

life, among refugees fleeing the fighting that still raged in northern Italy.

After the war, Dr. Levi-Montalcini joined Hamburger at Washington University in St. Louis. There began her collaboration with Dr. Stanley Cohen with whom she shared the Nobel Prize in Physiology or Medicine in 1986. Together they studied the biochemistry of nerve growth and revolutionized the study of cell growth and development. She flourished at Washington University but always maintained close ties to Italy and to a new generation of Italian scientists. She helped found the Institute of Cell Biology in Rome and became its first director. She died in Rome on December 30 at the age of 103. She continues to inspire us, and we do well to remember her brave advice, "Above all, do not fear difficult moments. The best comes from them."

IN HONOR OF CAROL WALTER

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, January 4, 2013

Mr. COURTNEY. Mr. Speaker, I rise today to honor the life and legacy of Carol Walter of the Connecticut Coalition to End Homelessness (CCEH). A tireless advocate for our State's most vulnerable citizens, Carol passed away on Thursday, December 27th.

Carol's dedication to people and service was apparent in her extensive achievements and contributions to our State. She began her career working in shelters in many of the largest communities across the State. Displaying a knack for leadership and an entrepreneurial spirit, Carol moved on to the Connecticut Aids Resource Coalition where she founded the National Working Positive Coalition. She became director of CCEH in 2006.

While heading the Coalition, she helped institute greater coordination of services among nonprofits, managed the annual Point-In-Time homeless census, and led the State in rapid re-housing and shelter diversion strategies. Carol's years of dedication and tireless hard work impacted countless lives across our State. Due in large degree to Carol's leadership statewide, there has been historic progress made in the effort to combat homelessness in Connecticut's Second Congressional District.

Carol's passing marks an irreplaceable loss for our community, for the fight against homelessness, and the battle to provide justice for underserved communities. Carol leaves behind a lasting legacy of passionate service to those in need. I ask my colleagues to join me today in honoring Carol's life and accomplishments.

HON. JIM COSTA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 4, 2013

Mr. COSTA. Mr. Speaker, I rise today to recognize Colonel Sami D. Said for his many years of dedication and service to the United States. After almost two years of serving as Commander for the 144th Fighter Wing, Cali-

fornia Air National Guard, Colonel Said will be promoted to the rank of Brigadier General and will serve a tour in Afghanistan.

Colonel Said has devoted his life to serving the United States. He began his career in 1991 at the 159th Fighter Squadron in Jacksonville, Florida where he was a Pilot Trainee and then an F-16 Fighter Pilot. Colonel Said held other duties at the 159th Fighter Squadron, including Chief of Standardization and Evaluation, Instructor Pilot, Weapons Officer, and Squadron Operations Officer.

In June 2003, Colonel Said completed his time with the 159th Fighter Squadron and went on to become the Commander of the 125th Aircraft Maintenance Squadron. He was also the Wing Special Projects Officer (ORI) and the Chief of Wing Operations for the 125th Fighter Wing. After spending two years with the 125th Fighter Wing, Colonel Said served as a National Security Fellow at Harvard Kennedy School of Government.

As he moves on to proudly serve our country overseas in Afghanistan, Colonel Said's expertise and many years of experience will be greatly missed at the 144th Fighter Wing.

Mr. Speaker, I ask my colleagues to join me in congratulating Colonel Sami Said on his upcoming promotion to the rank of Brigadier General and wish him well in his next tour of service. Our country will always be gracious for his hard work and unwavering service.

TRIBUTE TO DR. SHELDON KAPEN

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, January 4, 2013

Mrs. MILLER of Michigan. Mr. Speaker, I would like to pay tribute to the memory of a

great citizen of the State of Michigan, the late Dr. Sheldon Kapen. Sadly, Dr. Kapen passed away on Thanksgiving Day at the age of 77.

He was the longtime Chairman of the Department of Neurology at the John V. Dingell Veterans Administration Hospital in Detroit and a leading figure in the field of sleep disorders research who made many outstanding discoveries and contributions. The plaque which honors him at the VA hospital calls Dr. Kapen "A Physician, a teacher, a scientist, a leader, and a friend".

My sincerest condolences go out to his family. I would like to place into the RECORD an article from the VA Hospital bulletin on the occasion of the naming of the Sheldon Kapen Sleep Laboratory last year as well as an obituary that appeared in the Wayne State University newspaper.

DETROIT VAMC SLEEP CLINIC HONORS DR. KAPEN

(By Alysse Mengason)

This fall, the Detroit VAMC staff and patients paid tribute to one of its long-time physicians, hanging a plaque in his honor in the sleep clinic.

Dr. Sheldon Kapen's legacy is represented in the sleep lab, which he founded in 1985, when he took over a new 2 bed unit in the old Detroit VAMC in Allen Park. Dr. Kapen started the first sleep lab in any VA facility. Dr. Kapen achieved many successes over the years. Among the grants he won, Dr. Kapen received a VA Research Grant to study stroke and sleep.

When the Detroit VA Medical Center moved to Detroit and became the John D. Dingell VA Medical Center, Dr. Kapen was able to expand the clinic into a new 8 bed facility with state of the art equipment and more staff.

Dr. Kapen's sleep medicine and laboratory was the first VA sleep lab to be accredited, and approximately the 20th in the nation (there are now about 1,000 accredited sleep labs in the U.S.). He also had the first VA-based accredited fellowship program in 1989 (the 4th overall in the country) and it has also been reaccredited multiple times.

In his more than 30 years with the VA, Dr. Kapen has trained dozens of physicians, and continues to train and supervise sleep fellows from Wayne State University.

DR. SHELDON KAPEN, LONGTIME NEUROLOGY FACULTY MEMBER, DIES

Dr. Sheldon Kapen, M.D., 77, of West Bloomfield, Mich., died Nov. 22.

Dr. Kapen was a longtime member of the Wayne State University Department of Neurology and chief of Neurology at the John Dingell Veterans Administration Hospital for 25 years until his retirement in November 2011.

"Sheldon Kapen was an important contributor to the academic and clinical missions of the Department of Neurology and the Veterans Administration hospital for many years," said Robert Lisak, M.D., professor and former chair of Neurology. "He was a pioneer in the study of and treatment of disorders of sleep. For that reason the sleep laboratory at the John Dingell VA Hospital was recently named in his honor. Shelly was a dedicated physician and a person of integrity. He will be missed."

The funeral was held Nov. 23 at the Ira Kaufman Chapel, 18325 W. Nine Mile Road, Southfield.

The family of Dr. Kapen will gather through the evening of Nov. 26 at 4564 Fairway Ridge Court, West Bloomfield, for friends to call. The phone number is 248-626-

2907. Religious services will be held Monday evening.

The family suggests contributions in memory of Dr. Kapen be made to the Holocaust Memorial Center, 28123 Orchard Lake Road, Farmington Hills, MI 48334.

STOP SINGLING OUT FEDERAL EMPLOYEES

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 4, 2013

Mr. WITTMAN. Mr. Speaker, as the 113th Congress begins, I strongly believe that no Member of Congress should have his or her salary increased. It is critical that this nation's elected leaders lead by example in the quest to reduce our debt and put this nation on sound financial footing. Responsible, accountable leadership is required in Washington if this train of fiscal disaster is ever going to get rerouted onto a track toward prosperity and economic growth. That is why I am a cosponsor of legislation that would halt the pay increase for Members of Congress under the President's December 27, 2012 Executive Order and legislation to stop the automatic pay increase for members of Congress.

However, I also want to make absolutely clear my opposition to any efforts to unfairly target our civilian federal workforce for deficit reduction purposes. America's First District is full of hardworking and dedicated citizens who serve the people of this nation every day, such as on the front lines of the War on Terror or in support roles for our military. Still others provide valuable service at places like VA hospitals, cancer research laboratories, and the FBI. And yet since 2010, federal civilian employees have seen their pay frozen and their benefits reduced on multiple occasions. I voted against the initial two-year pay freeze in December of 2010, and on the first day of 2013, I voted against H.R. 6726, which would have extended this pay freeze for an additional year. I am fully ready and willing to cut my own salary, benefits, and office budget, but we must stop singling out federal employees simply because Congress fails to address the out-of-control spending.

There is no question that our nation must get its spending in order, and federal employees are certainly eager to do their part to help in this effort. Their daily contributions to their fellow citizens and to the cause of freedom are simply innumerable, and yet during the deficit reduction debate over the last few years, federal employees have been asked to contribute more than their fair share.

Our federal civilian employees live a life of selfless service, and they deserve our appreciation. I am hopeful that deficit reduction efforts going forward will focus more realistically on addressing the true drivers of our debt, rather than targeting those who are trying simply to serve their nation each and every day.

INTRODUCTION OF H. RES. XX, EXPRESSING THE SENSE OF THE HOUSE OF REPRESENTATIVES THAT THE SENATE SHOULD RATIFY THE CONVENTION ON THE ELIMINATION OF ALL FORMS OF DISCRIMINATION AGAINST WOMEN (CEDAW)

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, January 4, 2013

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I rise today to introduce the sense of the House of Representatives that the Senate should ratify the Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW). I am proud to be joined in this effort by my friend and colleague Congresswoman JAN SCHAKOWSKY.

This bipartisan House Resolution urges the Senate to vote to ratify CEDAW, a landmark international agreement that mandates governments to take positive steps to ensure the full development and advancement of women, and their equal enjoyment of human rights, and that they change or eradicate discriminatory laws, customs, and practices.

Despite 187 countries ratifying CEDAW, we are the only western country in the world that has not ratified the treaty, although its fundamental principles of equality and non-discrimination are central to our constitutions. Other nations that have not ratified CEDAW include Somalia and Iran.

Most importantly, CEDAW is non-self executing, meaning that any legislation the United States might adopt to comply with the treaty would have to go through the normal congressional process.

Ratification of CEDAW would continue our nation's proud bipartisan tradition of promoting and protecting human rights. The Senate's ratification of CEDAW would strengthen our standing as a global leader for the rights of women and girls.
