Ms. WATERS changed her vote from “nay” to “yea.”

So the motion to instruct was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Mr. Speaker, on rollcall 293, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted “yea.”

## PERSONAL EXPLANATION

Mr. BRALEY of Iowa. Mr. Speaker, I regret missing floor votes on Friday, May 18, 2012 due to a visit to a wounded Iowa warrior at Walter Reed National Military Medical Center in Bethesda, MD.

## PERSONAL EXPLANATION

Mr. PASCRELL. Mr. Speaker, on May 18, 2012, I missed several rollcall votes due to a longstanding commitment to give the commencement address at Passaic County Community College, in my district.

Had I been present I would have voted:

“Aye”—Smith (WA)/Amash Amendment (No. 46)—Eliminates indefinite military detention of any person detained under AUMF authority in US, territories or possessions by providing immediate transfer to trial and proceedings by a court established under Article III of the Constitution of the United States or by an appropriate State court.

“Nay”—Gohmert Amendment (No. 45)—Clarifies that the FY 2012 National Defense Authorization Act and the 2001 Authorization for Use of Military Force (UAMF) do not deny the writ of habeas corpus or deny any Constitutional rights for persons detained in the United States under the AUMF who are entitled to such rights.

“Nay”—Coffman Amendment (No. 17)—Repeals the moratorium on A-76 procedures, which prohibits the outsourcing of U.S. military jobs to private contractors.

“Aye”—Keating Amendment (No. 18)—Freezes the transfer, reduction or elimination of Air National Guard units supporting an Air and Space Operations Center or an Air Force Forces Staff until the impact of the unit's loss and alternative plans to support the augmented Air Force missions are provided to.

“Aye”—Broun Amendment (No. 19)—Eliminates the maximum age limitation for individuals seeking to enlist in the U.S. military, provided they meet all of the other current qualifications for enlistment.

“Aye”—Carson Amendment (No. 20)—Prohibits military promotion boards from considering any information from official documents, word of mouth, or in writing on the pursuit of treatment or counseling for mental health or addiction issues, unless the service member is found unfit for duty or a danger to themselves or others. Would require the information on this prohibition to be promulgated to current service members.

“Aye”—Cummings Amendment (No. 26)—Expands the mortgage protections under the Servicemembers Civil Relief Act (SCRA) to include servicemembers serving in a contingency operation, surviving spouses of servicemembers whose deaths are service-connected, and veterans who are totally disabled at the time of discharge. The amendment also repeals the sunset provision that is set to expire at the end of this year and increases fines for violations of the SCRA.

“Nay”—Sablan Amendment (No. 29)—Includes the Northern Mariana Islands as an eligible location, in addition to the United States and Guam, for the overhaul, repair and maintenance of naval vessels and other vessels under the jurisdiction of the Secretary of the Navy.

“Aye”—Johnson (GA) Amendment (No. 30)—Includes a finding stating that the deployment of tactical nuclear weapons to South Korea would destabilize the Western Pacific region and would not be in the national security interests of the United States.

“Aye”—Johnson (GA) Amendment (No. 31)—Requires the Secretary of Defense and the Chairman of the Joint Chiefs to report to Congress regarding whether nuclear weapons reductions pursuant to the New START Treaty are in the national security interests of the United States.

“Nay”—Price (GA) Amendment (No. 32)—Prohibits the President from making unilateral reductions to U.S. nuclear forces.

“Nay”—Rigell Amendment (No. 38)—Replaces the pending sequester of discretionary spending for FY 2013 and replaces it by reducing the discretionary spending limit for that year so that it conforms with the Republican/Ryan budget levels deemed in force in the House, but this replacement is contingent upon the enactment of spending reductions over five years of at least the amount of the sequester it supplants. Also requires a detailed report on the impact of the sequestration of funds authorized and appropriated for FY 2013 for the Department of Defense.

“Aye”—Lee Amendment (No. 42)—Limits Defense funding to the amount consistent with the Budget Control act. The resulting \$8 billion reduction in the underlying bill's authorization would come from programs selected by the President in consultation with the Defense Secretary, with military pay and health care exempt.

“Nay”—Duncan amendment (No. 47)—Limits funds authorized to be appropriated by this Act to any institution or organization established by the Convention on the Law of the Sea, including the International Seabed Authority, the International Tribunal for the Law of the Sea, and the Commission on the Limits of the Continental Shelf.

“Aye”—Coffman Amendment (No. 48)—Authorizes the President to remove all Brigade Combat Teams that are permanently stationed in Europe and replace them with a rotational force.

“Nay”—Lee Amendment (No. 49)—Appoints a Special Envoy for Iran to ensure that all diplomatic avenues are pursued to avoid a war with Iran and to prevent Iran from acquiring a nuclear weapon.

“Nay”—Franks Amendment (No. 54)—Limits the availability of funds for nuclear non-proliferation activities with the Russian Federation until Russia is no longer providing support to the government of Syria's suppression of the Syrian people or transferring to Iran, North Korea or Syria equipment and technology that could be used to make weapons of mass destruction.

“Nay”—Pearce Amendment (No. 55)—Strikes provisions in the bill that authorize \$150 million for DOE to support the U.S. Enrichment Corporation (USEC) development of domestic uranium enrichment capacity.

“Nay”—Rehberg Amendment (No. 59)—Bans any reductions to the strategic nuclear triad unless the Secretary of Defense certifies that: 1) further reductions in the Russia Federation's arsenal are needed for compliance with New START limits; and 2) Russia is not developing or deploying nuclear delivery systems not covered by New START limits. Would also protect all three legs of the nuclear triad from elimination.

“Aye”—Price Amendment (No. 111)—Requires the Department of Justice to order an investigation into the possible violation of U.S. law regarding numerous leaks of sensitive information involving U.S. and Israeli military, in-

telligence, and operational capabilities. Would provide the Administration with 30 days after bill becomes law to begin its investigation and 60 days after enactment to report to Congress.

“Aye”—Democratic Motion to Recommit H.R. 4310.

“Nay”—Final Passage of H.R. 4310—National Defense Authorization Act for Fiscal Year 2013.
