#### HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor Monica Nino, former Stanislaus County Chief Executive Officer, and to thank her for her leadership and dedication to the citizens of Stanislaus County.

After 25 years of devoted service to Stanislaus County, she is now San Joaquin County's new Chief Executive Officer. In her short 18 months as CEO for Stanislaus County, Nino proved herself a very competent executive, providing the thorough information needed for the five elected supervisors to make good decisions, especially on budget matters.

Ms. Nino was born and raised in Stanislaus County. She earned her Associate's degree from Modesto Junior College, her Bachelor's degree in Accounting from California State University, Fresno and her Master's degree in Public Administration from California State University, Stanislaus.

In 1988, Monica started as an accountant in the Stanislaus County's Auditor-Controller's Office. She joined the executive office in 1991. She helped oversee the budget during heavy cuts to deal with reduced income resulting from the housing crash of the past half-decade and related economic woes.

Ms. Nino was appointed Stanislaus County Chief Executive Officer in January 2012. Prior to her appointment as CEO for Stanislaus County, she had held the position of Assistant Executive Officer with Stanislaus County since 2005. Nino is the first woman and first Latina to hold the permanent post.

As Chief Executive Officer with Stanislaus County, under the direction of the Board of Supervisors, Ms. Nino oversaw all aspects of Stanislaus County government, which included 26 County departments, an operating budget of \$891 million, and over 3,700 employees.

Ms. Nino also sat on the Stanislaus County Animal Services Agency, Joint Powers Agency, Stanislaus Regional 911, and Doctors Medical Center Governing Board.

Mr. Speaker, please join me in honoring and commending Monica Nino, former Stanislaus County Chief Executive Officer, for her numerous years of selfless service to the betterment of our community.

#### IN RECOGNITION OF THE 50TH ANNIVERSARY OF THE DONOHO SCHOOL

#### HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. ROGERS of Alabama. Mr. Speaker, I ask for the House's attention today to honor an extraordinary college preparatory school in my district. The Donoho School, founded in 1963, will celebrate its 50th anniversary this month.

The Donoho School was founded in 1963 as a secondary school and was called the Anniston Academy. In 1976, the name was changed to The Donoho School in recognition of Mrs. Harriet Wallis Donoho, a founder of the school. The Lower Division of the school was founded as The Episcopal Day School in 1961 as an independent elementary school. Housed originally in the facilities of the Church of St. Michael and All Angels, the school moved into Grace Episcopal Church in 1967. In 1976, The Episcopal Day School merged with The Donoho School and became the Lower Division.

The Donoho School currently enrolls more than 400 students in Pre-K through 12th grade. It is an active member of the Alabama Association of Independent Schools, Alabama High School Athletic Association, College Board, National Association for College Admission Counseling, National Association of Independent Schools, National Association of Secondary School Principals, National Honor Society and Southern Association of Independent Schools. The school will celebrate its 50th anniversary with an awards ceremony on September 16th.

Mr. Speaker, please join me in celebrating The Donoho School's achievements and thanking them for their dedication to providing Anniston's children with a quality education.

#### CONGRATULATING CHAD RUSSELL

#### HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and congratulate Turlock High School Agriculture Department Chair Chad Russell, upon being awarded the "Instructor Sweepstakes Award" by the California State Fair for a fifth year. This award is a tribute to Mr. Russell's professional accomplishments in the field of education, as well as his dedicated commitment to his students and the art of welding.

Chad Allen Russell was born on May 23, 1982, in Turlock, CA to Bev and Tom Russell. He grew up in Turlock, CA, the second largest city in Stanislaus County, which has a population of 68,549. It is home to California State University, Stanislaus, and has earned the title "Heart of the Valley" for its extensive agricultural production.

As a child, Mr. Russell attended Mt. View-Chatom Schools and from 1996–2000 Mr. Russell was a standout FFA student at Turlock High School, mentored by several renowned agriculture instructors including Dale Pollard, Joe Digrazia, and Lori Marchy. While at THS, Mr. Russell was an active participant in FFA and distinguished himself by winning several awards including the State FFA Star Agribusinessman Award and, in his senior year, Outstanding Project at the CA State Fair.

Mr. Russell's facility with welding led him after high school to a job in that industry, where he worked for three years. Although Mr. Russell's salary as a welder was nearly double what a teacher earns, he felt called to this new profession and moved back to Turlock to begin attending Modesto Junior College, where he earned an A.A. degree in Agriculture. After MJC, Mr. Russell transferred to

California State University, Fresno, where he majored in Ag Mechanics. While at Fresno State, Mr. Russell subcontracted for GEA Niro, who flew him around the country on weekends to weld.

With degree in hand, Mr. Russell was hired by Turlock Unified School District in 2006 as a part-time ROP welding instructor and eventually worked his way into a full-time position as an Agriculture teacher. Alice Pollard, former Principal of Adult and Career Education at Turlock Unified School District has praised Mr. Russell's devotion to his students, "Chad selflessly gives up his weekends, his spring and winter breaks, as well as spending more hours than you want to know during the summer helping his students." Cindy Young, Director of Yosemite ROP in Stanislaus County, relayed her awe at his commitment to his students, "When I visit his classroom, I see more than a classroom, I see a business. His students are involved and engaged. They are committed to excellence. They are respectful and he is respectful of them. Mr. Russell is building tomorrow's workforce."

It didn't take long after starting his career at THS for Mr. Russell to make a reputation as one of the foremost Ag Mechanics instructors in the State as his students began to win award after award at the Stanislaus County and California State fairs. In 2009, Dominic Agresti-Assali, one of Mr. Russell's stand-out welding students, custom-made two 54 foot almond trailers that went on to win 1st place in the State Ag Mechanics over-\$10,000 division, earning Best in Division and Best in Show honors along with two other corporately-sponsored awards.

That same year, eight other THS students earned first place and Best of Show honors at the State Fair. Most recently, in 2013, Mr. Russell earned his 5th Instructor Sweepstakes award at the State Fair based on his students' outstanding performance and THS junior Trey Smith won a Golden Bear Award, the fair's highest honor. Mr. Russell's students are highly sought after for welding jobs at local businesses due to the reputation he has established in the community as a result of his students' extensive accomplishments.

Based in part on his students' numerous accomplishments and his own stellar record as a welding instructor, Mr. Russell was recently awarded the Yosemite Regional Occupation Program (YROP) Teacher of the Year award from Stanislaus County Office of Education. ROP is a program designed to prepare students for a career by providing a wide variety of specialized career education programs for high school students. The goal is for students to develop marketable skills, abilities, attitudes and work habits so that they can secure jobs, upgrade skills, and prepare for advanced careers.

For the past five years, Mr. Russell has served as the Department Chair of the THS Agriculture Department and has overseen its expansion to five teachers. He has been instrumental in helping to secure University of California approval for many of the agriculture courses at THS, allowing students to participate in a Career Technical Education program while maintaining four-year college eligibility. Mr. Russell's long-term plans are to pursue a Master's in Agriculture and continue to build the THS Agriculture Department into one of the premiere programs in the State. With his outstanding commitment to THS students and

passion for Agriculture, it is only a matter of time before this dream becomes a reality.

Mr. Speaker, please join me in commending Chad Russell for his hard work and dedicated service at Turlock High School, and congratulating him upon receiving the California State Fair "Instructor Sweepstakes Award" not once but five times.

IN RECOGNITION OF ARKY  
MARKHAM

HON. JAMES P. McGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. McGOVERN. Mr. Speaker, I rise today to ask the House of Representatives to join me in recognizing Arky Markham of Northampton, Massachusetts.

Ms. Markham has dedicated her entire life and professional career to a simple pursuit: helping those in need, and giving a voice to the voiceless.

As a social worker, she has spent a career protecting and promoting the human rights of vulnerable populations, including war veterans, and those without healthcare.

As a political activist, she has stood up time and again for the causes that matter to her, demonstrating against nuclear weapons, and leading her community for peace, and against wars.

Ms. Markham has routinely volunteered and founded groups on behalf of social justice causes, including the American Friends Service Committee, where she was a co-organizer and chief fundraiser for the first Martin Luther King celebration in Northampton; Social Workers for Peace and Justice; The Middle East Peace Coalition; the Franklin/Hampshire Health Care Coalition which later helped to form Mass-Care, a state-wide organization that continues to advocate for single-payer health care; the Northampton Bill of Rights Defense Committee and the Alliance for Peace and Justice.

As Ms. Markham's community, friends, and colleagues gather this month to celebrate her 98th birthday and her life's work of 'doing good,' I ask that the House of Representatives join me in honoring a true champion of human rights.
