RECOGNIZING FOLIA JEWELRY

● Ms. SNOWE. Mr. President, a piece of jewelry can tell a story, trigger a memory, or commemorate a special occasion. The beauty and charm captured in a ring or a necklace can precisely convey a meaning without words. For birthdays, engagements, celebrations, and sometimes "just because," a piece of jewelry is a popular and personal gift. Today I wish to recognize a jewelry store whose emphasis on detail, creativity, and quality sets it apart.

A downtown staple for nearly two decades, Folia Jewelry in Portland, ME, specializes in custom-made pieces of jewelry fashioned from precious metals and gemstones. The owner and creative mind behind these beautiful pieces of wearable art is Edith Armstrong. Edith studied jewelry making and metalsmithing at the Rhode Island School of Design and brings more than 25 years of expertise to the custom jewelry market. It is her passion and imagination that first brought Folia to Portland. Her work is now known throughout the area and even the world for its excellence and originality.

The custom design and quality of Edith and the other designers at Folia is exquisite. Folia showcases the talents of several of Maine's gifted and experienced artisans. The designers at Folia individually sit down with each customer interested in specially crafted pieces to discuss, sketch, and render models to exact specifications prior to work on the actual piece. This detail-oriented process yields pieces which are unique, beautiful, and personal. The philosophy of Folia is all in the personalization. If you do not see exactly what you're looking for in the many display cases, Edith and her team of artists will happily work with you to give form to your vision. Through their dedication to their craft and attention to detail, the designers at Folia have garnered a reputation as one of the best jewelry stores in Maine, and it is easy to see why.

Along with custom jewelry making, Folia also offers a wide array of prefabricated designs for customers to choose from, all made from the highest quality stones and metals. These designs are ready-made but each has that artistic flare so characteristic of Folia's custom creations. The intricacy with which each piece is fashioned is truly outstanding. Their expert craftsmen also specialize in restoration and repair of older jewelry.

In a world increasingly concerned with on-demand and instant gratification, it is comforting to know that

there are delightful shops like Folia, run by designers who care more about their final product and intimate relationships with customers than the bottom line. I proudly offer my congratulations to Folia on their success and wish Edith and everyone at Folia all the best in the future.●

S. RES. 613

Whereas the Department of State has designated Hizballah as a foreign terrorist organization since October 1997;

Whereas the United States Government designated Hizballah a specially designated terrorist organization in January 1995 and a "Specially Designated Global Terrorist" pursuant to Executive Order 13224 (66 Fed. Reg. 49079) in October 2001;

Whereas Hizballah was established in 1982 through the direct sponsorship and support of Iran's Islamic Revolutionary Guards Corps (IRGC) Quds Force and continues to receive training, weapons, and explosives, as well as political, diplomatic, monetary, and organizational aid, from Iran;

Whereas Hizballah has been implicated in multiple acts of terrorism over the past 30 years, including the bombings in Lebanon in 1983 of the United States Embassy, the United States Marine barracks, and the French Army barracks, the airline hijackings and the kidnapping of European, American, and other Western hostages in the 1980s and 1990s, and support of the Khobar Towers attack in Saudi Arabia that killed 19 Americans in 1996;

Whereas, according to the 2011 Country Reports on Terrorism issued by the Department of State, "Since at least 2004, Hizballah has provided training to select Iraqi Shia militants, including on the construction and use of improvised explosive devices (IEDs) that can penetrate heavily-armored vehicles.";

Whereas, in 2007, a senior Hizballah operative, Ali Mussa Daqduq, was captured in Iraq with detailed documents that discussed tactics to attack Iraqi and coalition forces, and has been directly implicated in a terrorist attack that resulted in the murder of 5 members of the United States Armed Forces;

Whereas Hizballah has been implicated in the terrorist attacks in Buenos Aires, Argentina on the Israeli Embassy in 1992 and the Argentine Israelite Mutual Association in 1994;

Whereas Hizballah has been implicated in acts of terrorism and extrajudicial violence in Lebanon, including the assassination of political opponents;

Whereas, in June 2011, the Special Tribunal for Lebanon, an international tribunal for the prosecution of those responsible for the February 14, 2005, assassination of former Lebanese Prime Minister Rafiq Hariri, issued arrest warrants against 4 senior Hizballah members, including its top military commander, Mustafa Badr al-Din, identified as the primary suspect in the assassination;

Whereas, according to the 2011 Country Reports on Terrorism issued by the Department of State, Hizballah is "the likely perpetrator" of 2 bomb attacks that wounded United Nations Interim Force in Lebanon (UNIFIL) peacekeepers in Lebanon during 2011;

Whereas, according to the October 18, 2012, report of the Secretary-General of the United Nations to the United Nations Security Council on the implementation of Security Council Resolution 1559 (2004) (in this preamble referred to as the "October 18 Report"), "The maintenance by Hizballah of sizeable sophisticated military capabilities outside the control of the Government of Lebanon. . . creates an atmosphere of intimidation in the country[.] . . puts Lebanon in violation of its obligations under Resolution 1559 (2004)[.] and constitutes a threat to regional peace and stability.";

Whereas John Brennan, Assistant to the President for Homeland Security and Counterterrorism, stated on October 26, 2012, that Hizballah's "social and political activities must not obscure [its] true nature or prevent us from seeing it for what it is—an international terrorist organization actively supported by Iran's Islamic Revolutionary Guards Corps – Quds Force";

Whereas David Cohen, Under Secretary of the Treasury for Terrorism and Financial Intelligence, stated on August 10, 2012, "Before al Qaeda's attack on the U.S. on September 11, 2001, Hizballah was responsible for killing more Americans in terrorist attacks than any other terrorist group.";

Whereas, according to a September 13, 2012, Department of the Treasury press release, "The last year has witnessed Hizballah's most aggressive terrorist plotting outside the Middle East since the 1990s.";

Whereas, since 2011, Hizballah has been implicated in thwarted terrorist plots in Azerbaijan, Cyprus, Thailand, and elsewhere;

Whereas, on July 18, 2012, a suicide bomber attacked a bus in Burgas, Bulgaria, murdering 5 Israeli tourists and the Bulgarian bus driver in a terrorist attack that, according to Mr. Brennan, "bore the hallmarks of a Hizballah attack";

Whereas Israeli prime minister Benjamin Netanyahu has stated of the Burgas terrorist attack, "We have unquestionable, fully substantiated evidence that this was done by Hizballah backed by Iran.";

Whereas Bulgaria is a member of the European Union and a member of the North Atlantic Treaty Organization (NATO);

Whereas, according to the October 18 Report, "There have been credible reports suggesting involvement by Hizballah and other Lebanese political forces in support of the parties in the conflict in Syria. . . Such militant activities by Hizballah in Syria contradict and undermine the disassociation policy of the Government of Lebanon, of which Hizballah is a coalition member.";

Whereas, on October 26, 2012, Mr. Brennan stated, "We have seen Hizballah training militants in Yemen and Syria, where it continues to provide material support to the regime of Bashar al Assad, in part to preserve its weapon supply lines.";

Whereas, on August 10, 2012, the Department of the Treasury designated Hizballah pursuant to Executive Order 13582 (76 Fed. Reg. 52209), which targets those responsible for human rights abuses in Syria, for providing support to the Government of Syria;

Whereas, according to the Department of the Treasury, since early 2011, Hizballah "has provided training, advice and extensive logistical support to the Government of Syria's increasingly ruthless effort to fight against the opposition" and has "directly trained Syrian government personnel inside Syria and has facilitated the training of Syrian forces by Iran's terrorism arm, the Islamic Revolutionary Guards Corps – Quds Force";

Whereas, on September 13, 2012, the Department of the Treasury designated the Secretary-General of Hizballah, Hasan Nasrallah, for overseeing "Hizballah's efforts

to help the Syrian regime's violent crackdown on the Syrian civilian population";

Whereas, on October 26, 2012, Mr. Brennan stated, "Even in Europe, many countries. . . have not yet designated Hizballah as a terrorist organization. Nor has the European Union. Let me be clear: failure to designate Hizballah as a terrorist organization makes it harder to defend our countries and protect our citizens. As a result, for example, countries that have arrested Hizballah suspects for plotting in Europe have been unable to prosecute them on terrorism charges.";

Whereas, on October 26, 2012, Mr. Brennan called on the European Union to designate Hizballah as a terrorist organization, saying, "European nations are our most sophisticated and important counterterrorism partners, and together we must make it clear that we will not tolerate Hizballah's criminal and terrorist activities.";

Now, therefore, be it

Resolved, That the Senate—

(1) urges the governments of Europe and the European Union to designate Hizballah as a terrorist organization so that Hizballah cannot use the territories of the European Union for fundraising, recruitment, financing, logistical support, training, and propaganda;

(2) urges the governments of Europe and the European Union to impose sanctions on Hizballah for providing material support to Bashar al Assad's ongoing campaign of violent repression against the people of Syria;

(3) expresses support for the Government of Bulgaria as it conducts an investigation into the July 18, 2012, terrorist attack in Burgas, and expresses hope that the investigation can be successfully concluded and that the perpetrators can be identified as quickly as possible;

(4) urges the President to provide all necessary diplomatic, intelligence, and law enforcement support to the Government of Bulgaria to investigate the July 18, 2012, terrorist attack in Burgas;

(5) reaffirms support for the Government of Bulgaria by the United States as a member of the North Atlantic Treaty Organization (NATO), and urges the United States, NATO, and the European Union to work with the Government of Bulgaria to safeguard its territory and citizens from the threat of terrorism; and

(6) urges the President to make available to European allies and the European public information about Hizballah's terrorist activities and material support to Bashar al Assad's campaign of violence in Syria.
