# **BLOCKING PROPERTY OF PERSONS THREATENING THE PEACE, SE- CURITY, OR STABILITY OF YEMEN—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 112-109)**

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

*To the Congress of the United States:*

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.) (IEEPA), I hereby report that I have issued an Executive Order (the “order”) declaring a national emergency with respect to the unusual and extraordinary threat to the national security and foreign policy of the United States posed by the actions and policies of certain members of the Government of Yemen and others to threaten Yemen’s peace, security, and stability.

The order does not target the entire country of Yemen or its government, but rather targets those who threaten the peace, security, or stability of Yemen, including by obstructing the implementation of the agreement of November 23, 2011, between the Government of Yemen and those in opposition to it, which provides for a peaceful transition of power that meets the legitimate demands and aspirations of the Yemeni people for change, or by obstructing the political process in Yemen. The order provides criteria for the blocking of property and interests in property of persons determined by the Secretary of the Treasury, in consultation with the Secretary of State, to: have engaged in acts that directly or indirectly threaten the peace, security, or stability of Yemen, such as acts that obstruct the implementation of the agreement of November 23, 2011, between the Government of Yemen and those in opposition to it, which provides for a peaceful transition of power in Yemen, or that obstruct the political process in Yemen; be a political or military leader of an entity that has engaged in the acts described above; have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services to or in support of, the acts described above or any person whose property and interests in property are blocked

pursuant to the order; or be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the order.

The designation criteria will be applied in accordance with applicable Federal law including, where appropriate, the First Amendment to the United States Constitution.

I have delegated to the Secretary of the Treasury, in consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the purposes of the order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the order.

I am enclosing a copy of the Executive Order I have issued.

BARACK OBAMA.  
THE WHITE HOUSE, May 16, 2012.

## **ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE**

Any record vote on the postponed question will be taken later.
