

nothing in this Constitution shall be so construed as to Prejudice any Claims of the United States, or of any particular State.

Article I, Section 8, Clause 1

The Congress shall have Power to lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defense and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States.

The abandoned mine land fund is a tax on coal produced, in part, on federal lands. Both the tax, and its distribution were created pursuant to the Surface Mining Control and Reclamation Act of 1977, presumably with the Constitutional authority to tax, raise revenue, and spend that revenue under Article I, Section 8, Clause 1. This legislation seeks to repeal a section of that bill dealing with the distribution of AML funds. While the Constitution gives no explicit authority to repeal, it can be inferred that what Congress has the Constitutional authority to create, it can also repeal.
