

Sally has played a pivotal role in ensuring uninsured and underserved individuals and families throughout Southern Maryland have access to affordable primary care, and her leadership will be greatly missed. Mr. Speaker, please join me in congratulating Dr. Sarah Leonhard on an exceptional career in the field of public health. On behalf of all Marylanders, I wish her the best in all future endeavors.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF THE WHITE MEMORIAL MEDICAL CENTER

HON. XAVIER BECERRA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. BECERRA. Mr. Speaker, I rise today to recognize the 100th anniversary of the White Memorial Medical Center. Since its beginnings in 1913, the White Memorial Medical Center has shown a deep commitment to providing health services to the residents of Los Angeles. The Seventh-day Adventist Church founded the hospital with the guiding principles of efficiency, honesty, compassion and respect. The hospital was named after Ellen G. White, a Seventh-day Adventist pioneer, who had the vision of integrating healing, healthy living and whole-person care.

Initial treatments were administered at White Memorial Medical Center's First Street Clinic. Since then, the hospital has seen major growth and expansion. In 1950, the hospital expanded by adding a new wing that doubled the number of beds and added a radiation laboratory, an electroencephalography unit, a psychiatric ward and comprehensive emergency facilities. Recently, the hospital undertook a \$250 million project to renovate and modernized its facilities. Funding from the Federal Emergency Management Agency for seismic upgrades and \$30 million in community support made these renovations possible.

Today, White Memorial Medical Center along with its physicians and community partners provides valuable services to the community of Boyle Heights and the greater County of Los Angeles. The hospital serves over 126,000 patients each year and is staffed by 462 physicians, 86 residents, 1,879 employees and nearly 700 volunteers. Services offered include behavioral medicine, diabetes care, cardiac and vascular care, intensive and general medicine care, oncology, orthopedic care, rehabilitation, specialized and general surgery, stroke care and specialized medical services for women and children.

As a major teaching hospital, White Memorial Medical Center plays a significant role in training physicians, nurses and other medical professionals. Training programs focus on teaching doctors to care for the underserved and deliver culturally competent care to its neighboring communities. The hospital also serves the international community by sponsoring medical mission teams around the world and sending supplies to its adopted sister hospital in Zambia, Africa.

I salute the White Memorial Medical Center on the occasion of its centennial celebration. I wish it continued success in its ongoing effort to serve as a teaching hospital and its work with local community-based organizations to bring health, safety and wellness programs to

the residents of Los Angeles. Happy Birthday White Memorial! May the next 10 years be even better and brighter.

RECOGNIZING THE 25TH ANNIVERSARY OF THE CHILD SAFETY NETWORK

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. HONDA. Mr. Speaker, I rise today to celebrate the 25th Anniversary of the Child Safety Network. As the nation's largest distributor of child safety information, CSN has tirelessly fought to make our nation a safer place for children by preventing child abuse, abduction, injury, and exploitation.

Through the youth violence prevention and intervention initiatives, as well promoting the safety of all children who ride public school buses, CSN's efforts to safeguard children and educate parents are impressive and imperative. For instance, adding free extended driving training to the 2,700 school districts that currently use CSN's endorsed training courses has reduced preventable accidents by over 30 percent.

CSN has worked with schools and schools districts in CA-17, and have worked extensively with the California State PTA and the National PTA Association. Throughout the past several years, CSN has provided free child safety information, including the free CSN Safe Family CD to thousands of parents in CA-17. The Safe Family CD and the CSN website provide child safety and health information, immunization schedules for children, child product recall information, and several new child safety programs which include School Bus Safety and driver training, extending Drug Free School Zones to Bus Stops, child nutritional information, preventing child bullying, and many other issues.

As the Representative of California's 17th district, as an educator of over 30 years, a parent and a grandparent, I am grateful to the countless CSN staff and volunteers who are committed to raising safer and healthier children. Mr. Speaker, I applaud the Child Safety Network for their admirable work these last 25 years in my district, California, and our nation—and I extend my warmest wishes in their next 25 years.

HONORING THE LIFE OF GLORIA JOHNSON

HON. SCOTT H. PETERS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. PETERS of California. Mr. Speaker, today we pay tribute to the life of Gloria Johnson, a nationally recognized activist and San Diego community leader who worked tirelessly for more than 50 years for social justice and civil rights. With Gloria's passing this September, it is fitting we honor her as a strong-willed, compassionate, loyal, and tenacious trailblazer whose legacy will continue through those she mentored and in the communities she nurtured. Gloria will be remembered as a

champion for women, the LGBT community, and progressive values.

Gloria was born on August 26 and took immense pride in the fact she shared her birthday with Women's Equality Day, and she lived in accordance with its principles. Gloria was a member of the National Organization for Women for more than 40 years, including serving as a state board member and president of the local chapter. She campaigned for the Equal Rights Amendment, even receiving jail time for civil disobedience after protesting the measure's defeat. In addition to campaigning arduously for women leaders including Hilary Clinton, Nancy Pelosi, and many in our local and state legislatures, Gloria served as a mentor to many young women and was appointed to the Governor's Committee on Women's Issues and inducted into the county's Women's Hall of Fame, thus promoting women's rights in multiple forums.

Gloria worked for the County of San Diego for thirty years, serving as a champion for the LGBT community. During the latter half of her tenure, and at the onset of the AIDS epidemic, she was one of the first social workers in San Diego to work with individuals suffering from the disease in the county's AIDS Case Management Program. Gloria took immense pride in that work, for which San Diego's LGBT community is profoundly grateful. Additionally, she served as cochair of a committee created to defeat a 1978 California state initiative that would have banned gays and lesbians from teaching in public schools.

While she most recently served as cochair of the California Democratic Party LGBT Caucus, Gloria's extensive political activism and leadership began many years prior. In 1977, she joined the newly formed San Diego Democratic Club (now Democrats for Equality), became president of the club in 1980, and remained a sitting board member until her death. Named one of The Advocate's top 400 U.S. gay leaders in 1984, she also served as founding member of Lesbian Rights Task Force and board member of the National Stonewall Democrats.

Mr. Speaker, it is with great respect that I ask my colleagues in the House of Representatives to join me in paying tribute to the life of Gloria Johnson. Gloria's active leadership, steadfast beliefs, pioneering character, and inclusive spirit will be missed by many.

HONORING BRAD STUTZMAN

HON. JOHN R. CARTER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. Speaker, I rise today to honor the distinguished career of journalist Brad Stutzman. With his retirement approaching, he will soon begin the next chapter of his life.

Brad began his newspaper career 35 years ago in his hometown of Binghamton, N.Y. where he worked as a copy boy. Moving to Texas in 1981, Brad quickly put his stamp on journalism in the Lone Star State writing news and feature articles along with editorials and columns. His commentaries also appear in the Pflugerville Pflag, Cedar Park-Leander Statesman, Bastrop Advertiser, and Smithville Times. Brad Stutzman has served as editor for the Round Rock Leader, my hometown paper, since 2005.

Brad's writing, which can be both funny and informative, brings to life the words of fellow journalist John Grogan of The Philadelphia Inquirer, "In the English language, it all comes down to this: Twenty-six letters, when combined correctly, can create magic. Twenty-six letters form the foundation of a free, informed society." Fortunately for the people of central Texas, Brad used his tremendous gifts in service of superb journalism.

I've been friends with Brad for a long, long time. People in politics always seem to have trouble with reporters and editors in many instances. Yet I've always found him to be a fair and impartial reporter and his editorial policies were intelligent and well written and in most cases I agreed with him. I consider Brad a friend and I'll miss him. I'm sorry to see him go.

Retirement is something to be celebrated and enjoyed. It is not the end of a career, but rather the beginning of a new adventure. Both Erika and I wish Brad and his wife Ellen only the best in the years ahead.

HONORING DR. ROBERT M. WHITE

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. WOLF. Mr. Speaker, I rise today to recognize and honor the first Federal Coordinator for Meteorology and the first Administrator of the National Oceanic and Atmospheric Administration (NOAA), Dr. Robert M. White.

Fifty years ago, the Bureau of the Budget issued a Circular to propose policy and procedures for the coordination of Federal meteorological services. In October of 1963, President John F. Kennedy appointed Dr. White to be chief of the U.S. Weather Bureau. Shortly thereafter in January of 1964, he became the first Federal Coordinator for Meteorology. Dr. White was the first and only Administrator of the Environmental Sciences Services Administration (ESSA) from 1965 to 1970, and served as the founding Administrator of NOAA from 1970 to 1977.

Dr. White made groundbreaking contributions to the federal coordination of meteorology in the United States. He advocated for

the expansion of numerical weather prediction techniques and advanced the practical use of global weather observing technology through the launch of the first two operational meteorological satellites. He advanced weather radar research and development on Doppler technology, providing the foundation for our current NEXRAD radar system. Furthermore, he led U.S. participation in the Global Atmospheric Research Program (GARP) and directed research essential to the modernization and association restructuring of the National Weather Service.

In 1978, at the request of the World Meteorological Organization, he chaired the first World Climate Conference in Geneva. After leaving Federal service, he was elected President of the National Academy of Engineering. He was awarded the Tyler Prize for Environmental Achievement in 1992 for his contributions to global environmental science.

I commend Dr. White for the profound vision he brought to his government service, which furthered our understanding of meteorology and the natural environment, including the oceans and marine resources.
