DURBIN), the Senator from New Hampshire (Mrs. SHAHEEN), the Senator from Missouri (Mrs. McCASKILL), the Senator from Pennsylvania (Mr. CASEY) and the Senator from Connecticut (Mr. LIEBERMAN) were added as cosponsors of amendment No. 1836 proposed to H.R. 3606, a bill to increase American job creation and economic growth by improving access to the public capital markets for emerging growth companies.

## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN (for herself and Mr. HATCH):

S. 2212. A bill to clarify the exception to foreign sovereign immunity set forth in section 1605(a)(3) title 28, United States Code; to the Committee on the Judiciary.

Mrs. FEINSTEIN. Mr. President, I am very pleased to join with my colleague and good friend Senator HATCH to introduce this bill, which will resolve an unsettled issue that is making it difficult for museums and universities to obtain works of art for temporary exhibition from foreign countries.

Cultural exchange with foreign nations enables the sharing of ideas and history across the globe. When foreign works are shown at American museums, they expose our people to the richness of world history and culture.

In 2011, the San Diego Museum of Art hosted an exhibition of 64 works of famous Spanish artists, such as El Greco, Pablo Picasso, Francisco Goya, and Salvador Dali.

Also in 2011, the De Young Museum in San Francisco hosted an exhibition of more than 100 Picasso masterpieces from Paris, as well as more than 100 objects from the Olmec civilization in Mexico.

In 2009, the Los Angeles County Museum of Art hosted an exhibit containing artifacts from the Ancient Roman city of Pompeii, which was buried by a volcanic eruption and rediscovered in the 18th Century.

In 2007, the Los Angeles County Museum of Art hosted an exhibit with approximately 250 works of art created in more than seven different Latin American countries between 1492 and 1820.

Without these exhibitions coming to American museums, many Americans simply would not have the chance to see such important cultural and historical works in person. Exhibitions of such works also draw countless visitors each year, helping museums—which are vital to the preservation of our own culture and heritage—survive and thrive in difficult economic times.

For decades, American law has offered legal protection for these exhibitions. Passed in 1965, a law called the Immunity from Seizure Act, 22 U.S.C. 2459, is designed to provide the legal certainty necessary for American museums to organize such exhibitions with their foreign counterparts.
