

But I want to say this, Madam Speaker: We already know that Americans want to be less dependent on foreign energy. The Republican plan obviously does that. Americans also want to have parts of the economy start growing. Energy production is a way to jump-start our economy with good American jobs. So those are all givens.

But the rhetoric sometimes coming from the other side is: Why are some areas emphasized and some areas are not? Because we use a very, very novel approach to where we should sell leases and explore for oil, and that is, very simply, where we think the resources are, and then people will bid on that and take a chance and see if there are resources. If there are, they will drill, and the Federal Treasury and the American people benefit.

A good case of that, by the way, Madam Speaker, is in southern California, because reference has been made several times to southern California, and specifically to Santa Barbara, California, the Santa Barbara Channel.

Now, the State Lands Commission says that there are 1,200 natural occurring seeps in the Santa Barbara Channel, and it's estimated that coming out of these naturally occurring seeps in the Santa Barbara Channel is 55,000 barrels a year—each year. Experts have concluded that that amount of seep could be translated into enough fuel to fuel the energy for Santa Barbara County for 7½ years. Now, that is a lot of oil.

We believe the opportunity ought to be to go—again, with the novel approach—where the oil is. So that's why our approach says, okay, let's open up all these areas. Let's allow the private sector to ascertain if they want to pay somebody for a lease to develop those resources.

□ 1320

That is in essence what this debate is about.

And finally, let me conclude this way, Mr. Speaker. The fact is that the President's plan reinstates the moratorium that existed going up to 2008. The American people demanded that be lifted with \$4 gasoline, but this essentially reinstates that.

I think that's the wrong policy. So we'll have an opportunity today to vote on two proposals: one that does increase American energy and creates American jobs, or one that maintains the status quo. In fact, it doesn't even do that. It goes back and reestablishes the moratorium and locks up 85 percent of our resources.

So I urge a "no" vote on this suspension bill, and a "yes" vote on the subsequent bill that we debated yesterday, H.R. 6082.

With that, I yield back the balance of my time.

Mr. BLUMENAUER. Madam Speaker, I voted for H.R. 6168, President Obama's Proposed 2012–2017 Offshore Drilling Lease Sale Plan Act. I emphasize that this is a qualified

support. The President's plan maintains important protections for the Pacific Coast, the Atlantic Coast, and Bristol Bay. It is far better than the Republican alternative, which would open most of the American coastline to drilling, and which would eliminate important environmental safeguards in the process.

Should Congress move forward with the President's proposal, it should do so with care, ensuring sufficient protection throughout the process. In particular, I am concerned about the potential permitting in Alaska. The President's proposal does require additional research and comprehensive analysis before approval of any project in Alaska. I underscore the need to have a full understanding of the impacts of drilling on the Alaskan ecosystems before moving forward. Appropriate safeguards must be in place and I look forward to working with the administration to ensure that we move forward with projects only after being confident that they do not pose a threat to the environment, ecosystems, or existing local economies in the area.

Our biggest priority should be reducing our dependence on fossil fuels, regardless of whether or not those fuels are obtained domestically or internationally. I will continue to work with my colleagues to support policies that support clean energy production and energy efficiency.

Mr. HOLT. Madam Speaker, today we are considering the so-called President Obama's Proposed 2012–2017 Offshore Drilling Lease Sale Plan Act (H.R. 6168).

This legislation, to require the Department of the Interior to conduct the very offshore drilling plan they are already set to implement, has been rushed to floor just so that the majority could vote against it in a political stunt. Even the sponsor of this bill will oppose it.

Although I have serious concerns with the DOI's plan to hold lease sales in the Arctic, where spill response capabilities are virtually nonexistent and the merits of opening this pristine environment to drilling remain unclear, the DOI's five-year plan stands in stark contrast to the House Republican plan for offshore oil and gas development.

The Republican plan amounts to yet another attempt to open up nearly every last piece of our public lands to drilling and hand even more giveaways to Big Oil. It is important to note that the President's plan does not provide for oil and gas lease sales off of the coast of New Jersey.

For these reasons, I will vote for H.R. 6168. But I want the RECORD to reflect that my vote for this bill is not an endorsement of expanded drilling in the Arctic or seismic exploration off of the coast of New Jersey. I strongly oppose drilling off of the coast of New Jersey and in the Mid-Atlantic and I offered an amendment to the bill we are considering to prevent any new drilling in that region.

Along with my Democratic colleagues on the Natural Resources Committee, I have offered bills to implement the safety recommendations of the National Commission on the Deepwater Horizon Oil Spill and to establish a fee on inactive leases as an incentive for oil companies to begin producing on the lands they already hold—of course, applying up-to-date environmental and safety lessons. I also introduced the Big Oil Bailout Prevention Act to make sure that oil companies pay the full cost of damages resulting from future oil spills.

We should be considering these important reform bill not political stunts designed to let

the majority pat themselves on the back about what a good job they are doing to promote the development of the natural resources that belong to all Americans.

The SPEAKER pro tempore (Mr. SIMPSON). The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 6168.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. HASTINGS of Washington. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

# CONGRESSIONAL REPLACEMENT OF PRESIDENT OBAMA'S ENERGY-RESTRICTING AND JOB-LIMITING OFFSHORE DRILLING PLAN

## GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and add extraneous material on H.R. 6082.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 738 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the further consideration of the bill, H.R. 6082.

Will the gentlewoman from Missouri (Mrs. EMERSON) kindly retake the Chair.

## IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 6082) to officially replace, within the 60-day Congressional review period under the Outer Continental Shelf Lands Act, President Obama's Proposed Final Outer Continental Shelf Oil & Gas Leasing Program (2012–2017) with a congressional plan that will conduct additional oil and natural gas lease sales to promote offshore energy development, job creation, and increased domestic energy production to ensure a more secure energy future in the United States, and for other purposes, with Mrs. EMERSON (Acting Chair) in the chair.

The Clerk read the title of the bill.

The Acting CHAIR. When the Committee of the Whole rose on Tuesday, July 24, 2012, a request for a recorded vote on amendment No. 8 printed in part C of House Report 112–616 by the gentleman from Florida (Mr. HASTINGS) had been postponed.

Pursuant to clause 6 of rule XVIII, proceedings will now resume on those amendments printed in part C of House Report 112-616 on which further proceedings were postponed, in the following order:

Amendment No. 2 by Mr. HOLT of New Jersey.

Amendment No. 4 by Mr. MARKEY of Massachusetts.

Amendment No. 5 by Mr. MARKEY of Massachusetts.

Amendment No. 6 by Mr. HOLT of New Jersey.

Amendment No. 7 by Mr. HASTINGS of Florida.

Amendment No. 8 by Mr. HASTINGS of Florida.

The Chair will reduce to 2 minutes the minimum time for any electronic vote after the first vote in this series.

#### AMENDMENT NO. 2 OFFERED BY MR. HOLT

The Acting CHAIR. The unfinished business is the demand for a recorded vote on the amendment offered by the gentleman from New Jersey (Mr. HOLT) on which further proceedings were postponed and on which the ayes prevailed by voice vote.

The Clerk will redesignate the amendment.

The Clerk redesignated the amendment.

## □ 1407

So the amendment was rejected.  
The result of the vote was announced as above recorded.

The Acting CHAIR. The question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mrs. MILLER of Michigan) having assumed the chair, Mrs. EMERSON, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 6082) to officially replace, within the 60-day Congressional review period under the Outer Continental Shelf Lands Act, President Obama's Proposed Final Outer Continental Shelf Oil & Gas Leasing Program (2012–2017) with a congressional plan that will conduct additional oil and natural gas lease sales to promote offshore energy development, job creation, and increased domestic energy production to ensure a more secure energy future in the United States, and for other purposes, and, pursuant to House Resolution 738, she reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

#### MOTION TO RECOMMIT

Ms. SLAUGHTER. Madam Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Ms. SLAUGHTER. In its present form, I am.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Ms. Slaughter moves to recommit the bill H.R. 6082 to the Committee on Natural Resources with instructions to report the same back to the House forthwith with the following amendment:

Add at the end the following:

#### SEC. \_\_\_\_ . PROHIBITION ON ISSUANCE OF LEASES WITH RESPECT TO IRAN AND SYRIA.

No lease may be issued under this Act to any person (including any successor, assign, affiliate, member, or joint venturer with an ownership interest in any property or project any portion of which is owned by such person) that is in violation of—

(1) the Iran Sanctions Act of 1996 (50 U.S.C. 1701 note) or the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (22 U.S.C. 8501 et seq.); or

(2) the Syria Accountability and Lebanese Sovereignty Restoration Act of 2003 (22 U.S.C. 2151 note).

The SPEAKER pro tempore. The gentlewoman from New York is recognized for 5 minutes.

Ms. SLAUGHTER. Madam Speaker, I rise to introduce a final amendment to today's bill.

The amendment is simple in its wording but powerful in its purpose. My amendment simply states that no company that violates the Iran Sanctions Act or the Syria Accountability Act will be allowed to profit from the oil leases in today's bill. The amendment will help to ensure that no company that helps to prop up these oppressive and destabilizing regimes can benefit from today's legislation.

Currently, the United States Government is imposing sanctions on 13 companies who maintain essential business dealings with Iran. In addition, the threat of sanctions is hanging over other companies that continue to do business there. In total, more than 16 oil companies remain "active" in Iran. These companies are defying the international community and helping to empower an Iranian regime that exports terrorism around the world, seeks nuclear weapons capability, and threatens the security of the entire Middle East—especially our ally and friend, Israel.

With the threat from Iran continuing to grow, it is vital that Congress respond with prudent and effective action. My amendment will help to isolate Iran, promote stability in the Middle East, and protect Israel.

With regard to Syria, existing sanctions are already helping increase the pressure on the murderous regime of President Assad. Thanks to the sanctions, Syrian oil production had dropped by 60,000 barrels per day by 2011 as companies cut ties with the government and exited the country. Despite this pressure, more action is needed, and my amendment will be a responsible next step to ensure that nothing in this bill will empower President Assad's continued war against the Syrian people.

Madam Speaker, for the last 2 years, we have put the needs of special interests, especially Big Oil, before the needs of our country, our people, and our allies. Over the last 2 years, the majority has voted more than 140 times to benefit Big Oil, and today should not be another one. Instead of passing the bill to create jobs, we've proposed yet another bill to serve Big Oil interests.

If we're going to move forward with such a giveaway, it is vital that they ensure that no profit derived from today's legislation goes to prop up nations who would harm our national security interests or those of our ally, Israel. It is up to this Congress on both sides of this aisle: Will we sacrifice the interests of Israel and the Syrian people by passing legislation that could benefit two of the most oppressive and destabilizing regimes in the world, or are we going to stand with our friend and ally, Israel, and protect the people of Syria?

With both the Iranian and Syrian regimes threatening our allies and thousands of innocent people in the Middle

East, I believe it's high time the United States Congress moves to further protect Israel and the people of Syria.

Once again, if my amendment is adopted, the House will proceed to final passage of the bill. I urge all of my colleagues to support this important amendment today—and it is an important amendment—and put our national interests before the wishes of Big Oil.

I yield back the balance of my time.

Mr. HASTINGS of Washington. Madam Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman is recognized for 5 minutes.

Mr. HASTINGS of Washington. Madam Speaker, this is not a foreign policy bill. This is a bill about American jobs and American energy. And these subjects that are brought up in this motion to recommit are covered in other areas, as they should be. For example, the Iranian issue is covered in standalone bills, as it properly should be. But this continues to be an attempt of the other side to change the subject away from American energy and American jobs.

The President is talking about American energy, and I have said on a number of occasions that the President likes to give speeches, but virtually every time when he does on offshore energy, his actions are 180 degrees from his rhetoric. So this bill that we have under consideration today, H.R. 6082, challenges the President to live up to his rhetoric.

In his speeches, the President says, "Yes, we can," "hope and change," "move forward," "believe in America." Well, to those who say that the House and the Senate should not act on a 60-day review of the President's plan, I say, "Yes, we can."

□ 1420

Let's just not hope for better, let's move the country forward. Let's change President Obama's plan to a real pro-energy, pro-jobs offshore plan that truly believes in America. Oppose this motion to recommit, vote for the bill, and vote against the suspension.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Ms. SLAUGHTER. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 and clause 9 of rule XX, this 15-minute vote on the motion to recommit will be followed by 5-minute votes on passage of H.R. 6082, if ordered; and suspension of the rules and passage of H.R. 6168 and H.R. 459.

The vote was taken by electronic device, and there were—yeas 179, nays 240, not voting 12, as follows:
