

We should be focused on providing the Department of Interior with trained technical engineers and other such necessary personnel to review drilling permit applications both carefully and thoroughly.

Given the aftermath of the BP Oil spill, it is easy to understand the importance of addressing all safety concerns prior to the issuance of oil and gas lease sales.

Since the disaster federal safety regulations have been tightened, spill containment response capability has been enhanced and lessons have been learned.

These lessons must be understood by everyone involved in reviewing and approving each and every application for permits and lease sales.

Responsible onshore drilling includes having our best minds working to carefully and diligently review each application. This amendment is intended to include both women and minorities in the process.

This amendment is designed to ensure that DOT is able to recruit, retain and train skilled professionals, many of whom require a science, technology, engineering, or math (STEM) backgrounds. The DOT will be encouraged to reach out to high school students, college students, and professional.

My Amendment establishes an Office of Energy Employment and Training which will oversee the efforts of the Department of Interior's energy planning, permitting, and regulatory activities related to this Act.

This Office will be responsible for issuing quarterly reports to the Secretary which will include the amount of jobs created by the DOT, as well as, reporting the types of job training programs that have been implemented or proposed.

This amendment also addresses the need to encourage diversity within the Department of Interior. By creating an the Office of Minority and Women Inclusion which is specifically designed to encourage diversity by reaching out to both women and minorities.

Specifically the DOT will have a Director appointed by the Secretary of the Interior who will develop clear standards for equal employment opportunities and will address the need for increased racial, ethnic, and gender diversity at both the junior and senior management levels of the Department.

This amendment would require the DOT to take affirmative steps to seek diversity in the workforce of the Department at all levels of the Department.

These steps would include recruiting at historically black colleges and universities, Hispanic-service institutions, and women's colleges and other majority minority service institutions. The Department will be able to find qualified candidates from diverse backgrounds if they expand the pool of candidates from which they select candidates.

The DOT would be required to sponsor job fairs in urban communities and partner with organization that are focused on developing opportunities for both minorities and women in the energy industry.

Again, it is the job of the Department of the Interior to ensure that all lease sales meet the highest reasonable standards for safety. This amendment is meant to include encourage and ensure that women and minorities have a fair opportunity to participate in making these types of decisions the DOI.

I urge my colleagues to join me in supporting my Amendment No. 27 to H.R. 4480.

Mr. SHERMAN changed his vote from “aye” to “no.”

Messrs. RIBBLE, NUGENT, AL GREEN of Texas, CUELLAR, and SIMPSON changed their vote from “no” to “aye.”

So the amendment was agreed to.

The result of the vote was announced as above recorded.

Stated for:

Mr. MURPHY of Pennsylvania. Madam Chair, on rollcall No. 392, I was present but the voting machine did not record my vote. Had I been present, I would have voted “aye.”

Stated against:

Mr. FILNER. Madam Chair, on rollcall 392, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted “no.”

Mr. HEINRICH. Madam Chair, on June 21, 2012, I unfortunately missed one vote, rollcall Number 392. If I had been present, I would have cast the following vote on this amendment to H.R. 4480, Strategic Energy Production Act: Rollcall vote 392 (Hastings Amendment): “no.”

(By unanimous consent, Ms. WASSERMAN SCHULTZ was allowed to speak out of order.)

WOMEN’S CONGRESSIONAL SOFTBALL

Ms. WASSERMAN SCHULTZ. Well, I wish I were standing before you this morning to announce the Congressional Women’s Softball team’s second big victory. Unfortunately, I can’t share that good news with you, but I can share the news with you that our bipartisan team, with the Bad News Babes, the women members of the press corps, raised over \$50,000 for the Young Survival Coalition. We’re very proud of that.

We are proud, as congressional women, that we play in a bipartisan spirit, that we have built a bipartisan

and bicameral camaraderie and a team spirit and friendship that we would never have had an opportunity to build if not for playing this game. I know we all feel strongly, hopefully, that we use the friendships that we build on the field and take those into the Chamber here so we can work together on the problems facing our country. That’s such a tough and important priority for all of us.

We do want to congratulate, although not too enthusiastically, the Bad News Babes for their victory this year in the game, 13–10. It was heart-breaking. We kept it close. We were coming back in the last inning. We had a real opportunity but came up short.

We all, as women Members, want to thank the fabulous, indomitable Natalie Buchanan, who is on the leadership staff of KEVIN MCCARTHY, for coming out there with us every morning at 7 a.m.

Natalie, stand up.

She is on the floor with KEVIN MCCARTHY every day here. We love Natalie.

Tori Barnes, my cocaptain’s daughter, is our coach year in and year out.

I also want to recognize, on my staff, Mackenzie Smith and Kate Houghton, who is on my staff but is battling leukemia right now and who we all played for on both teams. She’s coming through and getting healthy.

Madam Chair, thank you for your friendship. Thank you to all the women, and thank you all, as a breast cancer survivor. Both the House leadership teams came out to the game, continued to support us, and it means so much to me personally.

I wish everybody a wonderful summer, and we will be back next year so we can take that trophy back.

ANNOUNCEMENT BY THE ACTING CHAIR

The Acting CHAIR (during the vote).
There is 1 minute remaining.

□ 1230

So the amendment was rejected.

The result of the vote was announced
as above recorded.

Stated for:

Mr. FILNER. Mr. Chair, on rollcall 408, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted "aye."

The Acting CHAIR. The question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. MCCARTHY of California) having assumed the chair, Mrs. EMERSON, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4480) to provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in re-

sponse to a drawdown of petroleum reserves from the Strategic Petroleum Reserve, and, pursuant to House Resolution 691, she reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Ms. SLAUGHTER. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Ms. SLAUGHTER. I am in its present form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Ms. Slaughter moves to recommit the bill H.R. 4480 to the Committee on Natural Resources with instructions to report the same back to the House forthwith with the following amendment:

Add at the end the following:

TITLE _____—MISCELLANEOUS PROVISIONS
SEC. ____1. PROHIBITING NEW LEASES FOR MAJOR OIL COMPANIES UNTIL THEY FOREGO TAX BREAKS AND BUY AMERICAN.

(a) FORGOING TAX SUBSIDIES TO QUALIFY FOR NEW LEASES.—A major integrated oil company (as defined in section 167(h)(5)(B) of the Internal Revenue Code of 1986) may obtain a lease made available under a plan required by subsection (k) of section 161 of the Energy Policy and Conservation Act, as amended by section 102 of this Act, only if that company agrees not to claim certain Federal tax benefits with respect to oil and gas exploration and production activities pursuant to that lease, including—

(1) percentage depletion allowances under sections 613 and 613A of the Internal Revenue Code of 1986; and

(2) the domestic production activities deduction under section 199 of the Internal Revenue Code of 1986.

(b) BUY AMERICAN REQUIREMENT.—A plan required by subsection (k) of section 161 of the Energy Policy and Conservation Act, as amended by section 102 of this Act, shall encourage each major integrated oil company (as defined in section 167(h)(5)(B) of the Internal Revenue Code of 1986) that obtains an oil and gas lease made available under such plan to use only materials made in the United States in drilling operations and avoid outsourcing American jobs.

Ms. SLAUGHTER (during the reading). Mr. Speaker, I ask unanimous consent that the reading be dispensed with.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

The SPEAKER pro tempore. The gentlewoman from New York is recognized for 5 minutes.

Ms. SLAUGHTER. Mr. Speaker and my colleagues, with every decade that passes, the middle class has faced higher and higher prices at the pump. Meanwhile, the world's five biggest oil companies have reported record profits year after year. Between 2001 and 2011, the five biggest oil companies made more than \$1 trillion in profits.

Despite these record profits, the majority continues to put the wishes of Big Oil before the needs of the middle class. Instead of balancing our Nation's budget by closing tax loopholes on Big Oil, they have repeatedly told the middle class that they should sacrifice the programs on which they rely to live.

Twice, the majority has passed the Ryan budget, which would end Medicare as America knows it. And picture this for your mother or your most elderly relatives. In its place, they would be given a health care voucher and sent into the marketplace on their own to find health care on their own. Meanwhile, they work hard and we call all the time for votes, not to protect the billion-dollar Big Oil subsidies from any cuts, but, again, to protect our vanishing middle class. I think this approach is not only wrongheaded and will hurt us all, but it's morally wrong.

A year ago, Speaker BOEHNER told "60 Minutes" that ending subsidies for Big Oil companies is "certainly something we should be looking at." I couldn't agree more. He continued, "We're in a time when the Federal Government is short on revenues. We need to control spending, but we need to have revenues to keep the government moving, and they ought to be paying their fair share." Speaker BOEHNER was absolutely right, and this is the time to do it.

By voting in support of my amendment, the whole House will finally have the opportunity to demand that Big Oil pay its fair share.

Last year, the five biggest oil companies in the world made a combined record profit of \$137 billion. During that same time, thousands of middle class Americans slid out of the middle class and into poverty. While ExxonMobil was busy using at least 20 tax shelters to lower their tax rate to a mere 13 percent, over 20 million people were living on less than \$9,000 a year. That's not America. I think we need to balance our budget by asking those who have benefited the most simply to pay a fair share, not by taking from those who have the least. Our country was never based on that.

With my amendment, the world's biggest oil companies would begin to pay their fair share. They would be barred from receiving new drilling leases until they gave up their oil and gas subsidies. In addition, my amendment would require each Big Oil company that obtains an oil and gas lease to use American-made products and hire

American workers who are more than ready and willing to do the job. This amendment will do much of what we've been striving to do this whole term.

The amendment will not kill the bill nor send it back to committee. If we approve this amendment, the bill will immediately proceed to final passage.

It's up to us, ladies and gentlemen. We can return home this weekend and tell our constituents that finally we voted for the middle class, which is what they want us to do, or we can turn our backs on this opportunity before us and go home and explain why this Congress would vote to gut Medicare but won't ask Big Oil to pay their fair share.

I urge my colleagues to support the motion to recommit and stand up for the middle class and the suffering Americans.

With that, Mr. Speaker, I yield back the balance of my time.

Mr. GARDNER. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Colorado is recognized for 5 minutes.

Mr. GARDNER. The gentlelady is correct on one point: that it is up to us. It is up to us to protect and defend the middle class. It's up to us to work toward the development of American jobs. It's up to us to reduce the reliance on foreign oil. It's up to us to make sure that we have an opportunity to buy American from North Dakota, from Pennsylvania, from New York, from Colorado. We have an opportunity to buy energy from those States.

What about Ohio? What about Pennsylvania?

This will allow us to produce energy in this country, to buy energy from this country instead of growing our dependence on overseas energy, the Keystone XL pipeline, opportunities to look at our Federal resources for coal, for solar, for wind, traditional and renewable energy.

This bill is about American jobs, about lowering the price at the pump. We have seen over the past 3 years as gasoline prices have gone up nearly 100 percent.

We talk about putting people back to work. We talk about protecting the middle class. You know what will help people rise above it? You know what will help people move forward? It's making sure that they can afford the gasoline that they put into their tank, that they're not trying to sacrifice groceries for gasoline.

□ 1240

A one-penny increase and the price of gasoline will cost American consumers and businesses millions and millions of dollars a day.

You want to talk about things that we could do to help this country, it is an abundant and affordable energy policy, one that weans us off of foreign energy, makes sure that we are producing it here, and one that makes sure we are taking advantage of all of our energy—

renewable, traditional—in the sense that we're not just looking at quick-fix politics, but we're looking at long-term supply solutions.

But once again, we are met with opposition that includes more politics, less energy; more rhetoric, less opportunity. This isn't about smoke and mirrors. This is about putting Americans back to work producing American energy and making sure that we are watching out for our constituents, lowering the price of energy so that they can improve their lives and that of their families.

Mr. Speaker, I urge opposition to this motion to recommit. Let's move forward with American jobs, American energy, and support the Domestic Energy and Jobs Act.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Ms. SLAUGHTER. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 and clause 9 of rule XX, this 15-minute vote on the motion to recommit will be followed by 5-minute votes on passage of the bill, if ordered, and the motion to instruct on H.R. 4348.

The vote was taken by electronic device, and there were—yeas 166, nays 243, not voting 23, as follows:

□ 1312

□ 1305
So the bill was passed.
The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:
Mr. SULLIVAN. Mr. Speaker, I rise to state for the RECORD that I missed rollcall vote 410 to H.R. 4480 taken on June 21, 2012, and I would have voted “aye” on the measure. This critical legislation promotes an American energy plan that will not only reduce our dependence on foreign oil, but also spur economic growth and job creation. Additionally, the legislation will protect American refineries by reducing unnecessary red tape and burdensome Obama Administration regulations.

Stated against:
Ms. SEWELL. Mr. Speaker, on rollcall No. 410, had I been present, I would have voted “no.”

Mr. FILNER. Mr. Speaker, on rollcall 410, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted “no.”

MOTION TO INSTRUCT CONFEREES ON H.R. 4348, SURFACE TRANSPORTATION EXTENSION ACT OF 2012, PART II

The SPEAKER pro tempore. The unfinished business is the vote on the motion to instruct on H.R. 4348 offered by the gentleman from West Virginia (Mr. MCKINLEY) on which the yeas and nays were ordered.
