

Whereas the Constitution of the United States, a revered and living document—

(1) provides important rights to every citizen of the United States;

(2) secures “the Blessings of Liberty to ourselves and our Posterity”; and

(3) sets the standard of democracy for the world;

Whereas the delegates to the Constitutional Convention in 1787 established the imperative precedent of compromise;

Whereas the Constitution and the subsequent 27 amendments to the Constitution outline the freedoms and the principles of representative government that are as strong today as they were on that momentous occasion in 1787;

Whereas September 17, 2012, marks the 225th anniversary of the signing of the Constitution of the United States, which is the supreme law of the land and the document by which the people of the United States govern their great country;

Whereas, to venerate the immeasurable importance of the Constitution and the day on which the Constitution was signed, it is essential to continually educate people about, and celebrate, the principles and legacy of the Founding Fathers; and

Whereas members of organizations such as the National Society of the Sons of the American Revolution and the National Society Daughters of the American Revolution play an important role in promoting patriotism, preserving the history of the United States, and educating the public about the rights and responsibilities of citizenship: Now, therefore, be it

Resolved, That the Senate—

(1) commemorates the 225th anniversary of the signing of the Constitution of the United States on September 17, 2012, and remembers the sacrifices made by the people who made the signing possible; and

(2) applauds the continuing contributions made by the members, volunteers, and staff of historical, educational, and patriotic societies of the United States, such as the National Society of the Sons of the American Revolution and the National Society Daughters of the American Revolution, in promoting patriotism and the values embodied in the Constitution of the United States.
