAPEL 150TH  
ANNIVERSARY

**HON. JOHN SHIMKUS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2012*

Mr. SHIMKUS. Mr. Speaker, I rise today to salute the 150th anniversary of an important community institution in Collinsville, Illinois.

In 1862, the Wilkerson Chapel was founded in Collinsville, and for 150 years it has served the people of Collinsville; along the way becoming the oldest and only African Methodist Episcopal Church in Collinsville. The church was originally located at the corner of South and Clinton Streets, on a piece of land donated by Mrs. Josiah Peers. In 1922, Wilkerson Chapel moved to its present location at 317 Summit Avenue.

The original land for the AME church was donated by a white woman in town, Mrs. Josiah Peers, and when the second location was built, the white churches in town donated such items as communion robes, a piano, and even the church bell. Marian Hoskin, an 81-year-old church member, talked about the harmony between the races which has always been an important part of Wilkerson Chapel's history,

saying that, "they always talk about this diversity situation here. And there was always prejudice on both sides of the fence. But we got along here. We have always worked together in this town."

Today, Reverend Carl F. Berry is the current pastor, and under his leadership, Wilkerson Chapel continues its efforts to improve the lives of the citizens of Collinsville. The church continues its outreach efforts, which include open houses and cookouts, but also performances by Just Us and The Rest, the church choir, and work with the Collinsville Area Ministerial Alliance food pantry.

Before the church's 150th anniversary banquet, Rev. Berry told the local paper, "The community is there for the church and the church is very much there for the community. This is truly about us sharing ourselves. The doors to the church are always open for service to the community."

I am proud to salute the 150 years of service by the parishioners of the Wilkerson Chapel, as well as the example they have set for our community. I am honored to represent such great people and such a great community like Collinsville.

ENERGY AND WATER DEVELOPMENT  
AND RELATED AGENCIES  
APPROPRIATIONS ACT, 2013

SPEECH OF

**HON. MARCY KAPTUR**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 31, 2012*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5325) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2013, and for other purposes:

Ms. KAPTUR. Mr. Chair, I strongly support two important provisions in this bill, included at my request, which provide necessary direction to the U.S. Army Corps of Engineers. This bill withholds Additional Funding for Ongoing Work until the Corps provides this Committee with an acceptable explanation of their allocation decisions. The accompanying report from the Committee also recommends various national domestic priorities for additional funds, including harbors that support domestic manufacturing. This language will greatly enhance the Corps' ability to ensure that our maritime infrastructure meets the changing needs of our nation.

The Fiscal Year 2013 Energy and Water Appropriations bill provides \$325 million in additional funding for the Corps to address priority projects throughout the country. When given a similar allocation last year, the Corps disregarded this Committee's directive to establish a rating system of projects to be funded and explain why each project was given priority.

This is unacceptable. I share the concern of the Chairman and many of my colleagues that the Corps must be accountable for their distribution of these extra funds.

Given significant backlogs in many of our nation's ports, these additional funds provide an opportunity for improved maintenance of our water borne infrastructure, which is so cru-

cial for growing our economy and creating jobs.

But it would be irresponsible to provide these dollars without exercising proper oversight to ensure that these funds are spent responsibly.

The Committee report already included direction to the Corps to report to the Committee their decisions regarding the use of these funds, but given the previous disregard for this directive last year, it became necessary to include this directive in the bill itself and establish consequences for the Corps, should it fail to meet this obligation.

Additionally, the report accompanying this bill recommends several priorities for the rating system to be created by the Corps. In particular, I strongly support the inclusion of domestic manufacturing as a component of the economic assessment for determining funding.

The significant backlogs of Corps maintenance activity across the country, especially in the Great Lakes region, greatly reduce the competitiveness of American manufacturing.

In the Great Lakes region, which has long been the heart of manufacturing in the U.S., heavy manufacturers are severely affected by light loading restrictions in our harbors. Bulk commodity shipments, which are essential to heavy manufacturing, are being transported inefficiently, preventing domestic manufacturers in the region from competing with foreign manufacturers.

The directive language in the report establishes this necessary manufacturing-oriented priority in determining which projects are to be funded by the additional funds provided in the bill.

The Corps' work is critical for maintaining critical U.S. maritime infrastructure. The language in this bill and the accompanying support will ensure that this work meets the needs of our nation.

I appreciate the willingness of the Chairmen and the Ranking Members of both the full Appropriations Committee and the Energy and Water Subcommittee to work with me to include this language. In response to the Army Corps' disregard for Congressional directives during fiscal year 2012, language in this bill demand proper compliance to the Constitutional authority of Congress.

PAYING TRIBUTE TO CAPTAIN  
KARL VAN DEUSEN'S 27 YEARS  
OF SERVICE TO OUR NATION

**HON. C.W. BILL YOUNG**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2012*

Mr. YOUNG of Florida. Mr. Speaker, I rise to pay tribute to Captain Karl Van Deusen, United States Navy for his extraordinary dedication to duty and service to the United States of America. Captain Karl Van Deusen will retire as the Director of Naval Congressional Liaison for Appropriations Matters. His service spans over twenty-seven years of active military duty to the United States Navy and the Department of Defense.

Born in Hartford, Connecticut and raised in St. Petersburg, Florida, Captain Karl Van Deusen received his commission in 1985 through the Naval Reserve Officers' Training Corps program at Marquette University, where

he graduated with a Bachelor of Arts degree in History. His rise in the Navy began at sea, when Ensign Van Deusen reported aboard the Knox-class frigate, USS MILLER, and served as Gunnery Officer and Damage Control Assistant.

Afterwards, he subsequently served on five other warships, including the Commander of the Arleigh Burke-class destroyer, USS GONZALEZ, and Commander of Destroyer Squadron FIFTY, home ported in Manama, Bahrain. His shore assignments have been focused in the areas of surface warfare, appropriations, and congressional liaison which included duty on the Navy staff, and the staff of the Secretary of Defense. Throughout his career, he has demonstrated exemplary service in duty to the mission and care of his Sailors.

In his culminating assignment as the Director of Naval Congressional Liaison for Appropriations Matters Captain Karl Van Deusen forged and maintained countless valuable relationships with Congressional members and staffers, key leaders at the Office of Management and Budget, leadership in the Office of the Secretary of Defense, and with his Service counterparts. These relationships were critical communication links when the Navy needed to provide crucial key information and have a voice in critical resourcing decisions that affected its programs and priorities.

The United States Navy, the Department of Defense and the Nation will dearly miss one of its most respected and valued leaders as Captain Karl Van Deusen leaves active duty. We will miss his humility, selflessness, candor and integrity. Captain Karl Van Deusen's exemplary leadership and selfless devotion to duty has touched fully two generations of Sailors, Department of the Navy Civilians, and their Families.

Mr. Speaker, it has been a pleasure to work closely with Captain Karl Van Deusen over the last several years of his long and decorated career. On behalf of a grateful Nation, I join my colleagues today in recognizing and commending Captain Karl Van Deusen for a lifetime of service to his country. For all he and his family have given and continue to give to our country; we are in their debt. We wish him, his wife Beth, his two sons, Jon and Todd, and his three daughters, Bonnie, Margaret, and Cora, all the best in his retirement.

#### CONGRATULATING THE FOREST PARK CIVIC ASSOCIATION ON ITS 50TH ANNIVERSARY

#### HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2012*

Mr. STIVERS. Mr. Speaker, I rise today to congratulate the Forest Park Civic Association on its 50th anniversary.

The Forest Park community and its people have played many significant roles throughout their rich history. Many communities across this great nation have been modeled after Forest Park and its pedestrian-friendly design. In 1976, resident Tina (Bishoff) Lovin set a then-world record when she swam the English Channel at the age of 17. The Montreal Olympics featured a Forest Hill local, Debbie (Keplar) Wilson, when in 1976 she won an Olympic Bronze Medal in the Platform Diving event.

The hard work and selfless contributions of Forest Park and the members of its community have contributed to the vibrancy and sense of unity in Central Ohio. I ask that all Members of Congress join me as I offer my congratulations to the Forest Park Civic Association on its 50th anniversary.

#### HONORING DR. PRADEEP KHOSLA

#### HON. MICHAEL F. DOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2012*

Mr. DOYLE. Mr. Speaker, I rise today to recognize the many contributions of Dr. Pradeep Khosla and to thank him for his many years of service to Pittsburgh.

Dr. Khosla is one of the finest technical minds of our time, and for nearly 30 years, Pittsburgh has had the honor of calling him one of our own—first as he worked towards a PhD from Carnegie Mellon University, which he received in 1986; then later as a professor at CMU; and then finally, beginning in 2004, as Dean of CMU's Carnegie Institute of Technology. Additionally, as the founder of CyLab, he began cutting-edge work in the realm of cyber security years before many recognized the vital importance of these issues. He has done much to both enrich CMU students' day-to-day experiences and elevate CMU's national and international reputation.

Sadly for us, he has been offered and has accepted a new position as Chancellor of the University of California, San Diego. He leaves us in August, but he leaves behind a city and school that are better because of his residency and tenure there.

Pittsburgh has not been the only beneficiary of Dr. Khosla's considerable talents though. Corporations and non-profits, nation-wide and worldwide have sought his expertise and counsel. He has lent his skills and time to countless boards of directors, councils, and advisory boards. He has served as a consultant for companies, venture capital funds, and start-ups.

Amidst all of this, it's amazing that Dr. Khosla had time to do anything else, but his research work has remained exemplary. He has authored or co-authored 3 books and over 350 articles, and has served on many journals' editorial boards.

Pradeep Khosla has had a considerable impact on the life of the mind of both CMU and Pittsburgh. He has also helped transform southwestern Pennsylvania into a leader in high-technology research, development, and commercialization. I've worked closely with Pradeep on a number of issues and initiatives over the years, and through those experiences, he's also become a good personal friend. He will be sorely missed.

I want to congratulate the city of San Diego and the University of California at San Diego. You are gaining an incredible scientist, administrator, and teacher. Pittsburgh is a better place as a result of his work, and San Diego will be, too.

I want to thank Dr. Khosla for his many contributions to our city, congratulate him on his new position, and wish him continued and much-warranted success.

#### TRIBUTE TO ARTHUR HUBERT WEBB

#### HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 5, 2012*

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to a good friend of mine, Arthur Hubert Webb. Hubert passed away Friday, May 25, 2012, at his home in Riverside, California. A resident of Riverside, California, for 78 years, he was a pillar of the community and will be deeply missed.

Hubert was born May 5, 1929, in Los Angeles, California, the son of Albert A. and Rebecca B. Webb. After graduating with honors in Civil Engineering from the University of Southern California, Hubert served honorably in the United States Army for two years. Hubert joined Albert A. Webb Associates in 1955 and served for 56 years, becoming President in 1984 and Chairman of the Board in 2000.

Hubert was an expert in water resources engineering, aiding clients such as Western Municipal Water District, Jurupa Community Services District, Crestline Lake Arrowhead Water Agency, City of Norco, and Edgemont Community Services District and shaping the dramatic growth of Southern California through his work. He was instrumental in designing 36,500 feet of pipeline and three pump stations to deliver water from the Riverside and Gage Canals to Western Municipal Water District's agricultural system. Hubert also served as the Chief Technical Advisor for the Riverside/Corona Feeder Project which stored water in wet years in the San Bernardino Valley ground water basins and delivered water during dry years to communities in Riverside County.

As a Professional Engineer in the State of California, he was active in the American Society of Civil Engineers, California Society of Professional Engineers, American Water Works Association, National Ground Water Association, California Water Environment Federation, Federal Water Environment Federation, and National Society of Professional Engineers. In 2008, Hubert was recognized as a Water Hero Award recipient for his donation of valuable and historical water resource documents from the library of Albert A. Webb Associates to the Water Resources Institute's archives.

Hubert was preceded in death by his wife Diane S. Webb. He is survived by his daughter Sandra Webb (Roger Prend); sons, Scott Webb and Steve Webb (Suzanne Anderson); sister Mary Webb (Gene Schaefer); 8 grandchildren; companion Diana Lingren, his nephew Matt and many other nieces and nephews.

On Thursday, June 7, a memorial service celebrating Hubert's extraordinary life will be held. Hubert will always be remembered for his incredible work ethic, generosity, contributions to the community and love of family. His dedication to his family, work, and community are a testament to a life lived well and a legacy that will continue. I extend my condolences to Hubert's family and friends; although Hubert may be gone, the light and goodness he brought to the world remain and will never be forgotten.
