NATIONAL PUBLIC WORKS WEEK

Mr. REID. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. 460.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 460) designating the week of May 20 through May 26, 2012, as National Public Works Week.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motions to reconsider be laid upon the table, with no intervening action or debate, and that any statements related to the resolution be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 460) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 460

Whereas public works infrastructure, facilities, and services are of vital importance to the health, safety, and well-being of the people of the United States;

Whereas the public works infrastructure, facilities, and services could not be provided without the dedicated efforts of public works professionals, including engineers and administrators, who represent State and local governments throughout the United States;

Whereas public works professionals design, build, operate, and maintain the transportation systems, water infrastructure, sewage and refuse disposal systems, public buildings, and other structures and facilities that are vital to the people and communities of the United States; and

Whereas understanding the role that public infrastructure plays in protecting the environment, improving public health and safety, contributing to economic vitality, and enhancing the quality of life of every community of the United States is in the interest of the people of the United States: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week of May 20 through May 26, 2012, as “National Public Works Week”;

(2) recognizes and celebrates the important contributions that public works professionals make every day to improve—

(A) the public infrastructure of the United States; and

(B) the communities that public works professionals serve; and

(3) urges individuals and communities throughout the United States to join with representatives of the Federal Government and the American Public Works Association in activities and ceremonies that are designed—

(A) to pay tribute to the public works professionals of the United States; and

(B) to recognize the substantial contributions that public works professionals make to the United States.

Mr. REID. Before we leave this, Mr. President, I might say that Senator BOXER and Senator INHOFE, the chair and the ranking member of that most important committee—the Environment and Public Works Committee—are doing their utmost on a bipartisan basis to complete the conference with the House to get the highway bill passed, which means 2.8 million jobs. As this legislation concerns National Public Works Week, it would certainly be a big celebration if we could get that bill done. I appreciate very much Senators BOXER and INHOFE working so closely together on that committee.

RECOGNIZING TEACHERS OF THE UNITED STATES

Mr. REID. Mr. President, I ask unanimous consent that we proceed to the immediate consideration of S. Res. 461.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 461) recognizing the teachers of the United States for their contributions to the development and progress of our Nation.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motions to reconsider be laid upon the table, with no intervening action or debate, and that any statements related to the resolution be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 461) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 461

Whereas education is the foundation of the current and future strength of the United States;

Whereas teachers and other education staff have earned and deserve the respect of students and communities for selfless dedication to our Nation's children;

Whereas the purpose of “National Teacher Appreciation Week”, is to raise public awareness of the important contributions of teachers and to promote greater respect and understanding for the teaching profession;

Whereas the teachers of the United States play an important role in preparing children to be positive and contributing members of society; and

Whereas students, schools, communities, and a number of organizations host teacher appreciation events in recognition of “National Teacher Appreciation Week”: Now, therefore, be it

Resolved, That the Senate—

(1) thanks teachers for their service;

(2) promotes the profession of teaching; and

(3) recognizes students, parents, school administrators, and public officials who participate in teacher appreciation events during "National Teacher Appreciation Week".

MEASURE READ THE 1ST TIME— S. 3187

Mr. REID. Mr. President, I understand that S. 3187 was introduced earlier today by Senators HARKIN and ENZI, and I ask for its first reading.

The PRESIDING OFFICER. The clerk will report the bill by title for the first time.

The assistant legislative clerk read as follows:

A bill (S. 3187) to amend the Federal Food, Drug, and Cosmetic Act to revise and extend the user-fee programs for prescription drugs and medical devices, to establish user-fee programs for generic drugs and biosimilars, and for other purposes.

Mr. REID. I now ask for its second reading but object to my own request.

The PRESIDING OFFICER. Objection having been heard, the bill will be read for the second time on the next legislative day.

Mr. REID. Mr. President, this is a very important piece of legislation done in the right way. Senators HARKIN and ENZI have done something in the way we always used to do things: They moved a bill out of committee to the Senate floor, truly a bipartisan bill, so important to our country, the FDA bill—Food and Drug Administration.

Senator ENZI has always been very focused on when we bring something to the floor, it must have the committee mark on it—and this bill does.

The reason I move to the bill today the way I have is to line this up for filing cloture on Thursday. I hope we don't have to file cloture, we move to proceed to it. Why don't we get on the bill? If we can get on the bill, we can start on it Monday, we can start offering amendments, and get this moving along.

I have talked to Senator ENZI, I have talked to Senator HARKIN. We had good luck on the highway bill. We had good luck also on the postal bill with relevant amendments. This is a very important piece of legislation. I hope we can move to this without having to file cloture. If I have to file cloture, I will have to file cloture, but I sure hope not. I admire the cooperation and the working together of Senators HARKIN and ENZI.

ORDERS FOR WEDNESDAY, MAY 16, 2012

Mr. REID. Mr. President, I ask unanimous consent that when the Senate completes its business today, it adjourn until 9:30 on Wednesday, May 16; that following the prayer and pledge, the Journal of proceedings be approved to date, the morning hour be deemed expired, and the time for the two leaders be reserved for use later in the day.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. REID. Mr. President, following any leader remarks tomorrow morning, the Senate will begin debate on several motions to proceed to resolutions introduced by Republican Senators. This is an agreed-upon method of proceeding on these resolutions.

ORDER OF PROCEDURE

It is my intention to equally divide the first hour, with the majority controlling the first 30 minutes and the Republicans controlling the second 30 minutes. I ask unanimous consent that be the case.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. REID. So there is 6 hours of debate time allowed under the consent agreement that was approved earlier today. I certainly hope we can get this done expeditiously. Senator CONRAD will be leading efforts on our side opposed to this; and once we get this out of the way, we should move forward.

Tomorrow morning, after we understand the morning hour will be deemed expired and the time for the two leaders be reserved for their use later in the day, I ask unanimous consent that I be recognized at that time.

The PRESIDING OFFICER. Without objection, it is so ordered.

ADJOURNMENT UNTIL 9:30 A.M. TOMORROW

Mr. REID. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that it adjourn under the previous order.

There being no objection, the Senate, at 6:36 p.m., adjourned until Wednesday, May 16, 2012, at 9:30 a.m.
