

In fact, it was the Father of our country, President George Washington, also an avid agriculturist, who considered the improvement of agriculture as one of the greatest pursuits “in which more real and important services can be rendered to any country.” I could not agree more!!

What was true at the founding of our great Nation remains ever-true today because of the example set by all in my State who are tied irrevocably to working the land, and by the exceptional leadership of the Maine Association of Agricultural Fairs, Board Members, and volunteers. We could not be more appreciative to them for the well-earned spotlight they shine on the infinite contributions made by Maine farmers and organized fairs, which have become a staple on the yearly calendar for our State and indeed across New England. To experience one of these wonderful fairs is to witness the very best of who we are as Mainers and to experience the limitless pride our farmers take in cultivating the bounty our great State has to offer.●
