STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. HELLER (for himself and Mr. BURR):

S. 3405. A bill to amend title 38, United States Code, to treat small businesses bequeathed to spouses and dependents by members of the Armed Forces killed in line of duty as small business concerns owned and controlled by veterans for purposes of Department of Veterans Affairs contracting goals and preferences, and for other purposes; to the Committee on Veterans' Affairs.

Mr. HELLER. Mr. President, last month was yet another disappointing month of job growth. Over 12 million Americans are unemployed, close to 6 million have been unemployed for over 27 weeks, and 8 million have been forced to work part time because they have been unable to find full-time work.

To put this in context, since this administration came into office, the number of Americans who are unemployed has increased by 700,000. This is a 5-percent increase in our national unemployment rate. Home values and middle-class income have decreased, and America has dropped from being the most competitive Nation in the world to the fourth most competitive Nation in the world.

After this administration's failed policies of bailout after bailout, Senate Democrats are endorsing the idea of letting America go off the so-called fiscal cliff at the end of this year instead of letting businesses maintain their existing tax rates. This would effectively raise taxes on every American during one of the slowest economic recoveries in modern times.

While I support extending these taxes and giving our Nation's job creators certainty, I believe we need tax reform. Our Tax Code is too complex. We need to close loopholes, broaden the base, and lower rates.

As a member of the Committee on Ways and Means in the House, I worked on this issue, and I will continue to advocate for comprehensive reform while I am in the Senate. While I recognize that sometimes comprehensive policies may be difficult to move forward, especially in an election year, I believe we can find consensus on commonsense solutions.

Since coming to the Senate, I have advocated for policies that create jobs for Nevadans and for all Americans. My State has been one of the hardest hit in this current economic climate. Nevada
