

Having four children of my own, I understand the importance of creating an environment where our kids can give back to their communities. Encouraging our Nation's next generation of leaders to become engaged in community service will help ensure that they are active and positive contributors to their local community. We must encourage our Nation's youth to excel beyond the academic arena, demonstrate strong leadership skills, and show active initiative to support their communities.

I am proud to stand with the citizens of Sparks to congratulate Ashlee on this exceptional accomplishment. As she continues to grow her organization, I hope that she will serve as an example for Nevada's youth and will continue building upon this experience in her professional and personal future. Today, I ask my colleagues to join me in recognizing an ambitious Nevadan who has helped make a difference in the lives of thousands all over the Nation.●
