I wish Mr. Chukwueke the best of luck in his future endeavors.

EXHIBIT #1

AFFIDAVIT OF SOPURUCHI VICTOR CHUKWUEKE

I, Sopuruchi Victor Chukwueke, swear under penalty of perjury that the following is true and accurate to the best of my knowledge and belief:

1. My name is Sopuruchi Victor Chukwueke. I write this statement in support of S.B. 285, a private bill introduced on my behalf by U.S. Senator Carl Levin.

2. I was born in Nigeria on February 10, 1986. During my early childhood, I developed a benign tumor caused by Neurofibromatosis, which grew on my frontal and right facial area, subsequently resulting in a very significant facial deformity.

3. My mother took me to different hospitals for treatment but we were unable to find a facility or surgeon to treat my condition. At some point, she heard of a Catholic nun called Rev. Mother Paul Offiah who ran a handicap (orphanage) center for orphans, abandoned and neglected disabled children. The name of the center is called St. Vincent de Paul Handicap Center located in Umuahia, Abia, Nigeria. My mother took me there, explained the situation to Mother Offiah, and left me. I do not remember how old I was at that point, but I felt abandoned.

4. Rev. Mother Paul Offiah took me in, fed and clothed me and became my sole parental figure, offering both emotional and financial support. My mother kept in contact with Mother Paul Offiah and came a few times to visit me at the center. I spent all my time there and Mother Paul Offiah started making arrangements for me to come to United States for life-saving treatment.

5. Dr. Ian Jackson at Providence Hospital in Michigan agreed to perform the surgery free of charge. Several generous Nigerians assisted with the effort to raise funds to that I could travel to the U.S. for treatment.

6. On August 21, 2001, when I was 15, Mother Offiah brought me to the United States on a B-2 visa and left me in the care of Sister Immaculata Osueke and other nuns in Lansing, Michigan. She then went back to Nigeria. I was authorized to stay in the U.S. until August 29, 2002.

7. My application to Extend/Change Non-immigrant Status was rejected twice, because I could not afford the visa fee at the time. Also, the evidence submitted was signed by a clinical social worker instead of a licensed physician. The delay in filing for the third time was in part because I was having surgery during that time. I had my second major surgery on January 14, 2003. That period was a very difficult and stressful time in my life, because I had to prepare for surgery, undergo the painful surgery and post-operative recovery, and at the same time worry about my visa status. I was just 16 years old at the time.

8. In February 2003, my mother and father signed sworn affidavits to give up their parental rights, so I could be adopted here in the United States.

9. In November 2003, I began to study for the GED at home while receiving treatment for Neurofibromatosis. In January 2004, I took the GED and passed it.

10. A few years later, in 2006, Mother Offiah died of a brain tumor, leaving me with no parental figure in Nigeria who could provide for and support me with my medical condition.

11. In May 2006, I enrolled at the Oakland Community College in Southfield, Michigan. My education was paid for by a Catholic benefactor, Mr. Jerry Burns.

12. In August 2008, I graduated from Oakland Community College with an AA in Science and in September 2008, I transferred to Wayne State University in Detroit, Michigan to pursue a Bachelor's Degree.

13. I had been abandoned by my family in an orphanage in Nigeria, and I felt I have no one to care for me there, especially after Mother Paul Offiah passed away. As I grew up in the United States and received medical treatment for my condition, I realized that my mother knew she could not provide for me and so she had entrusted me to the people who could take care of me. I realized that she had done the right thing at the time, given the circumstances. So I decided to reach out to my family again, especially my mother.

14. Sister Immaculata Osueke reached out to other nuns at the orphanage in Nigeria to get my mother's telephone number, so that I could try to reconnect with my family.

15. I was chosen to give the commencement speech at the Wayne State University graduation in 2011. Dr. Kenneth Honn, my research professor, said that he wanted to bring my mother to witness "her son's graduation." He wrote an invitation letter for my mother to come visit me, but all of the travel arrangements were done by a Wayne State administrator, Mr. Christopher Harris. With the help of Dr. Honn, Mr. Harris, and Senator Levin's letter to the U.S. Consulate in Nigeria, my mother came to visit me at my graduation from Wayne State last year. It was the first time I had seen her in more than ten years. She arrived a few hours before my graduation and returned to Nigeria on May 16, 2011.

16. Since my arrival in Michigan in 2001, I have been in and out of the hospital, and have had seven major surgeries between 2002 and 2011 to remove the Neurofibromatosis and reconstruct my face.

17. In November 2011, I applied and was accepted by the University of Toledo, College of Medicine, conditioned on receiving lawful permanent residence in the United States on or before August 1, 2012.

Respectfully submitted,

Sopuruchi Victor Chukwueke.
