Whereas, *Citizens United* was a dramatic reversal of established Supreme Court precedent, and overturned decades of statutes enacted by Congress and numerous state legislatures; and

Whereas, *Citizens United* has served as precedent for further legal decisions harming our democratic system of government, including *SpeechNow.org v. FEC*, which allows wealthy individuals to anonymously channel unlimited political expenditures through Super PACs; and

Whereas, In the wake of *Citizens United* there has been an exponential increase in large independent political expenditures by corporations and wealthy individuals which threatens the integrity of the election process, corrupts our candidates, dilutes the power of individual voters and distort the public discourse; and

#### JOINT RESOLUTION H. 7899

Whereas, The growing influence of large independent political expenditures by corporations and wealthy individuals is a great and growing concern to the people of the United States and the State of Rhode Island; and

Whereas, In a democracy the assurance of a fair and uncorrupted election process is of the utmost importance, and the Rhode Island General Assembly believes that it is a legitimate and vital role of government to regulate independent political expenditures by corporations, unions, and wealthy individuals; and

Whereas, In fulfillment of this important role the government of the United States

and a majority of states have regulated and restricted independent political expenditures by corporations; and

Whereas, In 2010, the Supreme Court of the United States decided by a bare majority in *Citizens United v. Federal Elections Commission* that the First Amendment of the Constitution of the United States prohibits restrictions on the use of corporate and union treasury funds for electioneering; and

POM-136. A concurrent resolution adopted by the House of Representatives of the Legislature of the State of Kansas urging the Congress of the United States to extend equal benefits and compensation for the treatment of Agent Orange exposure to Vietnam era veterans who served outside of Vietnam; to the Committee on Veterans' Affairs.

#### HOUSE CONCURRENT RESOLUTION NO. 5016

Whereas, Thousands of veterans of the Vietnam War suffer from the effects of exposure to Agent Orange, a powerful and toxic defoliant used to clear areas of dense vegetation used as enemy hideouts; and

Whereas, Agent Orange exposure causes a variety of devastating health effects, such as increased rates of cancer, immune system disorders and genetic maladies which lead to birth defects in the children of those exposed; and

Whereas, Although the use of Agent Orange is most commonly associated with the country of Vietnam, it was also used extensively in surrounding areas such as Thailand; and

Whereas, Many veterans affected by exposure to Agent Orange proudly and bravely

served their country without ever actually setting foot in Vietnam itself; and

Whereas, These veterans are struggling to obtain the same medical benefits and compensation to deal with their exposure as those who served on the ground in Vietnam: Now, therefore, be it

*Resolved by the House of Representatives of the State of Kansas, the Senate concurring therein*: That the Congress of the United States is urged to work with the Department of Veterans Affairs to ensure that Vietnam era veterans who served in support of the Vietnam War are able to receive the same medical benefits and compensation for the treatment of Agent Orange exposure as those who served within the country's borders.

**SEC. 1024. NOTICE TO CONGRESS FOR THE REVIEW OF PROPOSALS TO NAME NAVAL VESSELS.**

(a) FINDINGS.—Congress makes the following findings:

(1) The Navy traces its ancestry to October 13, 1775, when an Act of the Continental Congress authorized the first vessel of a navy for the United Colonies. Vessels of the Continental Navy were named for early patriots and military heroes, Federal institutions, colonial cities, and positive character traits representative of naval and military virtues.

(2) An Act of Congress on March 3, 1819, made the Secretary of the Navy responsible for assigning names to vessels of the Navy. Traditional sources for vessel names customarily encompassed such categories as geographic locations in the United States; historic sites, battles, and ships; naval and military heroes and leaders; and noted individuals who made distinguished contributions to United States national security.

(3) These customs and traditions provide appropriate and necessary standards for the naming of vessels of the Navy.

(b) NOTICE TO CONGRESS.—Section 7292 of title 10, United States Code, is amended by adding at the end the following new subsection:

“(d)(1) The Secretary of the Navy may not announce or implement any proposal to name a vessel of the Navy until 30 days after the date on which the Secretary submits to the Committees on Armed Services of the Senate and the House of Representatives a report setting forth such proposal.
