#### AFTER RECESS

The recess having expired, the House was called to order by the Speaker at noon.

#### PRAYER

Reverend Michael Catt, Sherwood Baptist Church, Albany, Georgia, offered the following prayer:

Lord God, I give thanks to live in a free land, blessed by You. Since the days of the Pilgrims who sought freedom from religious and political tyranny, You have blessed this land. You have guided us through wars, recession, and prosperity. We owe our existence to Your sovereign hand.

May those elected to represent the people follow the teachings of Your Word. We pray for all in authority that we may live in peace. Please guide the Congress, regardless of political persuasion, to follow the words of Micah 6:

He has told you, O man, what is good. What does the Lord require of you but to do justice, to love kindness, and to walk humbly before your God? The voice of the Lord will call to the city. It is sound wisdom to fear Your name.

In the name of my Lord Jesus, I pray. Amen.

#### THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

#### PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from Colorado (Mr. PERLMUTTER) come forward and lead the House in the Pledge of Allegiance.

Mr. PERLMUTTER led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### WELCOMING REVEREND MICHAEL CATT

(Mr. SHULER asked and was given permission to address the House for 1 minute.)

Mr. SHULER. Mr. Speaker, I rise today to recognize today's guest chaplain, Dr. Michael Catt. Dr. Catt is the senior pastor at Sherwood Baptist Church in Albany, Georgia. I'm honored to welcome Dr. Catt, his wife, Terri, and his daughter, Hayley, to the U.S. House of Representatives today.

Dr. Catt has served as senior pastor at Sherwood Baptist Church since 1989. The church has 3,000 members and has averaged 100 baptisms each year. Thousands have joined the church from Albany and 29 surrounding communities. The church has evolved from a neighborhood church to a regional, multi-ethnic congregation with members from 11 nations.

Most notably, under Dr. Catt's leadership, Sherwood Baptist developed an out-of-the-box church outreach. Dr. Catt's goal is to change the world from Albany, Georgia. While this may sound and seem like a radical or even ridiculous statement from a pastor in southwest Georgia, it has, in fact, become a reality through Sherwood Pictures. Dr. Catt has served as executive producer of "Flywheel," "Facing the Giants," "Fireproof," and "Courageous." Each of these major motion pictures serves to influence the world for Christ.

I am honored to call Dr. Catt a friend, and I look forward to how God continues to use Dr. Catt in the future. I ask my colleagues to welcome Dr. Catt and his family as he leads us today in opening prayer.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mrs. MILLER of Michigan). The Chair will entertain 15 further requests for 1-minute speeches from both sides of the aisle.

#### THE POWER TO TAX IS THE POWER TO DESTROY

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Madam Speaker, "The last thing you want to do is to raise taxes in the middle of a recession because that would take more demand out of the economy and put business in a further hole."

That's what the President said in 2009, but that was then and this is now. If Congress doesn't act, Americans will face higher taxes when the clock strikes midnight on December 31 of this year. The President's solution is to raise taxes on some. That would eliminate 700,000 jobs in our country; 60,000 of those would be lost in my home State of Texas. The tax increase will cost the average American a year's worth of groceries—\$4,000.

Madam Speaker, almost half of Americans pay no Federal income tax at all. What we need are more taxpayers, not more taxes. We need to renew the so-called "Kennedy-Reagan-Bush tax cuts." No tax increases on Americans. Because the power to tax is the power to destroy, and the last thing we should do is raise taxes in a recession.

And that's just the way it is.

#### DON'T FORGET THE LITTLE PEOPLE

(Ms. HOCHUL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HOCHUL. Madam Speaker, "Don't forget the little people." That's what a gentleman said as he grabbed my hand and looked into my eyes at the Sanborn Farm Museum French toast breakfast on Saturday morning. "Don't forget the little people."

Who are these little people? I'll tell you right now, these are millions of moms and dads sitting at their dinner table tonight trying to cover their worried expression from their kids as they look over their family finances, wondering whether Congress is going to step up to the plate and give them the tax break they so desperately deserve.

Only in Washington will people tell you you need to address our growing out-of-control deficit by spending a trillion dollars on tax breaks for millionaires and billionaires. And not just that. That puts us into further debt with the Chinese. I've got a problem with that.

It seems simple to me. If we want to cut our deficit, we cut spending, and we also ask those who benefited from tax breaks for the last decade to pay their fair share.

Like many of us, I'm with the little people and I'm with the middle people. Let's vote for a middle class tax cut today.

#### STOP THE TAX HIKES

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SAM JOHNSON of Texas. Madam Speaker, let the countdown begin. Come January 1, the President and the Democrats plan to raise taxes on hard-working families and small business.

That's right. Instead of reining in their out-of-control spending, the President wants all Americans to hand over even more of their hard-earned money to the Federal Government. It's not smart to raise taxes ever, and certainly not in a struggling economy.

With 3 years of sky-high unemployment across the country, record-breaking deficits, and countless new rules and mandates coming from the White House, the solution is simple: Stop these job-killing tax hikes.

It's time to rewrite the Tax Code, work on pro-growth tax reform, and get this economy working again. Stop the Democrats' massive tax hikes to pay for their Big Government agenda. The American people want, need, and deserve better.

#### DISESTABLISHMENT OF THE POSTAL SERVICE

(Mr. KUCINICH asked and was given permission to address the House for 1 minute.)

Mr. KUCINICH. Article I, section 8, clause 7 of the U.S. Constitution gives Congress the responsibility to establish and ensure operations of the postal service. Today, August 1, 2012, 234 years after the Constitution was ratified, Congress is presiding over the disestablishment of the postal service.

Today, a manufactured default created by congressional legislation is pushing the postal service to the brink. Today, the postal service will not make a payment that it should have never had to make in the first place to pay for prefunding 75 years of retiree health benefits in 10 years. A manufactured default, encouraged by banks and other interest groups, a move towards privatization of one of America's most vital services. The Congress has a responsibility to stand up. But here in the USA under Citizens United, everything is up for auction, including the postal service.

Wake up, America. Universal service is on the line. Wake up, America, and stand up for the Constitution, the 575,000 postal service workers, and our obligation to the American people to see to it that the postal service is rescued from those who want to push it into default or privatize it for their own profit.

#### HONORING THE SERVICE AND SACRIFICE OF ADAM ROSS

(Mr. GOWDY asked and was given permission to address the House for 1 minute.)

Mr. GOWDY. Madam Speaker, I rise to say thank you to Adam Ross and his parents, Dudley and Amanda Ross, from the Boiling Springs community in Spartanburg, South Carolina. Adam Ross has been described as a "well-mannered, good-spirited, and all-around good American boy." When he left Spartanburg to follow in his father's and his brother's footsteps to go fight for this country he loved so much, he told his family, Madam Speaker, I know where I am going, I know why I am going and what the purpose is.

Madam Speaker, Adam Ross' body was returned to this country he loved and believed in last week in a flag-draped coffin. His parents buried him at the tender age of 19. He died defending this country and fighting for the qualities that make this the last best hope for mankind.

So, Madam Speaker, I rise to honor his service, to honor the sacrifice his parents made, to pray for their peace and their wisdom, and to pray that when Adam Ross looks down from heaven and sees the America of years to come, he may believe his sacrifice and service were worth it.

#### MIDDLE CLASS TAX CUT

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Madam Speaker, now is the time for Congress to stand

up for middle class families. I urge my Republican colleagues to abandon their plans to hold middle class tax cuts hostage to their demands for another tax cut for millionaires and billionaires and to pass a balanced tax plan, such as that contained in H.R. 15 that extends tax cuts for 98 percent of all Americans and 97 percent of small businesses.

If Congress fails to act, an estimated 400,000 families in Rhode Island could face an average tax increase of \$1,600. The Republican tax proposal will end the expanded earned income tax credit and expanded child tax credit and eliminate the American opportunity tax credit. In my State of Rhode Island, it's estimated that more than 100,000 families would lose an average of \$1,000 in 2013 if the child tax credit expansion is allowed to expire.

The Republicans' misguided plan would protect tax cuts for the wealthiest, while effectively raising taxes on 25 million lower- and middle-income Americans. I urge my colleagues to support a balanced plan that protects the middle class, strengthens our small businesses, and strengthens our economy.

#### BUFFALO-NIAGARA AND THE URBAN AREA SECURITY INITIATIVE PROGRAM

(Mr. HIGGINS asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS. Madam Speaker, on Monday, I hosted a field hearing of the Homeland Security Subcommittee on Counterterrorism and Intelligence, on which I serve as ranking member. This was an opportunity for the committee to hear from local officials on the decision to eliminate Buffalo-Niagara from the Urban Area Security Initiative program.

Niagara County Sheriff Voutour and Erie County Commissioner of Emergency Services Daniel Neaverth testified that the capability gains made under this program cannot be sustained without fully funding this program. The Federal investment that supported the security gains achieved over the past 8 years in this program will be lost unless we fully fund this program.

Madam Speaker, the witness testimony made clear that the decision to eliminate Buffalo-Niagara from the Urban Areas Security Initiative program was ill-advised, shortsighted, and counterproductive. Congress and the Department of Homeland Security must reverse this course and restore Buffalo-Niagara's eligibility for this all-important program.

#### NEW PREVENTIVE SERVICES FOR WOMEN

(Mrs. CAPPS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAPPS. Madam Speaker, I rise today to mark a key milestone in women's access to affordable health care services. Starting today, and thanks to the health care reform law, women will have guaranteed access to a host of preventive services in new health care plans, without additional costs. These benefits—including annual well-women physicals, birth control coverage, and screenings for domestic violence among them—are a critical step to ensuring that all women get the care they need to stay healthy and treat disease early.

Far too often, women put off needed care because of the cost; but this new coverage benefit makes some of these tough decisions a thing of the past, decisions like whether to pay for treatment or to pay for groceries.

As we celebrate this day, we must also remember that these health care services continue to be politicized and face many attacks. These attacks are not only divisive but an intrusion into women's private health decisions. We must stand up to such partisan attacks and support these important health care benefits and thus ensure that all women and their families have access to affordable preventive care services.

#### BRIGHT SPOTS IN COLORADO

(Mr. PERLMUTTER asked and was given permission to address the House for 1 minute.)

Mr. PERLMUTTER. Madam Speaker, it's been a hard summer in Colorado, but we have a lot of bright spots. And I want to focus on three today—one thing and two people.

The "thing" is the patent office. In this country, we've had one patent office. It's been here in Washington, D.C. And now we're going to have three patent offices across the country, and Colorado got one of those. We're going to have a satellite patent office in Colorado, and that will help us continue our innovative and entrepreneurial spirit.

Now, of the two people I would like to highlight, one is Chief Dan Oates. We had tremendous heroes in this recent tragedy that we had in Colorado. But Chief Dan Oates and his leadership of the Aurora Police Department were fantastic, and I want to compliment him on that.

Now, the last person I want to highlight, who is a bright spot and will keep getting brighter, is Missy Franklin who has won a bronze medal and a gold medal in swimming. And she is going to win a lot more.

So even though we've had a tough summer, there are a lot of bright things and a lot of bright people in Colorado, and it's going to be better from here on out.

#### JOE BACA MIDDLE SCHOOL

(Mr. BACA asked and was given permission to address the House for 1 minute.)
