COUNTERFEIT DRUG PENALTY ENHANCEMENT ACT OF 2011

Mr. DURBIN. I ask unanimous consent that the Senate proceed to the consideration of Calendar No. 253, S. 1886.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (S. 1886) to prevent trafficking in counterfeit drugs.

There being no objection, the Senate proceeded to consider the bill.

Mr. LEAHY. Mr. President, I am pleased that the Senate will act today to combat the increasing problem of counterfeit pharmaceuticals. I thank Senators GRASSLEY and BENNET, and the other cosponsors, along with the bipartisan sponsors of the House companion bill. This is important legislation to deter the influx of counterfeit medication. The bill will not only support the American economy and job creation by protecting American intellectual property, but it will protect the health and safety of American consumers.

The illegal counterfeit pharmaceutical trade is a multi-billion dollar criminal industry. The Alliance for Safe Online Pharmacies wrote in support of this legislation that "criminals are drawn to counterfeit drugs because of the significantly higher profits in comparison to the very low risks and penalties."

We cannot allow the counterfeiting of life-saving medicine to be just one more low-risk venture from which international organized criminals can profit. The Counterfeit Drug Penalty Enhancement Act raises the maximum sentences for trafficking in counterfeit pharmaceutical products and requires the United States Sentencing Commission to consider amending its guidelines to account for the harm to the public and need for an effective deterrent.

We should not expect that enactment of this or any legislation will completely deter the serious problem of counterfeit medication entering the American supply chain, but it is an important step in the fight.

Passage of this legislation today by the Senate is also evidence that Congress can work together in a bipartisan manner to protect American consumers and promote American industries. I urge the House of Representatives to act quickly on this legislation and send it to the President's desk.

Mr. DURBIN. Mr. President, I ask unanimous consent that the Leahy-Grassley substitute amendment at the desk be agreed to; the bill, as amended, be read a third time, and the Senate proceed to vote on the passage of the bill, as amended.

The amendment (No. 1808) was agreed to, as follows:

(Purpose: In the nature of a substitute)

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Counterfeit Drug Penalty Enhancement Act of 2011".

SEC. 2. COUNTERFEIT DRUG PREVENTION.

Section 2320(b) of title 18, United States Code, is amended—

(1) by redesignating paragraphs (2) and (3) as paragraphs (3) and (4), respectively; and

(2) by inserting after paragraph (1) the following:

“(2) COUNTERFEIT DRUGS.—

“(A) IN GENERAL.—Whoever commits an offense under subsection (a) with respect to a drug (as defined in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321)) shall—

“(ii) if a person other than an individual, be fined not more than \$10,000,000.

“(B) MULTIPLE OFFENSES.—In the case of an offense by a person under this paragraph that occurs after that person is convicted of another offense under this paragraph, the person convicted—

“(i) if an individual, shall be fined not more than \$8,000,000, imprisoned not more than 20 years, or both; and

“(ii) if other than an individual, shall be fined not more than \$20,000,000.”

SEC. 3. SENTENCING COMMISSION DIRECTIVE.

(a) DIRECTIVE TO SENTENCING COMMISSION.—Pursuant to its authority under section 994(p) of title 28, United States Code, and in accordance with this section, the United States Sentencing Commission shall review and amend, if appropriate, its guidelines and its policy statements applicable to persons convicted of an offense described in section 2320(b)(2) of title 18, United States Code, as amended by section 2, in order to reflect the intent of Congress that such penalties be increased in comparison to those currently provided by the guidelines and policy statements.

(b) REQUIREMENTS.—In carrying out this section, the Commission shall—

(1) ensure that the sentencing guidelines and policy statements reflect the intent of Congress that the guidelines and policy statements reflect the serious nature of the offenses described in subsection (a) and the need for an effective deterrent and appropriate punishment to prevent such offenses;

(2) consider the extent to which the guidelines may or may not appropriately account for the potential and actual harm to the public resulting from the offense;

(3) assure reasonable consistency with other relevant directives and with other sentencing guidelines;

(4) account for any additional aggravating or mitigating circumstances that might justify exceptions to the generally applicable sentencing ranges;

(5) make any necessary conforming changes to the sentencing guidelines; and

(6) assure that the guidelines adequately meet the purposes of sentencing as set forth in section 3553(a)(2) of title 18, United States Code.

The bill was ordered to be engrossed for a third reading and was read the third time.

The PRESIDING OFFICER. The question is on passage of the bill.

The bill (S. 1886), as amended, was passed.

Mr. DURBIN. I ask unanimous consent that the motion to reconsider be laid upon the table, with no intervening action or debate, and any statements related to the bill be printed in the RECORD.
