

IN HONOR OF DIANNA RUSKOWSKY  
AND HER 25 YEARS OF DEDICATED SERVICE TO THE HOUSE  
COMMITTEE ON EDUCATION AND  
THE WORKFORCE

**HON. JOHN KLINE**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. KLINE. Mr. Speaker, I rise today to recognize Dianna Ruskowsky for her 25 years of dedicated service to the House Committee on Education and the Workforce—and the American people.

In a career spanning the terms of seven Committee Chairmen, Dianna Ruskowsky has distinguished herself as an exemplary steward of Committee resources and a true expert of her craft. She is routinely sought out for guidance and assistance from her colleagues on both sides of the aisle—from fellow Committees to House Leadership offices.

Dianna's contributions take place behind the scenes, but her work does not go unnoticed. Her guidance and advice ensures everyone from our interns to our Staff Director has the knowledge they need to make wise decisions and adhere to the letter of the law.

Dianna's attention to detail and dedication to the successful operation of the Committee are without equal. The American people can rest assured every penny of their tax dollars that flows through the Committee is accounted for and invested in the most efficient manner.

Perhaps even more admirable is Dianna's own investment in the lives of the many young staffers she has taken under her wing over the years. Dianna routinely goes out of her way to help new staff members feel welcome and at home in our Committee family.

Our Committee could—quite literally—not run without Dianna's service, and we continue to be grateful for all she does.

HONORING JERRY AND ANN  
KIVETT

**HON. TODD ROKITA**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Mr. ROKITA. Mr. Speaker, I rise today to recognize and salute a remarkable Hoosier, Jerry Kivett. Jerry is a true leader in his community and the Hoosier state. I wish to express my heartfelt gratitude and appreciation for his leadership and service to his country, his community, and the State of Indiana.

Jerry grew up on the family farm owned by his parents, Hugh C. and Martha Kivett, in Hall, Indiana. Jerry attended Martinsville High School and graduated in 1948. He participated in sports and today is still a sports enthusiast. Jerry worked the family farm with his brother, Jack, and father, Hugh, during much of his younger years and was a natural farmer as many generations of Kivetts were farmers.

It was during a youth event in the basement of the Mt. Pleasant Christian Church in Hall that his eyes met those of Mary Ward of Monrovia. It was love at first sight and today this love has lasted 65 years. Jerry and Mary bought a farm of their own in Hall and have

resided over it for over sixty years. They still attend Mt. Pleasant Church and are the fifth or sixth generation of Kivetts to do so.

To this union were born Steve, who is a vicar for the Church of England, and has resided in England with his wife, Ann, for nearly 40 years. Jerry's son, Rick, resides in Martinsville with his wife, Vickie, and they both work in their county government. Jerry's daughter, Jill Kivett, resides in Rensselaer and is a teacher at North Newton High School. Jerry's son, Monte, resides in Camby with his wife, Lisa, and was Chief Deputy Prosecutor for Morgan County. Life has continued to bless Jerry and Mary Kivett with seven grandchildren and four great grandchildren.

Jerry worked at the IBM in Greencastle and worked nights in order to either coach or attend his children's sporting events, rarely missing any of them. Mary spent over twenty years in the Morgan County Clerk's Office. They have done some traveling to England and stateside over the years and still enjoy vacationing. They are members of the Hall Civic Association and are lifelong Republicans. As parents and grandparents they have been excellent role models in family values. They have shared years of watching sports on all levels together and can quote you names, teams, statistics, and even have long ago forgotten.

CELEBRATING LABOR LEADER  
LEROY KING'S 90TH BIRTHDAY

**HON. NANCY PELOSI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 9, 2013*

Ms. PELOSI. Mr. Speaker, I rise today to pay tribute to a distinguished San Francisco labor leader, a civil rights activist, and my dear friend, Leroy King, on the occasion of his 90th Birthday.

Committed to the principles of equality and justice for all people, King has been a fierce advocate for San Franciscans through his union, through city and state government, and through church and community groups. Today, I am proud to honor his decades of work to

achieve social justice and a better life for working families in San Francisco.

King served as Northern Regional Director of the International Longshore and Warehouse Union (ILWU) for more than 30 years. He became a member of ILWU Local 6 in 1946 and later led a coalition of members to overturn a discriminatory system that elected only whites to union office. He dedicated years to helping create a fully inclusive, integrated workforce.

King's fire and passion for action in support of his beliefs has never dimmed. While in his 80s, he was arrested for staging an act of civil disobedience with hotel and restaurant workers who were fighting to improve working conditions. He also joined San Francisco teachers and education support professionals when they occupied the offices of the City's Board of Education to dramatize the unmet needs of students.

King was instrumental in the union's creation of the St. Francis Square Cooperative Housing development, which opened in 1963 in the Fillmore District and was a national model for creating racially-integrated housing for working families. King and his family moved into St. Francis Square when it opened, and he continues to live there today.

A staunch supporter of civil rights champion Cesar Chavez, King is often credited for bringing Dr. Martin Luther King, Jr. to the Bay area for a civil rights rally in 1967. In 2009, the National Education Association honored King with the Dr. Martin Luther King Jr. Memorial Award for promoting peace and advancing social and economic justice by embodying King's inclusive leadership and nonviolent philosophy.

As a long-time civic and public affairs leader, Mr. King served on the San Francisco Redevelopment Commission for over 30 years. As Commissioner, he fought to preserve the African-American and Japanese-American heritage of the Fillmore District.

With great pride, I designated him as my appointee to California's Electoral College. On December 15, 2008, he cast my official vote for Barack Obama as the first African American President of the United States.

From his courageous service in World War II to his extraordinary dedication to the City of San Francisco and the State of California, Leroy King is peerless leader will always be a strong and unwavering voice for the voiceless.
