

service at Fort McCoy, CSM Bissonette helped transform this vital national training center into one of the Army's best and most effective of the seven active Army Power Projection Platforms. I know his leadership will be greatly missed at the base and surrounding communities, but I am thankful for his leadership and contributions to ensuring that Fort McCoy remains a shining star in the nation's military training infrastructure.

On behalf of my constituents in Wisconsin and a grateful nation, I would like to thank and commend CSM Bissonette for his years of dedicated service in the U.S. Army and in particular as Garrison Command Sergeant Major at Fort McCoy. My best wishes to him, his wife Katherine and their children Michael and Samantha.

IN RECOGNITION OF MALALA  
YOUSAFZAI

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today in recognition of Malala Yousafzai. On October 9, 2012—one year ago today—Malala was the target of an assassination attempt by the Taliban because she chose to speak out against their efforts to ban girls from school in her Swat Valley neighborhood of Pakistan. Since then, Malala has emerged as a leading voice for underprivileged children, especially girls, in the fight for global education equality.

Along with former British Prime Minister Gordon Brown and the “A World at School” movement, Malala will work to raise \$500 million over the next three years to provide education to the 300,000 Syrian school-aged children living in Lebanon. In addition to this and winning an International Children's Peace Prize for her overall efforts, Malala was recently honored at the opening dedication of Europe's largest public library. In a recent address given at the UN, she reiterated her mission, “They thought that the bullets would silence us, but they failed . . . and then, out of that silence, came thousands of voices.”

For many, Malala Yousafzai, is a symbol of resilience and courage in her fight for global education equality. Please join me in supporting Malala and her efforts on the anniversary of the Taliban's heinous failed assassination attempt. I proudly acknowledge and encourage her to continue her efforts for education equality.

HONORING MYERS FLOWER SHOP  
AS THEY CELEBRATE THEIR  
CENTENNIAL ANNIVERSARY

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. DeLAURO. Mr. Speaker, it gives me great pleasure to rise today to join the Branford community and the Myers family as they celebrate the 100th Anniversary of Myers Flower Shop—a remarkable milestone for this community institution.

Charles Myers had a unique passion for flowers. Following his studies at Yale University, he dedicated himself to the establishment of a premier flower shop, opening his first location at 936 Chapel Street in New Haven, Connecticut in 1913. In 1940 the shop moved to 28 Whitney Avenue and just seven years later, Charles, while doing what he loved best, suffered a fatal heart attack at the shop. His wife, who had been a long-time assistant at the shop, stepped in to fill the breach until 1950 when his son, Allan, returned home and took over the operation of the family business. Following Alan's passing in 1959, his wife, Sue took up the reins until the third generation of the Myers family, their son Chuck and his wife, Elsie, assumed the leadership role in 1971. Despite the many changes, the business flourished and a new branch was opened in Branford and then another in Guilford. Though the New Haven and Guilford shops have since closed, the Branford shop continues to be a staple of Branford's merchant center at its location at 1008 Main Street. Today, grand-daughters Lee-Ellen and Elsie run the store with the same strong sense of hard-work and passion that was the trademark of Charles Myers.

As it was recently described by one of his grand-daughters, when Myers celebrated its grand-opening, life expectancy was about forty-seven years, few doctors went to college, most babies were born at home, and the speed limit was set at 15 mph to prevent Model T cars from spooking horses. So many things have changed over the course of its one hundred year history, but the one constant has been the company's commitment to outstanding customer service. Lee-Ellen and Elsie remain committed to ensuring that the legacy of their grandfather thrives—bringing flowers from all over the world to its customers, offering great quality and excellent service to every client, and doing whatever they can to make the lives of others just a little bit brighter.

In a recent article about the centennial celebration, Albert Canosa wrote: “Every industry has its legacies. The Kennedys are synonymous with politics. The Fords are the kings of automobiles. And here in Branford, Connecticut, the legacy of Charles Myers is associated with flowers.” Myers Flower Shop is a community treasure—a classic example of the American entrepreneurial spirit and the very essence of what we so often describe as the American Dream. I am proud to rise today to extend my heartfelt congratulations to Lee-Ellen, Elsie, and the entire Myers family as they mark this centennial celebration and wish them all the best for continued success.

PERSONAL EXPLANATION

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. McCOLLUM. Mr. Speaker, Monday night I meant to vote against H.J. Res 77. This Resolution was just the latest bill to come to the floor as part of the Republicans' foolish strategy. Funding the federal government one program or agency at a time is a reckless approach, and one I strongly oppose.

To be clear, I support full funding for the Food and Drug Administration along with the

entire federal government. Ensuring our food, medications, and medical devices are safe is important. Halting these critical activities is already impacting our communities and the effects will only continue as long as Republicans refuse to bring a clean Continuing Resolution to the floor.

It is time to end this manufactured shutdown, get our federal workers back on the job, and fund every federal program and agency at once.

IN RECOGNITION OF THE 35TH AN-  
NIVERSARY OF PARATRANSIT,  
INC.

**HON. DORIS O. MATSUI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. MATSUI. Mr. Speaker, I rise today to recognize Paratransit, Inc. as they celebrate their 35th anniversary. As staff, passengers, and supporters of this vital transportation life-line gather to celebrate, I ask all my colleagues to join me in recognizing them for their invaluable service to the Sacramento region.

For the past thirty-five years, Paratransit has served countless individuals with disabilities and the elderly by offering door-to-door transportation services, allowing them the mobility to lead quality lives. Since its inception in 1978, Paratransit, a private nonprofit corporation, has been innovative in providing a public transportation system with fully accessible options, as well as working with other local nonprofit agencies, assisting them in delivering much needed client-focused transportation. In 1981, Paratransit became the first designated Consolidated Transportation Services Agencies in the State of California. In 1992 with the passing of the Americans with Disabilities Act, The Sacramento Regional Transit District (RT) and Paratransit partnered to implement the law in the most effective and efficient method to provide service to those with disabilities. That same year, the Community Transportation Association of America named Paratransit, Inc. as Transit System of the Year.

Paratransit's diverse services include a mobility training program that provides assistance to people to learn how to ride RT's buses and light rail cars, giving them independence to work, visit senior centers, go shopping or to doctor appointments, and visit friends and relatives. In 2012, the Sacramento Area Council of Governments honored Paratransit as the Regional Organization of the Year. Their successful Wheels to Work employment program, partners with Women's Empowerment, The Sacramento County Department of Human Services, The Sacramento Housing Alliance, Sacramento Steps Forward, and The California Department of Rehabilitation to help people get employment by providing low-income individuals with job counseling, interview preparation and other services. Also in 2012, Paratransit received the Innovative Transportation Program from the Women's Transportation Seminar for their forward thinking efforts.

Paratransit's maintenance division services its fleet of 150 vehicles, as well as the fleets of 20 other agencies, to ensure safe and reliable public transportation options. It also repairs accessibility equipment, such as lifts and

ramps, and adapts vehicles for disabled drivers. As the 2002 United States EPA Energy Star Small Business award winner, Paratransit is committed to clean energy and a sustainable environment. Its Sacramento facility contains a storm water retention system. They have an expansive recycling program for all waste coolant, motor oil, transmission fluid, batteries, metals and tires. Committed to improving air quality, Paratransit joined with Hybrid Technologies in 2007 to produce the world's first full lithium-powered PT Cruisers.

Mr. Speaker, I hereby recognize and commend Paratransit for their outstanding commitment and service to our community. I ask all my colleagues to join me in wishing this fine organization continued success and support as they work to provide seamless transportation options and other important services for everyone in the Sacramento Region.

DEATH BENEFITS BILL H.J. RES.  
91

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Mr. POE of Texas. Mr. Speaker, we lost five warriors on the battlefield of Afghanistan recently. They were 25-year-old 1st Lt. Jennifer M. Moreno; 24-year-old Pfc. Cody J. Patterson; 24-year-old Special Agent Joseph M. Peters; 25-year-old Sgt. Patrick C. Hawkins; and 19-year-old Lance Cpl. Jeremiah M. Collins, Jr.

Unfortunately, their families were given the news not only that they had lost their loved ones, but they were also told that they would not be given the \$100,000 in death benefits that they were entitled to receive within three days of the death of their loved ones.

The \$100,000 payment is being withheld from the families—two of them Army Rangers—and one Marine and the bodies of the five warriors will be returned to Dover Air Force Base today. Congress needs to act NOW to rectify this absurd and disgraceful situation.

This money helps the families by giving them an immediate source of cash to help get through the tough times surrounding the funeral of their loved ones.

The Pentagon says it has specific instructions from its budget office not to make payments for deaths that occurred after 11:59 p.m. on Sept. 30, 2013—the date of the start of the government shutdown.

Congress passed a bill last week which should have made it clear that the Pentagon had the authority to make these kinds of payments, however this Administration continues to play politics with this shutdown and has apparently directed DOD not to make these payments.

In order to make it ABUNDANTLY clear that DOD has the authority to make these payments, I thank the Speaker for quickly bringing this bill up to the floor.

It is my hope that the Senate quickly passes this bill, and the President signs it. There is no excuse that any other American hero's family is told that they will not get the death benefit they deserve.

And that's just the way it is.

HONORING THE NEW HAVEN MANUFACTURERS ASSOCIATION ON THE OCCASION OF THEIR 100TH ANNIVERSARY

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. DELAURO. Mr. Speaker, it is with great pleasure that I rise today to join the many who have gathered to celebrate the centennial anniversary of the New Haven Manufacturers Association—a remarkable milestone for this outstanding organization. Their leadership, vision, and advocacy have not only served to promote and expand manufacturing opportunities in New Haven County, but have become integral to how our communities and policy makers address manufacturing needs across Connecticut.

As one of the oldest states in our great nation, Connecticut has a long and rich history. At the heart of our state's economic history is a strong manufacturing foundation. Connecticut is incredibly proud of that heritage and can boast of many firsts in manufacturing: the first cotton gin, patented by Eli Whitney; the first factory town in America, planned and established in Seymour; the first movable parts mass production in use, making clocks; the first industrial training school, established by John Holbrook in Derby; as well as the production of the first revolver, portable typewriter, sewing machine, vacuum cleaner, Poloroid camera, color television, and helicopter. Our state's manufacturing industry has and continues to be an important part of our economic success.

For one hundred years the NHMA has been a strong voice on behalf of New Haven County manufacturers—ensuring that public officials and communities understand the importance of the industry to our economy, that manufacturing employees have access to ongoing training and development resources, and that those schools and programs responsible for training the next generation of these skilled workers are able to do so with the most up-to-date technology and machinery. Over the course of my tenure in Congress I have had many opportunities to work with the NHMA as well as to visit many of their member companies to see first-hand the innovative work they are undertaking. We worked together to bring funding to Platt Regional Vocational Technical High School which financed new machinery for the school's manufacturing program and I have been proud to support their idea of the creation of manufacturing re-investment accounts which are aimed at reducing the financial burdens our smaller manufacturers face as they seek to expand their businesses.

Their dedication and good work has helped to preserve our state's rich manufacturing history, provide a forum for the exchange of ideas, issues and best practices among their members, and advocate for public policies that enhance manufacturing as a whole. Today, as they celebrate their centennial anniversary, I am proud to rise and join the many community and business leaders who have gathered in extending my heartfelt congratulations and very best wishes to the New Haven Manufacturers Association. Happy 100th Anniversary.

MOURNING THE PASSING OF FORMER MINNESOTA SENATOR ROD GRAM

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Ms. McCOLLUM. Mr. Speaker, I would like to extend my condolences to the family and friends of former U.S. Senator Rod Grams who represented Minnesota from 1995 to 2001. He had previously been elected to the U.S. House in 1992 where he served one term. Senator Grams passed away last night at home in Crown, MN. He was 65 years old.

Senator Grams was a Republican who fought hard for the issues he believed in and worked to find common ground on issues that concerned Minnesotans. Before entering politics Sen. Grams was a well known television newscaster in the Twin Cities. I remember watching him frequently.

While serving in the U.S. House and Senate I did not have contact with Sen. Grams, but following his time in elected office I had many interactions with him as he represented various private clients. I always found Rod Grams to be a kind and engaging man who cared deeply about Minnesota.

The public service provided by Senator Rod Grams is to be honored and respected. He was a conservative who cared about Minnesota and its people. Again, Mr. Speaker, I extend my condolences to his family, friends, and supporters.

OUR UNCONSCIONABLE NATIONAL DEBT

**HON. MIKE COFFMAN**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048, 913.08.

Today, it is \$16,747,419,536,935.48. We've added \$6,120,542,488,022.40 to our debt in 4 years. This is \$6.1 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.

RECOGNIZING TAIWAN NATIONAL DAY

**HON. KEVIN YODER**

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 9, 2013*

Mr. YODER. Mr. Speaker, I rise today to honor and recognize the National Day of the Republic of China. October 10 marks the beginning of the Wuchang Uprising which led to the creation of the Republic of China in 1912.

The Republic of China, or Taiwan as it is more commonly known, has worked tirelessly to become a global player both politically and economically. With a thriving economy, Taiwan already plays a critical role in the global supply chain and serves as a major innovator in the technology industry. I am proud to represent Garmin Ltd. in my district which is an
