Mr. DURBIN (for himself, Mr. KIRK, Mr. BROWN of Ohio, Mr. MENENDEZ, Mr. LUGAR, and Mr. LAUTENBERG) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 473

Whereas polio is a highly infectious disease that primarily affects children and for which there is no known cure;

Whereas polio can leave survivors permanently disabled from muscle paralysis of the limbs and occasionally leads to a particularly difficult death through the paralysis of respiratory muscles;

Whereas polio was once one of the most dreaded diseases in the United States, killing thousands annually in the late 19th and early 20th centuries and leaving thousands more with permanent disability, including the 32nd President of the United States, Franklin Delano Roosevelt;

Whereas severe polio outbreaks in the 1940s and 1950s caused panic in the United States, as parents kept children indoors, public health officials quarantined infected individuals, and the Federal Government restricted commerce and travel;

Whereas 1952 was the peak of the polio epidemic in the United States, with more than 57,000 people affected, 21,000 of whom were paralyzed and 3,000 of whom died;

Whereas safe and effective polio vaccines, including the Inactivated Polio Vaccine (commonly known as “IPV”), developed in 1952 by Jonas Salk, and the Oral Polio Vaccine (commonly known as “OPV”), developed in 1957 by Albert Sabin, rendered polio preventable and contributed to the rapid decline of polio incidence in the United States;

Whereas polio, a preventable disease that the United States has been free from since 1979, still needlessly lays victim to children and adults in several countries where challenges such as active conflict and lack of infrastructure hamper access to vaccines;

Whereas the eradication of polio is the highest priority of Rotary International, a global association that was founded in 1905 in Chicago, Illinois, is currently headquartered in Evanston, Illinois, and has 1,200,000 members in more than 170 countries;

Whereas the Federal Government is the leading public sector donor to the Global Polio Eradication Initiative and provides technical and operational leadership to this global effort through the work of the Centers for Disease Control and the United States Agency for International Development;

Whereas Rotary International, the World Health Organization, the United States Government, the United Nations Children’s Fund (commonly known as “UNICEF”), and the Bill and Melinda Gates Foundation have joined together with national governments to successfully reduce cases of polio by more than 99 percent since 1988, from 350,000 reported cases in 1988 to fewer than 700 reported cases in 2011;

Whereas polio was recently eliminated in India and is now endemic only in Nigeria, Pakistan, and Afghanistan; and

Whereas the eradication of polio is imminently achievable and will be a victory shared by all of humanity: Now, therefore, be it

Resolved, That the Senate—

(1) commends Rotary International and others for their efforts in vaccinating children around the world against polio and for the tremendous strides made toward eradicating the disease once and for all;

(2) encourages the international community of governments and non-governmental organizations to remain committed to the elimination of polio; and

(3) encourages continued commitment and funding by the United States Government to the global effort to rid the world of polio.

Whereas the 2010 decennial census estimated that there are 17,300,000 United States residents who identify as Asian and 1,200,000 United States residents who identify as Native Hawaiian and Other Pacific Islander, making up nearly 6 percent of the total United States population;

Whereas the month of May was selected for Asian-Pacific American Heritage Month because the first Japanese immigrants arrived in the United States on May 7, 1843, and the first transcontinental railroad was completed on May 10, 1869, with substantial contributions from Chinese immigrants;

Whereas the year 2012 marks several important historic milestones for the Asian American and Pacific Islander community, including the—

(1) 20th anniversary of the formal establishment of Asian-Pacific American Heritage Month;

(2) 30th anniversary of the unpunished murder of Vincent Chin;

Whereas section 102 of title 36, United States Code, officially designates May as Asian-Pacific American Heritage Month and requests the President to issue each year a proclamation calling on the people of the United States to observe the month with appropriate programs, ceremonies, and activities;

Whereas the Congressional Asian Pacific American Caucus, a bicameral caucus of Members of Congress advocating on behalf of Asian-Americans and Pacific Islanders, is composed of a record high 41 Members in 2012;

Whereas today, Asian-Americans and Pacific Islanders are serving in State legislatures across the United States, in States as diverse as Alaska, Arizona, California, Connecticut, Georgia, Hawaii, Idaho, Maryland, New Jersey, New York, Ohio, Pennsylvania, Texas, Virginia, Utah, and Washington;

Whereas the commitment of the United States to diversity in the judiciary has been demonstrated by the nominations of high-caliber Asian-American and other minority jurists at all levels of the Federal bench;

Whereas there still remains much to be done to ensure that Asian-Americans and Pacific Islanders have access to resources, a voice in the Federal Government, and continue to advance in the political landscape of the United States; and

Whereas celebrating May 2012 as Asian-Pacific American Heritage Month provides the people of the United States with an opportunity to recognize the achievements, contributions, and history of, and address the challenges faced by, Asian-Americans and Pacific Islanders: Now, therefore, be it

Resolved, That the Senate recognizes—

(1) the significance of May 2012 as Asian-Pacific American Heritage Month as an important time to celebrate the significant contributions of Asian-Americans and Pacific Islanders to the history of the United States; and
