## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There is 1 minute remaining.

□ 1906

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Mr. Speaker, on rollcall 559, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted "yea."

## AMERICA NEEDS REAL SOLUTIONS FOR JOBS

(Mr. WILSON of South Carolina asked and was given permission to ad-

dress the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, on Friday, the Bureau of Labor Statistics released the latest jobs report. For 43 months, our Nation's unemployment rate has remained above 8 percent. Last month, only 96,000 more people found jobs and, sadly, 368,000 people were discouraged and defeated and gave up searching for jobs. To make matters worse, for persons with jobs, the average hourly wages decreased and labor force participation is the lowest in 31 years.

The President's policies have failed to create jobs, failed to encourage economic growth, and failed to reassure hardworking Americans that we can restore hope for American families. The American people deserve better. They deserve leadership in Washington that will fight to create jobs. It is past time for the liberal-controlled Senate to act on the dozens of bipartisan bills the House has passed and approved promoting jobs for American families.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

## MEXICO/CANADA/UNITED STATES ENERGY ALLIANCE

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, Texans are growing more concerned about the rising cost of gasoline. One lady recently wrote me:

My husband drives a truck. As gas prices rise, so does the cost of diesel. This affects the cost of every single thing we buy. That includes food.

Gasoline prices are the one thing that people should not need to worry about. We have the resources, but Washington keeps them under lock and key. And we still import half our oil from unstable dictators like Chavez and the OPEC monopoly.

Americans can no longer afford to be beholden to the turmoil in the Middle East. So what about this idea?

United States, Mexico, and Canada are rich with God-given natural resources. So working together in a new strategic energy partnership, our three nations could become the world's new energy superpower alliance to compete with OPEC. Let's create an energy supply built to last with our North American allies and finally make OPEC and Middle Eastern dictators irrelevant.

And that's just the way it is.

## DON'T CUT THE SUPPLEMENTAL NUTRITION PROGRAM

(Ms. JACKSON LEE of Texas asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE of Texas. Mr. Speaker, just recently it was announced that 50 million Americans experience food insecurity—and experi-

enced it in the last year. What that means is that families in the United States suffer without food. A predominant number of those are single parents and children.

What are we as a country if we allow children to go hungry in this particular great land?

I just came back from Africa, and saw children who are hungry. But yet we were there to encourage better technology to promote agricultural development. But today, this Congress, this House, Republican Congress, is cutting \$16 billion from the Supplemental Nutrition Program. We can do better.

I want to work with this Congress to ensure that 50 million Americans are not hungry in this great land. Let us revisit the cutting of the Supplemental Nutrition Program because our children are begging, they're asking us: Do we care?

We do care. We cannot cut \$15 billion, \$16 billion from the Supplemental Nutrition Program with 50 million Americans experiencing food insecurity—working Americans, Americans with children. The time to stop is now and support those families.

## REMEMBERING THE 9/11 ATTACKS

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FITZPATRICK. Mr. Speaker, tomorrow our Nation will mark the 11th anniversary of the terrorist attacks of September 11, 2001. At community gatherings across the country, neighbors will come together to honor the memory of those lost in New York, Pennsylvania, and our Nation's capital, including a ceremony in Bucks County at the 9/11 Garden of Reflection, the official Pennsylvania memorial to the victims of the September 11 attacks.

As I stand before you this evening, I'm reminded of the President's address to the Nation the evening of the attacks. In his remarks to the Nation, the President said that:

Terrorist attacks can shake the foundations of our biggest buildings, but they cannot touch the foundation of America. These acts shatter steel, but they cannot dent the steel of American resolve.

Eleven years later, our resolve has never been stronger, and we continue to honor the memory of those tragically lost that day.

## UNFINISHED BUSINESS

The SPEAKER pro tempore (Mr. WOODALL). Under the Speaker's announced policy of January 5, 2011, the gentleman from Connecticut (Mr. COURTNEY) is recognized for 60 minutes as the designee of the minority leader.

Mr. COURTNEY. Thank you, Mr. Speaker.

Here we are today on September 10, 5 weeks since Speaker BOEHNER pushed
